

CTC: 50 YEARS

From the Rockies to the Maritimes,
the Great Lakes to the Beaufort Sea,
across this land our clan convenes
to mark an anniversary.

The Canadian Scottish Terrier Club
was whelped in nineteen-sixty-three.
We celebrate the 50 years
we've served our dog community.

You are invited to attend
our gathering in Calgary.
Come share the Scottish kinship with
the members of C.S.T.C.

Some think our progress came by chance.
Not so; we hold the firm belief
success came from our special blend
of heather and the Maple Leaf.
