Annual Meeting
Report of the Treasurer

I'm pleased to report; your Scottish Terrier Club of America remains fiscally sound.

The Statement of Financial Activities (P&L) shows Net Operating Income at \$7,696 through the end of the 3rd Quarter 2021.

The Club continues to benefit financially from adding Top20 to Rotating, adding the Independent Specialty to Montgomery, Boutique & grooming sales, generous donations from our members, and re-investments to offset expenses.

The STCA has now operated within a balance budget and produced a small surplus Net Income for 8 years (since 2011).

The Statement of Financial Position (Balance Sheet) shows Net Assets totaling \$494,269.

The Club has NO Liabilities (other than contractual commitments for future shows); investments continue to perform as expected; and our assets secure a prudent reserve greater than 3 times annual operating expenses.

Respectfully submitted,

Steve Russell
STCA Treasurer
