FOR YOUR INFORMATION

HELEN PRINCE, 7415 Newburg Drive, Lanham, MD 20706 is the Club's Recording Secretary. Please make certain that she is promptly advised when you intend to move, if you marry, or (we hope not) if you are divorced, if your phone number changes — or any other change in your status. Important mail from the Club, as well as your copy of *The Bagpiper*, will not reach you unless Helen's record is kept up to date.

YOUR SUGGESTIONS ARE NEEDED

On another page of this issue, our President, Kathi Brown reminds us that the schedule of the Montgomery County weekend has become crowded. This is particularly true of the Annual Meeting and the pre-show Dinner on Saturday night. The time allotted to each phase of the night's program has become precious, and the Board will lend a willing ear to hear suggestions from the members on how to plan this weekend. Would you be in favor of holding the business portion of the Annual Meeting in the afternoon? Would you prefer to have Sweepstakes on Saturday morning? Would you be willing to extend the Montgomery County weekend by holding some of the activities on Friday preceding the Show? Everyone who attends and enjoys this busy weekend has some ideas of how it should be planned. Please write to JACKIE SEELBACH, our Corresponding Secretary, and share your thoughts, so that she can bring them to the attention of the Board.

AREA CODE CHANGES

There have been some changes in area codes recently—in Central Massachusetts and Central and Southeast Florida to name two. If you dial the wrong area code there is no recorded announcement that it has been changed. Certain areas of Massachusetts have changed from 617 to 508 and the sections in Florida north of Broward County, including West Palm Beach and north to Orlando have been changed from 305 to 407. Check with the operator if you have trouble reaching someone in these locations.

CONCESSION SPACE AT THE SWEEPSTAKES SITE

There will be a limited amount of pre-assigned concession space at the site of Sweepstakes on Saturday, October 8th. Rentals will be allotted to members in the order in which suitable requests are received. Please call BETTY MCARTHUR (707/778-7374) for information.

ROUTES TO THE BRANDYWINE HOTEL AND RESORT

Supplementing the information in the Flyer for the Montgomery County weekend, those traveling to the Brandywine Hotel and Resort, Downingtown, PA from the North, East and West should take the Pennsylvania Turnpike to Exit 23; follow Route 100 S for 3 miles to Route 30 then go West on Route 30 for another 3 miles. The Brandywine Hotel and Resort is no longer a Quality Inn.

DEADLINE FOR THE FALL ISSUE OF THE BAGPIPER IS OCTOBER 30TH

There is very little time following the Montgomery County weekend to submit advertising and articles for the Fall Issue of *The Bagpiper*. So that publication can be expected in a reasonable time, please send in your material as promptly as possible. We don't want *The Bagpiper* to become buried in the Christmas mail.

PRESIDENT'S MESSAGE

The West Region National Rotating Specialty held in Denver, Colorado brought together members, breeders and Scottish Terriers from vast geographical areas with a common bond — the breed. The main event consisted of the exhibition of topnotch specimens presented in superb condition. Judges, Bill Justus and Bob Moore examined the large entry weighing each carefully against the Standard. The audience and fans surrounded the ring, often three and four rows deep, involved and entranced by the parade of quality Scotties garbed in their coats of many colours. Hospitality abounded. The dinner, complete with Bagpipers and Scottish dancers, a hospitality room flowing with food, drink and friends, made the weekend even more "special". *Dog News* captured the entire weekend in a three page feature written by Cindy Cooke with photos by Norman Prince. On behalf of the entire Board of Directors I wish to thank each and every individual in the Colorado area who labored so long in order to make this event a huge success for the breed and all who attended.

The Board of Directors and the Regional Club Representatives met during the day on Saturday. Minutes of both meetings can be found in this issue of *The Bagpiper*. In addition to the routine business of the Scottish Terrier Club we were able to institute some new ideas, programs and policies. I would like to bring your attention to a few important items.

S.T.C.A. MEMBERSHIP is not for everyone who owns a Scottish Terrier but for sincere, dedicated devotees who have a long term commitment and abide by the letter and spirit of the Constitution and Code of Ethics. At every meeting the Board considers applicants for membership. It has become difficult for fourteen or fifteen members of your Board to be personally familiar with many of those applying. We rely on your sponsorship. We have instituted a new policy of printing the names of applicants and their sponsors prior to a vote of the Board of Directors. All applicants will notified of this decision. Yes, there will be a delay in processing these applications but returning to this procedure will assist us in maintaining the quality of our membership.

A TALENT SEARCH PROGRAM has been formed in order to involve more members in the programs and activities of the National Breed Club and to utilize the vast pool of skills and interests of our membership. You will be receiving a letter shortly regarding this program. Please respond. The information requested will be put on a computer to allow us to retrieve a list of members whenever a talent is needed by your Club.

PROPOSED EDUCATIONAL SEMINAR sponsored by the S.T.C.A. will be held. Preliminary plans involve an entire weekend of presentations and activities on the breed to be held separately (not in conjunction with a busy weekend of shows) at an accessible location. Sessions should be varied and diverse on all aspects concerning the breed and breeders. If you have suggestions as to possible location, topics to be addressed and/or presenters please contact me by telephone or by mail.

MONTGOMERY COUNTY WEEKEND AND THE ANNUAL DINNER has grown every year and we have attempted to plan for the continually increasing entry and attendance. We are both providing for more activities and attempting to ease the long hours for dedicated attendees. This year we move to a larger facility and hope to be able to accommodate every member who wishes to stay at headquarters. The Independent Sweepstakes shall be moved indoors — anyone participating last year will attest to the wisdom of this action. We have added an Obedience Demonstration to be held just prior to sweepstakes judging. The dinner, awards, and annual meeting grow each year becoming more crowded and complex. Plans this year have been made to make the evening even more enjoyable. A sit-down

dinner will be served, tables may be reserved in advance for groups of ten, and a program will be printed listing the awards. You have already received the Montgomery County Packet. Look it over and plan now to be where the SCOTTIES meet.

THE JUDGES' EDUCATION COMMITTEE possible job description will be developed. One suggestion would be to request that this committee send a bulletin to judges, either annually or biannually, focusing on specific areas of the Standard or concerns of the breed.

I encourage each and every member to communicate with your Board of Directors. PLEASE send all changes of address to the Recording Secretary as she is responsible for correcting the labels used for all mailings. Should you wish to contact me by telephone please note that my area code has been changed to 508. I am attempting to visit many different regions of the country in order to exchange ideas and concerns. Trips to Washington, D.C., Michigan, Miami, New York, Denver, Kansas City, Pittsburgh and Canada reassure me of the dedication of S.T.C.A. members and breeders to the future of the breed.

