

PLACE IN THE PACK

Who wouldn't want to be
the leader of the pack
who takes charge forcefully,
not needing to look back?

Who wouldn't want to lead
the canines of this group
attending to their need
as ruler of the troop?

It's plain enough to see
that most would rather be
the Alpha Dog up front.
But I must disagree,
that doesn't interest me.
I'd rather be the runt.
