COVER STORY

CH. CHARTHILL WORTHY OF COLWICK, "BOSWORTH", has always been special. Winning a 5 pt. major at the Scottish Terrier Club of Michigan from the 6-9 class, another 5 pt. at the STC of N. Ohio from the 9-12, and finishing with a 4 pt. major were memorable, as was Best in Sweepstakes at the Scottish Terrier Club of America Rotating. Top ranked for two years Boz won over 100 BOB, and many Terrier Groups. Our thanks to Jon Rawleigh and Nancy Becker co-owner. Thanks also to the Lukens for his mother Rachael. Boz is back home and was out with Tom in '88. Shown only 18 times, he won the Scottish Terrier Club of Chicago, 3 Terrier Group firsts, 2 Group II, 2 Group III and a Group IV.

We thank our friends who have trusted their lovely bitches to be bred to Bosworth with such good results. He is the sire of 10 Champions from his first 12 puppies born. Half of these finished with 5 pt. majors. Among these were two winners of BISS. He has proved that he is prepotent even with outcrosses. He can shorten backs, give small dark eyes, refined heads, increase bone and substance without increased size, lengthen necks, give forechest, layback, tail carriage, and throw superb fronts and rears with reach and drive. Bosworth's puppies have brains as well as beauty. Natural showmen in the ring, they also give a lot of love and affection. We think he will be one of the breed's top producers. Your bitches are always lovingly treated as one of our own in our home.

ADVERTISING IN THE BAGPIPER

Sincere thanks to all who responded with advertising in this Issue.

CHANGES OF ADDRESS

When you plan to move, be sure to send your new address to Helen Prince, Recording Secretary (7415 Newburg Drive, Lanham, MD 20706) well in advance so that the Club's records can be changed. Most national magazines require at least six weeks notice to effect new addresses, and, although we don't have the status of *Time* or *Newsweek*, adequate notice is necessary if you want to receive your *Bagpiper*.

It has been said many times here, but it must be repeated that third class bulk mail is not forwarded. If you have moved and miss an issue we will replace it if possible, but only if your request is accompanied by \$1.25 so that the second copy can be sent to you by first class mail.

BAGPIPER DEADLINES

Because the Rotating Specialty in Houston will be held on April 6th, The Bagpiper deadline for the Spring, 1990 Issue will be extended to APRIL 30th.

Spring Issue	April 30
Summer Issue	July 15
Fall Issue	October 30

**SUMMARY OF THE MINUTES
MEETING OF THE BOARD OF DIRECTORS OF THE S.T.C.A.**

Holiday Inn, State Fair
Tampa, Florida

January 13, 1990

President Betty McArthur called the meeting to order at 8:45 a.m. Officers and Directors present were:

President	Mrs. Betty McArthur
Vice President	Mrs. Jackie Seelbach
Corresponding Secretary	Mrs. Diane Zollinger
Recording Secretary	Mrs. Helen Prince
Treasurer	Mr. Gilbert Robinson
Delegate to the A.K.C.	Dr. T. Allen Kirk, Jr.
Directors	Mrs. Ruth Ann Krause, Mr. Robert Moore, Mrs. Isabelle McCool, Mr. Mel Musson, Mr. Edward Watkins

Directors absent were Mr. Tom Hill, Mrs. Shirley Justus, and Mrs. Sandra Lehrack.

The minutes of the October meeting were approved as amended. The agenda was accepted.

PRESIDENT'S REPORT: Betty McArthur gave a final report on the Montgomery County weekend. She stated that Greg Knight had made videos and was offering them for sale to the S.T.C.A. members (See advertisement elsewhere in this issue) and noted that Mike Jennings, Junior Member, helped with the videos.

VICE PRESIDENT'S REPORT: Jackie Seelbach reported that she had received over 100 responses to the questionnaire about the time frames for the Montgomery weekend. The consensus was that we should have the Sweepstakes on Friday and the Annual Meeting / Dinner on Saturday. **Motion - Seelbach/Krause** to hold Sweepstakes on Friday afternoon, beginning at 4:00 p.m., followed by a light buffet dinner. Saturday Morning will be the Obedience Match. The Annual Meeting / Dinner will commence at 4:30 for Cocktails / Social, and dinner will begin promptly at 6:00 p.m. **Passed unanimously.** In order to shorten the Annual Meeting, the Awards Chairman will develop a plan to further expedite the distribution of awards.

Entry fee for both the Sweepstakes and the Obedience Fun Match will be \$10.50 per dog.

The Superintendent for the Sweepstakes will be Moss-Bow. **Motion Kirk/Robinson. Passed unanimously.**

CORRESPONDING SECRETARY'S REPORT: Diane Zollinger reported that the following clubs have been granted permission to hold their Specialty Shows:

DEEWYRE PRESENTS

Diane presented a letter requesting funds for disaster relief for animals. Since this letter pertained to Hugo, the timeliness of our response was a concern. **Motion - Musson/Robinson** to authorize the Corresponding Secretary to contact the President whenever requests for disaster relief are received, and the President will contact the Board to authorize an amount to be given. The funds will come from the Rescue account. **Passed unanimously.**

In response to an inquiry by the Washington State STC, the Board agreed to approve any Obedience Demonstrations that a Regional Club may wish to have in conjunction with its Specialty show. **Motion - Prince/Krause. Passed unanimously.**

It was the consensus of the Board that we should have a separate Health Committee.