President

SPECIAL NOTICE FOR THE MEMBERSHIP

MEMBERSHIP APPLICATIONS

Effective immediately, per Board action at its meeting on May 28, 1988, the following procedure will be followed for all membership applications: The name of the persons who have submitted membership applications will be read at the meeting of the Board of Directors, and then published in the next issue of the *Bagpiper*. Voting on the membership applications will take place at the next meeting of the Board following their publication. Members of the S.T.C.A. are encouraged to contact the Corresponding Secretary with comments or questions regarding the prospective members.

SUMMARY OF THE MINUTES
MEETING OF THE BOARD OF DIRECTORS OF THE S.T.C.A.

Sheraton Greystone Castle Hotel, Thornton, Colorado

May 28, 1988

President Kathi Brown called the meeting to order at 8:50 a.m. Officers and Directors present were:

President	Ms. Kathi Brown
Vice President	Mrs. Betty McArthur
Corresponding Secretary	Mrs. Jackie Seelbach
Recording Secretary	Mrs. Helen Prince
Treasurer	Mrs. Sandra Lehrack
Directors	Mr. John Cohen, Ms. Cindy Cooke, Mrs. Carla LaCoe, Mrs. Virginia Luken, Mr. Raymond Bigelow, Mrs. Margaret MacDonald, Mr. Merle Taylor

Officers and Directors absent: Mr. John DeSaye, Mrs. Sandi Hach,
Dr. T. Allen Kirk, Jr.

The Chair entertained a motion to dispense with the reading of the minutes. Corrections were noted. **Motion - Taylor/Bigelow** to accept minutes as corrected. **Passed unanimously.**

The agenda was accepted as distributed, with additions.

PRESIDENT'S REPORT:

Kathi Brown reported that the items in her report were included in other parts of the agenda.

VICE PRESIDENT/NATIONAL SHOW CHAIRMAN'S REPORT:

Betty McArthur stated that everything was set for the Rotating the next day, all filings have been made for Montgomery, the premium copy has been submitted, and hotel reservation forms should be mailed by July 1st. Details for the Rotating, 1989, have not been finalized.

In response to inquiries about the Trophy Fund, it was stated that although we have been collecting large amounts of money, there are many other costs besides trophies which must come from those monies, including postage, printing, and the Sweepstakes. Betty also stated that the AKC does not allow trophy donations to be made "In memory of . . ."

CORRESPONDING SECRETARY'S REPORT:

Jackie distributed a list of correspondence sent and received.
Permission was granted to the following Regional Clubs to hold Specialty Shows:

STC of Michigan	September 10, 1988
STC of Greater Washington	October 14, 1988
STC of Northern Ohio	October 29, 1988
Greater Miami STC	December 9, 1988

Letter from Neatha Robinson re: City of Houston: Regional Clubs should be aware that inquiries from Health Departments may not always be for the purpose stated when they inquire about your breed.

ADOA Canine Defense Fund: A request for a donation was received, which will be matched by the AKC. **Motion - Seelbach/Cooke** to send \$500 to ADOA Canine Defense Fund. **Passed unanimously.**

Permission was granted to Heart of America STC to hold another Specialty Show on September 30, 1988.

RECORDING SECRETARY'S REPORT:

Helen stated that the membership roster has not been printed yet because she and Sandy Lehrack have been trying to get it up to date and correct. Discussion centered around a change in the SOP to reflect a more reasonable time to print it. The present guideline was determined to be adequate.

Norma Bouchard's membership was reinstated due to a clerical error.

TREASURER'S REPORT:

Sandra Lehrack distributed the Balance Sheet and Profit and Loss Statement for the period February 1st through May 28, 1988.

Income	\$37,852.51
Expenses	\$23,401.45
Net Profit	\$14,451.06

The list of members dropped for non-payment of dues was reviewed. Everyone on the list was sent a 3rd notice.

Jeanie Jennings was unable to collect the bad debt from Mark Hamlin for the deposit on the Fanfare statue. **Motion - Lehrack/McArthur** to write it off and take any tax benefit available. **Passed unanimously.** The Board wishes to thank Jeanie for all her work in attempting to collect the money.

AKC DELEGATE'S REPORT:

Dr. Kirk was not present, but Kathi Brown had some news releases from the AKC which she shared with the Board on the vicious dog legislation. The AKC now has a 24-hour hotline to collect data. The number is 1-800-AKC-TELL. Copies of the information will be sent to Regional Clubs.

The continued use of the Filaribits Plus advertisement in the AKC Gazette is a serious concern, since the disclaimer that it kills dogs is on a separate page. **Motion - Cohen/Cooke** to send a letter to the AKC that we strongly oppose this advertising. **Passed unanimously.** We should all contact as many other clubs as possible to make them aware of this advertising.

SELECTED COMMITTEE REPORTS:

Annual Awards: Chairman Carla LaCoe presented the nominations for the annual awards that she received from the membership. Recipients for the Silver Service Medallions, Gaines good Sportsmanship Medal, and the Anstamm Achievement Award were selected.

The Annual Awards format at the Annual Dinner was discussed at length. Within the time constraints we have now, it is not feasible to make any drastic changes in the weekend. For 1988, we will try to shorten the Annual Meeting on Saturday night. However, the Board would like input from the membership on how they feel about realigning the Montgomery weekend, which might include having Sweepstakes earlier, beginning a day earlier, changing the time of the Annual meeting, etc. The Board is open to any and all suggestions. **Motion - Cooke/Luken** to prepare an Awards Pamphlet for the Annual Dinner. **Passed unanimously.**

Trouble in the Northwest!

Ch. McVan's Cream Troffles

Trouble finished with a BOB win May 8 under Judge Krohne. He is pictured here with Breeder Judge Elaine Young under whom he took his first group placement the next weekend shown.

In the next 2 months, this flashy wheaten won the hearts of northwest judges, winning 11 Best of Breeds and five group placements including a Group 1 under Judge Ruth Tongren!

Special thanks to the judges who have recognized Trouble and Maripi Woodriddle and John Wilcox for handling assistance.

The San Francisco Bay STC has offered a Versatility Award. The criteria is as follows:

The San Francisco Bay Scottish Terrier Club offers through the Scottish Terrier Club of America a Medallion known as the **San Francisco Bay Scottish Terrier Club Versatility Award**, to be awarded annually at the S.T.C.A.'s Annual Meeting. This medallion may be won by any S.T.C.A. member whose dog/bitch has been awarded three(3) of the four (4) recognized titles or their equivalent in conformation, obedience, tracking, or working terrier trials. Application must be made to the Awards Chairman, and must be accompanied by a photocopy of the championship or title certificate, and must be received by July 1st of the year it is being awarded.

