SEASONS GREETINGS FROM BALACHAN

As your soon-to-be-outgoing President, your current lame duck, I wish to take this opportunity to wish you all a very Merry Christmas and hope that all of those in the Club will have a very happy and successful New Year.

Looking back over the past year, as is almost always the case, there are good points and bad points. Starting off with the bad, though the show records for the year have not all come through as yet and perhaps these final weeks some major changes will occur, the number of our Scots to win Best in Show throughout the country has been dishearteningly small, to my knowledge only one achieved this goal in 1968. Similarly, the number of group wins has been small, also. I hope very much that during the coming year our breed will show a recrudescence in its all breed competition.

As for the good, we had another Symposium, this time held in St. Louis, and though it was not a great success financially, it was an even better get-together of the Club than was the first, with a program including the best from the first symposium plus much more. We had not only Scottie people present but breeders, exhibitors, and owners of several other Terrier breeds and the Collie breeder or two as well. The heartfelt thanks of the entire club should go to Chairman Dick Weaver for the grand job he did in staging this affair.

Our shows for the year have reflected an increased interest throughout the country in our Scots, and the number of new exhibitors coming along is most heartening, especially when they come in the ring with dogs that are

nicey put down and dogs of good quality.

Let us all now relax and have a happy Christmas season, and don't forget the people crackers for the youngsters and the spot of grooming for those you are getting ready to bring to New York. Don't forget we have a show coming up in February. Let's all make it the biggest ever while we satisfy our curiosity seeing the first show in the new Garden the next day. Let's make this February meeting the biggest ever and welcome a new President in to office with a great big hand.

Dr. T. Allen Kirk Jr.
President

Speaking of the New York Specialty, it will be held on February 8, 1969, at the State Armory, 216 Fort Washington Avenue, New York, New York. Foley, Supt.. Ann Gilkey of Lovington, New Mexico will be the Judge. Ann, in case anyone needs to be reminded, is a long time breeder of Scottish Terriers, having started off in Wisconsin in the mid '40's. She knows her breed quite well and will do a fine job for us.

The dinner will be held at the hotel New Yorker with cocktails at roughly 6:30 and dinner at 7:30. The New Yorker is just through the subway tunnel from the entrance to the new Garden and is quite convenient to those who are coming in through the Lincoln tunnel as a place to stay for the Garden as well as the dinner. Dick Weaver is in charge of the dinner. The awards of annual trophies will take place at the meeting this year, since the previous problem with counting points has been straightened out by the AKC Gazette.

Specialty in conjunction with The Detroit Kennel Club Show, Cobo Hall, Detroit, Michigan, on March 9, 1969. Sweepstakes Judge will be Mrs. Agnes Stricker, Cincinnati, Ohio. Regular class judge Mrs. Ann Gilkey, Lovington, New Mexico. Sweepstake entries to be made at the same time as the regular class entries.

The Club is having a dinner, immediately following the judging, upstairs in a private room and arrangements have been made for a Boy Scout Troop to stay with the dogs. I understand there will be some very nice table favors and the Club is offering a very unusual imported prize for the exhibitor entering the most Scotties. Cynthia Wallgren, Show Chairman, has assured me that the weather will be cold and clear and should you want reservations or have any questions write her at 2281 Manchester, Birmingham, Michigan 48008. Bow Dog Show is the Superintendent, but if you do not receive a premium list by January 15th, let Cynthia know and she will see that you get one.