Motion - LaCoe/Prince to accept this award. **Passed unanimously.**

Mini-Workshops Guidelines: Merle Taylor distributed the proposed guidelines. After discussion, **Motion - McArthur/Luken** to accept the guidelines as presented. **Passed unanimously.**

Bagpiper: Marjorie Cohen met with the Board informally. She shared some concerns: (1) What to do when a family membership breaks up due to divorce— who gets the *Bagpiper*? **Motion - Cooke/Luken** to send a copy to each person until the end of the current membership year. **Passed unanimously.** (2) There is a cost of 30 cents everytime a *Bagpiper* is returned for incorrect address. Members are not sending changes to either the Recording Secretary or the Editor.

A discussion of censorship followed. The consensus of the Board was that the Editor has complete authority to decide what to print, and to limit the length of copy sent. Members are encouraged to rebut articles if they feel strongly about them.

There has been a request to publish an article, with color pictures, on the color of Wheaten coats. **Motion - Seelbach/Luken** to publish the article, with approved pictures, in color in the *Bagpiper*. The Club will absorb the cost of the color pictures. **Passed unanimously.**

Misconduct Hearing: On Saturday, March 12, 1988, a Trial Board of the Scottish Terrier Club of America met in Detroit to hear charges which had been filed against a member of the club. The Board consisted of Dr. T. Allen Kirk, Jr., Chairman, John DeSaye, and Helen Prince. Of the three (3) charges filed, only one was sustained. The Trial Board recommended that the membership of the Defendant be suspended until the next Annual Meeting, and further recommended her expulsion from membership. Subsequently, the member wrote to submit her resignation. **Motion - Seelbach/McArthur** to accept the resignation of Ms. Eva Woodall with prejudice. **Passed unanimously.**

Obedience: The feasibility of having an obedience demonstration at the Montgomery Weekend was discussed. **Motion - Seelbach/Prince** to offer supported Obedience entries and trophies at the Rotating Specialty in New England, 1989. **Passed unanimously.**

Nominating Committee: Gilbert (Robbie) Robinson reported that the process had gone smoothly. The Board has requested a copy of his procedures and timetable to possibly add to our SOP. The formal report of the Committee will be sent to the membership on June 1, 1988.

Ways and Means: Faith Harrop requested and received Board approval to have note pads printed using drawings from Jackie Balog. These note pads will be sold at Montgomery. A painting by Cindy Cooke's mother is also being raffled, and tickets are being sold through Regional Clubs.

Tally Committee: Diane Zollinger reported that the Final Standings were ready. Susan Morris had some suggestions for the tally of the Junior Handler award which will be forwarded to Charlene Hallenbeck for her approval. One of Diane's concerns is that the owners of a particular dog sometimes appear to change because it is not listed the same way consistently on the entry forms. She also feels that we should be making better use of our computer record keeping. **Motion - Cooke/McArthur** to form an Ad Hoc

UNFINISHED BUSINESS

New Clubs Update: Helen reported that she had been asked by the Pittsburgh Club to be their liaison. They have given 2 B-Matches, and their A-Match will be held on August 5th, with Kathi Brown judging. It should not be too long until they are sanctioned by the AKC. Jackie reported that nothing more has been heard from Columbus, and that Tampa Bay had made a bid for the Rotating Specialty in 1990.

Rescue: The guidelines presented by Betty McArthur and her committee raised many questions from the Board. **Motion - Cooke/Prince** to ask the Regional Clubs for their Rescue guidelines and what type of assistance they might need from the STCA. **Passed unanimously.**

Education Committee: Neatha Robinson was appointed Chairman and a new committee will be appointed in October.

Education Seminar: It is the consensus of the Board that we should have an educational seminar. **Motion - Brown/Prince** to plan an Educational Seminar on our breed for late 1989 or early 1990. It will NOT be in conjunction with a dog show weekend. **Passed unanimously.**

Talent Search: Merle Taylor was appointed Chairman of the Talent Search Committee. He will be sending questionnaires to all members.

Heckmann Ring Box: The Sterling silver ring box will be offered as a trophy for Best In Sweepstakes, to be won by the same owner 3 times.

NEW BUSINESS

Election of New Members: The membership applications were considered in three groups: (1) All those listed on pages 11-13 of the Corresponding Secretary's Report - **Memberships accepted unanimously.** (2) Mr. Ron Murk and Mr. Ron Gray - **Memberships accepted unanimously.** (3) Mr. Tom Parrotti and Mrs. Mary Parrotti - **Memberships denied** - 9 against, 2 for.

Rotating Specialty, 1990: Applications from the Tampa Bay Club and the Greater Houston STC were considered. **Motion - Taylor/Prince** to accept the bid of Houston for the dates of April 6-8, 1990. **Passed unanimously.**

AKC GAZETTE Columnist: Evelyn Kirk will continue until October.

Dog World Ad: The STCA will assume the costs of the ad presently taken by the STC of Michigan, at a cost of \$63.00 per quarter and \$1.00 per information packet. Joanne Kinnelly has volunteered to send out the information for the STCA.

Membership Application Procedure Review: A new procedure for the processing of applications was adopted. **Motion - Prince/Lehrack** to read the names of prospective members at a Board meeting, publish the names in the next issue of the *Bagpiper*, and then vote on them at the following Board meeting. **Passed unanimously.** Members are encouraged to give input to the Board before the applications are acted upon.

Sweepstakes-Rotating Specialty: Tom and Sandy Lehrack have offered to donate \$50.00 for Best In Sweepstakes at Rotating Specialty Shows. The Board accepted with gratitude.

There being no further business, the meeting was adjourned at 6:50 P.M.

The next meeting of the Board of Directors will be on Thursday, October 6, 1988, at the Brandywine Inn, Dowingtown, PA.

Respectfully submitted,
Helen A. Prince, Recording Secretary

MINUTES OF THE REGIONAL CLUBS REPRESENTATIVES' MEETING

Sheraton Greystone Castle, Denver, Colorado, May 28, 1988

The meeting was called to order at 3:10 p.m. by the Chairman, Charla Hill. The Clubs represented and those in attendance were: San Francisco Bay STC (Izzie McCool); Greater Dallas STC (Jan Beaman); Baltimore STC (Laurie Moore); Greater Miami STC (Marjorie Cohen); STC of Greater Dayton (Mary Ann Cole and Tom Hill) STC Greater Washington D.C. (Betty Lou Breese, Helen Krisko and Bonnie Casely); STC of Greater Louisville (Leslie Stickler, Maxine Stickler), STC of California (Pat Gruda, Jackie Herron and Nancy Veldman) and the STCA at large (Joann Glaser, Robert Mohny and Carol Mohny).

The Chairman commended and thanked the former Chairman, Marjorie Cohen, for her diligence and efforts with the Regional Clubs in the past and wished her continued success with the *Bagpiper*. Marjorie thanked the Representatives for the opportunity to serve them, and expressed an interest in receiving more input from the membership, especially through the "Letters to the Editor" section.

Chairman Hill would like to see all the Regional Clubs represented at the next meeting at Montgomery County in October. It is important that each Regional Club elect its Delegate Representative to attend. The Representatives' meeting should be each Regional Club's opportunity to address, not only health concerns in the breed, but matters of public education concerning our breed, Scottie rescue, as well as other matters, and, most importantly, should serve as a vital link of communication between Regional Clubs and the STCA Board of Directors and Officers. Not only should it be a common ground for sharing concerns vital to the Regional Clubs, but a forum for all concerns of importance to the breed, and the voice to bring them to the attention of the STCA Board of Directors. Keeping this in mind, it behooves each Regional Club to be represented at the next meeting held in conjunction with Montgomery County. For those Clubs who find that they will not have a Representative in attendance, it is requested that all matters of importance be communicated to the Chairman by mail at least two weeks before the meeting.

HEALTH:

Advertising in the *AKC Gazette* continues for such products as Filaribits Plus and Heartgard 30 (Ivermectin) with warnings printed in ultra fine print and on another page from the actual advertisement. Marjorie Cohen circulated copies of these advertisements and recommended that members write to the AKC insisting upon honesty in advertising with facts printed on the same page as the ad and readable.

The STCA Board has been addressed since the last meeting for permission to contact other breed clubs for information concerning liver toxicity. Marjorie Cohen asked that a specific committee be formed to pursue this with Board approval. Izzie McCool volunteered to take this responsibility. She also suggested a questionnaire at Club meetings rather than by mail as this meets with better response.

STCA BOARD AND OFFICERS:

The Board and Officers of the STCA were able to take a break in their all day meeting to visit with the RCR delegates for a short while. President, Kathi Brown made the following reports to the RCR delegates.

1. The Board has approved a letter to the AKC objecting to the advertising mentioned previously in the *AKC Gazette* and asking for a retraction. She also asked that all Regional Clubs and any all-breed clubs that the membership belongs to also address the issue. She recommended that letters be written addressing both the Advertising Manager and the Editor.

Owyn Scottish Terriers

Cherry Bomb is our first Gringo puppy in the ring. She was "conceived in liberty" July 4, 1987, and has started off with a bang.

At 7-8 months old, Cherry Bomb set things popping with two BOBs over specials competition. She's pictured in her third win, this one as WB/BW/BOS to her dad under breeder judge Elaine Young at West Texas Kennel Club.

Cherry Bomb's two AKC match entries have been Best in Match wins, each over 80+ dogs. Pictured bottom at Concho K.C.'s May match with judge Cindy Cook (no "e" on Cook); but, yes, this Cindy is also into pulling dog hair, Wire-Haired Dachshund, not Scottie. Repeat breeding of Cherry's parents is planned for August.

2. President Brown also reported on a new release from AKC which outlines a Master Plan on vicious dog legislation. It covers the following:

- A. A 24 hour hot line for information on legislation (1-800-AKC-Tell).
- B. Computerized data base to include activities and status of all legislation.
- C. National Seminar
- D. Matching funds to help fight specific breed legislation.

3. The STCA will send \$500 to the Canine Defense Fund which will be matched by the AKC.

4. Merle Taylor reported on the new guidelines for the Mini Workshops. They will be available from the STCA Corresponding Secretary, Jackie Seelbach. Basically, the guidelines call for the request to be presented at least 6 months in advance, that the workshop be two days in length, that requests be made to the Corresponding Secretary, Mrs. Seelbach, that some funds to help finance the event are available from the STCA, that fundraisers done at the workshops will be acceptable, and that a rough grooming session be scheduled for all participants 2 to 3 months in advance of the workshop. Further details are available from the Corresponding Secretary. In addition, the Grooming Handbooks are still available on consignment from Jackie Seelbach. Merle further suggested a number of topics that could be dealt with during the seminar: the Standard, video tapes, show grooming, nutrition, breeding and puppies, problems in the breed and genetics.

NEW BUSINESS:

Carole Mahoney, of Idaho Falls, Idaho, a town of 44,000, invited other STCA members to communicate with the Scottie owners in that area as they feel quite isolated and are not near a Regional Club. She requested other Club's newsletters and anything anyone wanted to share.

Izzie McCool has started a Breeder Referral and accepts calls from San Francisco area residents who wish to inquire about the breed. The San Francisco Bay STC club runs ads in the local newspapers.

The STC of Greater Louisville, reports President Maxine Stickler, has launched several programs to educate people about the breed. Their members have declared February as Love A Scot Month and managed to get coverage on local radio and in the newspapers. An educational meeting was held and interested visitors were presented with a short program about the breed. The Club also has cards for each to put his or her name and address on to give to people interested in the breed and the Club. A yearly match held in conjunction with a Scottish weekend and games in Kentucky gives the Club another opportunity to educate the public.

It was reported by Pat Gruda and Jackie Herron that there is a groomer's publication in California that is campaigning for early and uncontrolled sales in pet shops. Presently, several states do not permit sale of a puppy under the age of 8 weeks.

The STC of Greater Dallas reports that they have participated for three years in the Highland Gathering of the Clans. The Club also places an ad once a year inviting inquiries about the breed and Club. The Club Representative mentioned that they received a call from a man who purchased a puppy registered through the World Wide Kennel Club and wanted to know more about it as it is not AKC. This was discussed as to the fact that there are Registries other than AKC and that exhibitors should know this when they enter a show (sanctioned by AKC). Pat Gruda volunteered to research the matter of the new World Wide KC as well as others and give a more complete report at the October meeting.

The STC of Greater Denver reported that there is a Dog Fanciers Association in Colorado with member clubs contributing to educational programs. Colorado also has a breeder's referral program. A subscription to the Club's Newsletter, to be included with each puppy sold, was suggested.

The STC of Greater Dayton reports that Ohio State University is presently in the process of setting up a VWD testing clinic. Please contact the Veterinary School at Columbus, Ohio for further information.

Representative Joann Glaser inquired whether local clubs have taken into consideration the matter of educating members how to spot an inquiry from a puppy mill as to possible purchase of a puppy.

The STCA Historian is Cindy Cooke and she has requested that Regional Clubs send her a marked catalog after their Specialties as well as copies of the winners photographs.

In 1979, the STCA RCR put together a bulletin, contributed to by the local Clubs, concerning general information useful to the local clubs. It was suggested that this could be updated. Betty Lou Breese moved, seconded by Izzie McCool, to make up a questionnaire for the RC Representatives to update the bulletin. Motion passed.

Marjorie Cohen informed the members that the Parent Club may set up an emergency rescue fund for Scottie Rescue, but that the final responsibility will rest with the Regional Clubs.

The Meeting adjourned at 4:30 P.M., and the Representatives enjoyed a wine and cheese reception which followed.

THE 1988 ROTATING SPECIALTY

No, the memory of the 1988 S.T.C.A. Rotating Specialty, hosted by the STC of Greater Denver, hasn't faded into the dim past, but details of it have been well covered elsewhere. We can only say that the weekend was a great one - the crisp cool air, the snow capped mountains in the distance, the comfortable quarters at the Sheraton Greystone Castle Hotel and the gracious hospitality of the Denver Club will linger for a long time in the minds of those fortunate to be there. Entertainment at the dinner, the Royal Scottish St. Andrews Society Country Dancers, and the stirring sound of the bagpipes played by Pipe Major Brian Hughes of the Isle-of-Mull Pipe Band were an appropriate climax to an exciting day.

The entry in the Regular classes totaled 84 and Mr. Robert V. Moore III made the following selection from his entry of 36.

Best in Sweepstakes: Blueberry Born To Boogie (Ch. Jabberwok Bristol Stomp x Ch. Blueberry's Glen Glory) owned by Merle Taylor.

Best Puppy in 6-9 months Division: Ravenscraig War Cry (Ch. Kennelgarth War Cry x Ch. Ravenscraig Rhapsody) owned by Al and Jeanie Jennings.

Best Puppy in 9-12 Division: Charthill Twist of Whist (Ch. Colmar Oliver Twist x Ch. Colwick's Prime Time) owned by Tom and Charla Hill.

Best Puppy in the Senior Division: Blueberry Born To Boogie.

Mr. Bill Justus gave serious deliberation to arrive at his choices for the day which were:

Best of Breed: Ch. Sandgreg's Foxmoor (Ch. Sandgreg's Editorial x Ch. Sandgreg's Sweet Charity) owned by Dr. James and Elizabeth Boso

Best of Winners and Winners Bitch: Muscot's Militant Mary (Ch. Reanda Royal Sovereign x Ch. Toppers Highland Treasure) owned by the Rev. Bernard C. Persson

Best of Opposite Sex: Ch. Sally Rand (Ch. Glenby's Gallant Lad x Ch. Scarista Gloriana) owned by Ken and Betty McArthur.

Reserve Winners Dog: Bhaltair's Sir Lancelot (Ch. Perlor Playboy x Ch. Claymor Bhaltair Schottsie) owned by Walter and Kathleen Estes

Reserve Winners Bitch: Glenloamin Look of Luv (Ch. Sandgreg's Second Edition x Ch. Sandgreg's Sweet Luv) owners Dr. James and Elizabeth Boso.

Readers can visually comprehend the beauty of these dogs by examining the covers of this issue, and the judges add their comments in the following critiques.

JUDGE'S CRITIQUE

By: Bill Justus

From the first class of nice puppies I could see that this would be a quality affair, but I must say that in most of the dog and bitch classes there were good and not so good. I continually admire the people who know their loved Scottie isn't a potential winner, but still go to the trouble of grooming, coming, showing and trying. I was delighted with the honest preparation of many and supported it whenever I could. These exhibitors are the mainstay of all dog shows and should not feel that this is wasted effort, but a great educational experience, which it is, to all of us interested in the Scottish Terrier breed in America.

We have few opportunities, such as this show and Montgomery County, to see a large gathering of Scots from all parts of the U.S. for evaluation and where we can take a serious look at what is happening to our breed type, both good and bad. As I judged this wonderful entry, I was thinking of the improvements in problems of past years such as coats of good texture, short level backs, mostly good bites, good tail sets, good substance, fairly uniform size and great improvement in temperament. Movement was fairly good for a floor of strange footing to most and muzzles seemed to have reached a length agreeable to all, not too short nor too long and snipy.

While thinking of these good things, I also had thought of some very chronic problems I am seeing more and more in the last few years and that should panic breeders somewhat. These are large round eyes and bad ear sets which destroy the essence of Scottie expression. Breeders seem to be able to correct faults if they think they are important. I, for one, feel it is important enough to start a crusade to correct these most obvious of type faults.

Back to the show. I would have liked very much to have been able to award Best of Winners to both the dog, Motherwell Griffin, and the bitch, Muscot Militant Mary. Both winners were very much what I like, but I went with the bitch because of her super expression. Both winners had very impressive reserves from the 9-12 month classes putting on pressure. These two were puppy dog, Bhaltair's Sir Lancelot and puppy bitch Glengloamin Look Of Luv. These two will both make their mark.

Best of Opposite Sex was the beautifully balanced Ch. Sally Rand, a black bitch with ideal eyes, ears and expression.

Best of Breed narrowed down to the wheaten dog, Ch. Sandgreg's Foxmoor who was ready for his job. He was in magnificent shape, handled well and showed more perseverance in wanting the award than any other dog in the ring. I dared not give it to him.

I would like to thank the membership of the STCA for their support and confidence in having me to judge this prestigious National Specialty. Also, I would like to thank the many exhibitors for allowing me the privilege of passing judgment on their hopefuls. Finally, I must thank the Scottish Terrier Club of Greater Denver for all the wonderful hospitality.

This was indeed an honor that I will long remember.

1988 ROTATING SPECIALTY SWEEPSTAKES CRITIQUE

By: Robert V. Moore III

I had an absolutely marvelous time judging the puppies. Pups are always great fun. I sincerely appreciate the opportunity extended to me by the STCA Officers and Board members for the privilege of judging this Specialty Sweepstakes.

The overall quality was evenly distributed between dogs and bitches which was pleasing to see. There were good Scotties in each age division and my three finalists showed the best quality, conditioning, and training that day. My Best in Sweepstakes had balance, bone, good ear set, and small dark eyes, scissor bite, hard coated, tight jacket, high tail set, and driving movement. But, mainly he had something many feel is being lost in the breed - a heavy keel or brisket well in front of properly angulated forelegs and dropping down between those legs (and not out at the elbows or loaded in shoulders), and a solid rump setting out from a high placed tail. You know, the kind of butt you want to pat!

Some observers were surprised to see that I did not consistently put up what they thought was my type. I was looking not for my type but for our standard. I think that's what it's all about. My hands did not feel many substantial keels or good angulated fronts. Although some of this may be because these entries were youngsters, it is a problem

developing in the breed. Also, some coats were blown; there were dark eyes but too many round ones; there were scissor bites except for four entries, and there was loose or rangy movement instead of drive, but this is somewhat forgiven in youngsters. The balance of the entries was good, and they were generally table trained and lead trained which made the judging a pleasure.

Again, thank you, and I especially thank the Denver Club for their efficiency and warm hospitality.

ARE WE TAKING THE RESPONSIBILITY?

Many of the Regional Clubs have operating Rescue Committees and most of those that do not are establishing them. That they are needed points out an area which every breeder should examine. The Summer, 1984 *Bagpiper* carried an Article by **Ruth Ann Krause** entitled "Our Choice" and the message she conveyed bears repeating. It is reprinted below.

"Sitting on the Board of our local humane facility for the last two years as a representative of the Waukesha Kennel Club, of which I am a member, has made me more than ever aware of the responsibility we as breeders of pure bred dogs have.

Perhaps some of the policies we have adopted over the years, listed in the following article I wrote for the W.K.C. newsletter, *Barkline*, will help the newcomer in setting up serious guidelines for puppy placements. For the breeder who has actively bred for several years, perhaps a new idea will come to mind after reading this article.

In any event, keep the welfare of your precious Scottie pups uppermost in your minds when you place them. Review these measures at your regional meetings and list them in your newsletters. Share your ideas and policies with your fellow breeders.

WE ARE RESPONSIBLE FOR THE FULL LIFE SPAN OF EACH PUPPY WE BREED BECAUSE THE VERY LIFE OF THESE PUPS ARE OUR CHOICE WHEN WE DECIDED TO BREED!

The responsible placement of puppies must be our greatest concern. We must carefully screen the purchaser, regardless if he provides a companion home or a show home for our pups. We must educate the companion puppy customer on the particular needs of this breed and basic puppy and dog care. I firmly believe a crate should go with each puppy and include detailed instructions on its proper use. A family holding outside jobs need not be denied a puppy if you the breeder insist they take the extra step and invest in an x-pen. We have adopted this policy the last 4 years and the new owners have been delighted. The crate, placed to the rear of the pen, provides a warm, dry bed. The newspapered floor of the x-pen area is for exercise and toileting. Water and dry feed are provided in this area and, of course, SAFE puppy toys for entertainment. (Dry feed provided if the pup is of the age requiring a noon meal). We also encourage a radio turned on softly for companionship. Requiring a spay/neuter contract is effective to eliminate the possibility of excessive and/or unplanned litters that could keep local humane facilities "filled to the brim".

I'm sure every breeder has his/her modifications to these ideas which are suitable to their breed. The important thing to remember is the necessity of such measures.

What more can we the serious breeder do? Perhaps, you will seriously consider two additional policies we've adopted that has left us feeling we are doing our best.

1. A first refusal on our puppy sales contract. I can hear the moans already. "I can't afford to buy back every puppy" "I haven't room to take back every puppy I sell." Well we can't either ... BUT, we firmly believe if we place our puppies with great care they

won't come back in great numbers. Our concern is for the unexpected, a move that prevents a dog in a new location, a serious illness. etc. These situations can occur to everyone. By insisting on a first refusal contract you protect your puppy from a rushed placement in any unsuitable home or a dog left at a humane facility. It is the very least we can do for a dog whose very life was our choice when we decided to breed.

2. Encourage the new owner to plan for this dog's welfare in his/her Will. Many dogs are placed with single persons or become the sole companion to a widow/widower. These people must plan for the dog's care in case of untimely death. If there is no family member willing to take on this responsibility, we ask that we be named in the Will. We assure these people we will care for their dog until we can find a suitable home. We will be best suited for this situation because we will know the life style this dog is accustomed to.

Puppies placed with all of these measures clearly discussed, agreed upon, written in black and white, and signed by both parties have a greater chance for a full and happy life. We, the breeders are left with a great feeling. We've provided a life time of love (the pup) to sincere people and we can rest assured that the entire life and welfare of this dog is planned for.

What more can we do? Perhaps the only thing left is to breed only if we are assured we will have homes for the pups. Overbreeding creates unpleasant circumstances for the breeder and the resulting litters!

OBEDIENCE — A SPECIAL ANNOUNCEMENT

An exciting, new event will take place this fall during our popular Montgomery weekend. On Saturday, October 8th, in conjunction with the Sweepstakes at Brandywine Inn, a Demonstration of Obedience work will be presented by our own Scottish Terriers. It will be a short program but will encompass the work done in the various Obedience Classes and show the progression from the beginning work to the much more advanced. It should be interesting and fascinating to watch just Scotties in the ring doing many of the Obedience exercises and we all should be very proud of our talented breed. Come and support these Scotties and their handlers - watch, learn and most of all - ENJOY. This is indeed a special event and the STCA Board is to be congratulated for encouraging our Scotties to participate in this phase of dog competition and to open the door to other dog activities.

If you are interested in participating in this Obedience Demonstration and have not either already volunteered or been contacted by the Committee, please get in touch with any member of the Obedience Demonstration Committee (Faith Erlacher, Faith Harrop, Sue Moodie, Sue Pazdzior, Mike Serrano, Marsha Smith, Ruth Tryon). We welcome you and your Scot to the Scottie Obedience Classic.

**To All Judges a Big
"Thank You"**

The following is reprinted, with permission of the author, from the Summer, 1987 issue of *Down To Earth*, the American Working Terrier Association Newsletter.

I loaded up my van at the crack of dawn on Saturday and headed to Nashville, Indiana for a day of hunting with Sid, Bert and Ben Coffey. I took my experienced and faithful bitch Copper and my green 14 month old dog Tack, both Jack Russell's.

I arrived at Hardee's in Nashville to meet Ben and Sid. Not only were Ben and Sid there, but they even had a 3-man crew of "diggers" eager to go hunting with us. Now I knew this was going to be a great day. The sun shining, and no humidity in the air, and extra diggers!

Our first stop was along a creek across from a cornfield. The farmer had told Sid there was a groundhog big enough to eat his little dogs. Today Sid had brought along his two Patterdales, Rocky and Tiger, and his Jack Russell, Bo. Rocky went to ground and marked immediately, and the dirt started flying. With five men eager to dig, and it being early, I sat on the side and observed. I knew my turn to dig would come soon! While they were digging, Ben crossed the creek to get something out of the truck. He stirred up a coyote and it came running up behind us. Now I knew I was in game country. We weren't far off the beaten path and a coyote? When he saw us he exited eight through the field and headed into the woods. The digging continued, until we looked down and saw that hog crossing the creek. One of the "crew" stepped down on the bank of the creek and saw where the hog had dug out — rats! Well, no problem. We grabbed the dogs and crossed the creek also. In no time Rocky was down marking again. He could not get right up to it so we got him out and put Tiger in. She is a smaller dog but could not get right up to it either. He had obviously tunneled and filled in, but we knew that hog was there. After digging a hole we dropped Rocky in to see if he could tell us where he'd gone, and he did. He moved about five digs of dirt and locked right on to that hog, but that hog was anchored in good. Sid moved some dirt to make the pull easier. After a lot of tugging Sid got Rocky off. The hog had put a few marks on Rocky also. Finally, the hog bolted and Rocky caught it. We put it in a cage to relocate it away from the crops, hoping to meet him again someday.

The next stop was a place Ben and Sid called the Pines. It was my dog's turn. I leashed Tack and put the locator collar on Copper. In a short time she was down a hole marking, and moving that hog. She first started marking about eight feet from the entrance. When she was finally settled and baying she was about 20 feet from the entrance. We dug a hole four feet square. The finder detected her three feet down. I could tell by her bark she was definitely marking it, but not face to face with it. We hit the tunnel and Copper. The hole dropped down and made a turn she could not get past (and she's a tiny bitch 10½ lbs.). She shot out of the tunnel and started digging in a small hole on the wall of the hole we had dug opposite from the wall she'd come out of. She was digging that mole hole for all she was worth. I got a little aggravated, thinking she was going after a mole, so I put her on the couples and got my green dog, Tack. He went straight for that little mole hole too — and don't you know after about four hard digs that darn mole hole broke through to the tunnel — with Mr. Hog sitting right there! Sid laughed and I told Copper "Sorry" for coupling her. Because she was right on cue, picking up scent through that little hole. We decided to open up the hole a bit and let Tack have more room to work, seeing as this was his first face-to-face encounter with Mr. Hog. And did he every love it. He bayed and bayed, took a couple of bites on the muzzle. He decided enough of this, put a throat hold on Mr. Hog and drew him. He didn't want to let go, but we got him off and caged the hog for relocation. It was a great dig, a great day, and a great bunch of guys. They will be seeing a lot of me. Sid and Ben are true hunters, which is where it's at, hunting your terriers.

I would also like to say that these guys are the first hunters I've met and hunted with that do not kill the game unless the dogs accidently kill it. They catch and relocate the quarry to assure they will always have quarry to hunt. I respect them for this, and it makes the hunting more enjoyable for an animal lover like myself.

In the May, 1988 *Bagpiper*, Linda Haines discusses her surprise that the black Scottie coat is groomed the same as the brindle. Her last sentence states: "Now I'm wondering about wheaten coats . . ."

There is nothing to wonder about. In the 1986 version of *The Scottish Terrier Handbook*, there is an article entitled "Grooming the Wheaten Scottish Terrier" by Kennan and Joann Glaser. In that article, we say "The Wheaten colored Scottish Terrier is no different than the Brindle or Black except for the color of the coat." Hardness of coat exists in the last quarter inch (approximately) of coat regardless of color. If the coat is cut, that hard tip is cut as well. In the Brindle and Wheaten, the color changes along the hair shaft, but in the Black, the color remains constant. Because of this, some groomers tried to short-cut their grooming by razoring or cutting hair on their Blacks in places where they felt that the judge would not feel. Obviously, Linda discovered that for herself. Alas, many exhibitors still want to find a shortcut.

DRY COATS

After we moved to Colorado, with its dry climate, we discovered that the coats on our dogs became very brittle and broken, they lost their luster and generally looked bad. Another apparent problem with the dry air was that the noses of our wheatens tended to lighten. After we began humidifying the kennel, the coats improved dramatically and the noses on our wheatens darkened again.

This past year, Betty Lou Breese, Scottie breeder who lives at RT. 5, Box 2011, Pineway Road, Martinsburg, WV 25401 gave me a device called potpourri crock which can be used to increase moisture in the kennel as well as giving a pleasant odor. Betty said that she would be glad to help any breeder find a potpourri for their kennel. Remember, even if you live in a normally humid climate, indoor winter heated air is very dry also.

LETTERS

As you know we are interested in receiving your grooming tips. Following is a letter from Carole Fry Owen.

"Dear Joann,

I've been meaning to write you for some time to share a grooming tip you may want to pass along in your column in the *Bagpiper*. I used to use the thick rubber finger cots you can buy in office supply stores for the hand pulling coat. My husband is a pediatrician who is not into grooming at all, but when he saw me grooming one day he came up with a super idea. He thought the thin latex finger cots he uses for infant rectal exams might work better and brought me some to try. They are wonderful! They are so thin you hardly know anything is on your fingers, but they give exactly the right grip. Much less cumbersome than thick office cots. I'm enclosing several you can try. They can check with their local physicians, or I'd be happy to mail a carton to interested members. The size I use is Medium. They are manufactured by a company called Perry and are termed Latex Tissue Finger Cots. They come one gross to the carton (144 cots) and I can mail a carton to anyone who forwards me a check for \$2.50. The cots are (not) extremely durable since they are so thin, but you can usually use them for several days . . . and anyway they cost less than .02 each.

Sincerely,
Carole Fry Owen
Owyn Scottish Terriers, 9 Coachman's Circle, Big Springs, TX 79720"

Carole adds in a post script that they work great on wheaten ears and warns groomer to keep them from being swallowed by dogs.

Thank you Carole both for the samples and sharing your grooming tip with us. They sure do work well.

GLENGLOAMIN TERRIERS

GLENGLOAMIN'S LOOK OF LUV

(Ch. Sandreg's Second Edition x Ch. Sandreg's Sweet Luv)

"Darci" is the fifth puppy from the Lovey and Sharkey litter to enter the show ring. A brother (Ch. Glengloamin's Boundless Luv) and a sister (Ch. Sandreg's Irish Luv) have already finished their championships with group wins and BOB over specials to their credit. Another sister (Sandreg's Luv Story) has both her majors, one of them a five pointer from the Dallas Specialty.

Darci has been shown just three times with the following record:

STC of GREATER HOUSTON "The Skirl"

James L. Justice, Editor 12010 S. Downe Ct., Houston, TX 77089

The 1990 Scottish Terrier Club of America's Rotating Specialty Show will be held at the Fort Bend Kennel Club Show on April 6, 1990, at the Pasadena Convention Center. Preparations are currently underway for the 1988 Specialty, to be held August 4, 1988, at the Astrohall Series of Shows.

STC of GREATER LOUISVILLE "Scot's Rap"

Donna Cambron, Editor 1312 Sportsman Drive, Jeffersonville, IN 47130

The Club has had a good year because the membership has continued to believe in the purposes and have worked to achieve those goals. In May our Annual Black and White Fun Match was held in Carrolton, KY. Entries totaled 16 with the largest(8) being the Best Dress Class. June offered us the Highland Games Fun Match in Glasgow, KY.

Presently, preparations are being made for our third Annual Specialty on September 2-3 at the Ramada Inn, Plantside Drive, Louisville. Mark your calendars and join us for fun and enjoyment. Sweepstakes will be judged by John Sheehan and Regular Classes by Mrs. Sandra Goose Allen.

Election of Officers was held June 10, 1988. The officers are:

President — Maxine Stickler

Vice President — Theresa Popp

Secretary — Vickie Bignon

Treasurer — Don Carr

Board Members — Donna Cambron, Jean McAdams, Celia McDonald

We hope to see everyone at our Specialty!

STC of MICHIGAN "Michigan Tartan"

Cynthia Wallgren, Editor 2281 Manchester, Birmingham, MI 48009

We had a very successful match in early June. BEST IN MATCH PUPPY was Glencroft's Dixie Piper, owned by Elizabeth Welsh and Lisbie Goelz. BEST IN MATCH ADULT was Wychwyre Trick or Treat owned by Bill and Sue Martin. Mother Nature was kind to us—a week later it was 104 degrees! The food was scrumptious and we had an Obstacle Course for all to enter. The Scotties had to walk past a plate of liver, jump on a plank and walk 5 feet and jump down, and then walk over a large piece of fleece which was covering squeaky toys. Next they waded in a child's pool, were dressed in an outfit, and had to walk through a maze of poles. We had 17 entries and all received a trophy. It was great for the pet owners whose dogs could compete.

We are working on our Specialty Show for September, and hope to have another Fun Match in August.

Bergit Coody will be teaching a Grooming Seminar the weekend of January 28-29. Final details are being worked out and we have almost reached our capacity number for the Seminar.

STC of NEW ENGLAND "Scottie Tales"

Jackie Brightman, Editor 77 Middle Road, Acushnet, MA 02743

Our Specialty Show was held June 3, 1988. Sweepstakes Judge Mrs. Barbara Kingsbury made the following placements:

BEST IN SWEEPSTAKES — Uncanny's Starlight Express, owned by Jane & John Anderson

BEST OF OPPOSITE SEX — Hughcrest Hotspur, owned by Susan Hayes & Judy Hughes

Charthill Happy Tivoli

Best of Opposite
in Sweepstakes
Chicago Specialty
June 18, 1988
Judged by:
Jane Anderson

The winning personality of Happy is exceptional. With limited showing and being primarily owner handled Happy has picked up eight points. Watch for him at upcoming shows.

Regular Classes were judged by Mr. Fred Stephens, who made the following selections:

WINNERS DOG — Raglan Regal Parade, owned by Kathleen & Jean Ferris

WINNERS BITCH — Balgair's Final Edition, owned by Joan Duke

BEST OF WINNERS — Raglan Regal Parade

BEST OF OPPOSITE SEX — CH. Amescor's Maine Attraction, owned by Carol & Harold Ames

BEST OF BREED — CH. Deblin's Back Talk, owned by Deborah Brookes & Lynn Struck

The Specialty Dinner was held on June 4, 1988, under the able chairmanship of Marge Guppy. Everyone received a door prize and favors.

GREATER PITTSBURGH STC "Straight Scotch"

Lora Ward Wilson, Editor 4031 Inand Ave., West Mifflin, PA 15122

The Greater Pittsburgh STC is planning its first AKC Sanctioned A Match for Friday, August 5th. STCA President Kathi Brown will be the judge. Many other activities are planned for the rest of the summer and early fall. These include obedience training classes, go-to-ground practices in our recently constructed tunnels, fun matches with the Morris Animal Foundation and the ADOA. Nomination of officers and directors will occur at our annual meeting July 30th. The 1988-89 Board will take office on October 1.

SAN FRANCISCO BAY STC "Bay Scot Bulletin"

Isabelle McCool, Editor 2174 - 33rd Ave, San Francisco, CA 94116

Our up-dated Constitution was unanimously approved at the June meeting following six months of work to modernize the wording. Our in-house grooming session was well attended, and was taught by Ken McArthur. All our summertime meetings were planned to take advantage of the warm sunny weather. In July, a "Mock Show" is planned for the members who are not familiar with ring procedure or dog shows in general. The dogs will not be judged! The Serranos will give an Obedience demonstration following the Mock Show. A VWD Clinic was held in June and another one will be held in August.

STC of GREATER WASHINGTON, D.C. "Tartan"

Helen Krisko, Editor 18624 Sage Way, Germantown, MD 20874

Our Annual Match was held on June 12th, and Lynn Struck drew an entry of 48! Practice sessions in preparation for the June Field Trials were a success, as 54 dogs competed in 3 different events, with 8 completing their Working Terrier Championships. In July we will again hold a Field Trial at the Fifteenth Annual Virginia Scottish Games.

Plans are underway for our Specialty Show, October 14, 1988 in Bethesda, Maryland. Fred Fraser will judge Regular Classes, and Judy Hughes will judge Sweepstakes.

SUNRISE KENNELS

And the Beat Goes On ... And On ... And On ... And On!!!

Ch. Quercus The Beat Goes On (Ch. Quercus In a Tiff x Ch. Gaywyn Jazzman)

"Buffy" finished never "Missing a Beat" in 3 consecutive weekends by winning Winners or Best of Winners at 7 straight shows. Her wins include: 1. Wins all 4 days of the popular "Raisin Circuit"; 2. Best in Sweeps and Best of Winners at the San Francisco Bay STC Specialty, a win which she repeated the next day at the Sacramento K.C. show; 3. Winners the first day of the next weekend at the Wine Country K.C. show to finish.

Her first weekend out as a special netted her 2 Bests of Breed and a Group II, pictured above. Since then, in limited showing in the month of June, Buffy has acquired Best of Opposite sex at the Washington State STC Specialty, along with another repeat win the next day at the Puyallup K.C. show. She also received the Best Opposite award at the Plum Creek Kennel Club show the day after our STCA Rotating Specialty.

"Buffy" is a daughter of our Ch. Gaywyn Jazzman, who now has other champions finished as well! She is a delight to show, and we are looking forward to a fun career with her when she grows up a bit. (She's still only 1½ years old!)

Our special THANKS go to all the judges who made such an outstanding record possible, and to all of our friends for their kind compliments and comments.

Kentwella "Solo" of Gaywyn

One Show + One "Solo" Appearance = 5 Major Points!!!

Jeffrey's "Solo" appearance occurred at the Scottish Terrier Club of California Specialty, where he swept his division in Sweeps and went on to capture Winners Dog for a 5 point major, (pictured above).

Jeff has only been shown this one time, and he was only 9½ months on that special day (June 25th) but we're hoping for some more exciting "Solos" at the shows for Jeff when he resumes his show career later this year. We think that his outgoing, happy and showy temperament, combined with his extremely short back, level topline, and lovely head make him a very exciting young dog, who promises us much greater things to come. Look for him at a special show near you later this year.

Introducing **CH. BLUEBERRY** *Born to Boogie*

"Berry" is pictured winning the Sweepstakes at the 1988 STCA Rotating Specialty in Denver with breeder-judge Robert Moore.

A special thank you to Geri Poudrier and Kathi Brown for sharing one of Ch. Jabberwok Bristol Stomp's last puppies with us.

"Berry" has, at 16 months of age, accumulated an impressive record including:

- Best in Sweepstakes, STC of Greater New York, Breeder/Judge Gary Carr
- Best in Sweepstakes, Heart of America STC, Judge Raymond McNulty
- Best in Sweepstakes, STCA Rotating Specialty, Breeder/Judge Robert Moore

In June, "Berry" has captured three group placements and numerous Breed wins including BOB over an entry of 33 at Chain O' Lakes under Breeder/Judge Inez Hartley.

We appreciate the fancy's comments and invite inquiries.