RECORDING SECRETARY'S REPORT: Helen Prince distributed changes for the S.O.P. She noted that the S.T.C.A. will honor a member in October who has more than 50 years in the club. Details will follow in the next *BAGPIPER*. Helen and Betty McArthur will put the S.O.P. on computer using WORDPERFECT 5.0 which will enable it to be updated more efficiently. As soon as the task is complete, Regional Clubs will receive new copies of the S.O.P.

TREASURER'S REPORT: Robbie Robinson reported that the transfer of accounts was almost complete. Outgoing Treasurer Sandra Lehrack will prepare the 1989 tax report. After consideration of the possibility of having FAX machines for Officers, Robbie recommended that each officer who does not own a FAX machine contract with a copy company that offers a FAX service and use that number so that club business may be expedited more efficiently. The Corresponding Secretary will keep and distribute FAX numbers for the Board.

A.K.C. DELEGATE'S REPORT: Dr. Kirk reported that the proposal to raise the recording fee to \$1.00 was withdrawn due to vigorous opposition by the delegates. He stated that Mr. Mandeville had received a barrage of letters from S.T.C.A. members, and, as a result, the A.K.C. will not revise our Standard at this time. In a meeting with Mr. McKowen, the Working Terrier question was discussed. The A.K.C. is receptive to the idea, but needs some statistics compiled as to how many are involved, etc. Dr. Kirk will be in touch with Chairman Claudia Leffler to obtain the needed statistics.

SELECTED COMMITTEE REPORTS:

Awards: Izzie McCool stated that there were some corrections in the 1988 Awards and they will be listed in this issue of the *BAGPIPER*. The Wayridge Trophy donor will be selected at the meeting in April. It was also decided to ask Andrew Boatwright, the Lochnel Award Winner, to tell the membership about himself in the *BAGPIPER*. Andrew will be competing at Crufts this year.

Awards Tally Committee: Diane Zollinger reported that the Committee needs more people to work on it. There have been some concerns expressed by the membership that the task is too large for one person to do by himself/herself.

The Board agreed to look into having a computer program written for our needs and to

Handbook: Advertising Chairman Kathy Bowers reported that the advertising for this Handbook was slow in coming and requested that the deadline for discounted ads be extended. **Motion - Krause/Prince** to extend the deadline for the discount to April 30th. **Passed unanimously.**

Judges Education: Neatha Robinson reported on plans for educational programs at the Westminster Show in February and at the Rotating Specialty in April. The Board is grateful to Neatha for doing such a great job.

Educational Seminar: Bob Moore stated that he had received one response from a Regional Club, STC of Michigan, to put on a Seminar. A final decision will be made at the April Board meeting.

Ways and Means: Faith Harrop presented several items for consideration by the Board. Sweatshirts will go on sale at the Rotating Specialty in April. Ruth Ann Krause will handle the Raffle, a painting of anyone or anything, winner's choice, by Joann Glaser. The drawing is in October.

Advertising: Guidelines for the Chairman as prepared by Jane Anderson were adopted and will be added to the S.O.P. **Motion - Musson/Kirk. Passed unanimously.**

BAGPIPER: Marjorie Cohen met with the Board. She brought several options to the attention of the Board; one involved the purchase of a laser printer which the Board agreed to discuss. Marjorie also noted that the deadline for the Spring Issue would be extended to April 30th due to the date of the Rotating Specialty.

Obedience: A report from Obedience Chairman Letty Passig was received. The rules governing Obedience Awards were reviewed and it is the decision of the Board that all Annual Awards sanctioned by the S.T.C.A. must follow the same Guidelines, i.e. be awarded for the calendar year. The Board is aware that this will necessitate some adjustments for the 1989 year in order for the policy to be implemented completely in 1990. Guidelines for the Obedience Trial were adopted and will be sent to the Trial Chairman.

Regional Clubs Representatives: Guidelines for the Chairman as written by Maxine Stickler were approved and will be added to the S.O.P.

UNFINISHED BUSINESS

New Club Updates: No reports were received. A copy of the Guidelines, "Formation of a Regional Club" which were recently adopted will be sent to Tampa and Pittsburgh.

Mini-Workshops: A request for a Workshop with Merle Taylor as Presenter was received from Washington State STC and approved. The list of Presenters will be reviewed by the Board and revised/expanded at the April meeting. Regional Clubs will be reminded that they should adhere to the 6 months deadline when requesting permission as stated in the Guidelines.

NEW BUSINESS

Election of New Members: The prospective members as listed in the Fall Issue of the *BAGPIPER* were elected to membership, pending receipt of any comments from the membership before February 6, 1990, as provided for in the revision of the membership election process. (A complete statement of the revised policy is published in this issue.)

Selection of Judges: Sweepstakes and Regular Classes Judges for Montgomery County, 1992, were selected. Judges for Montgomery County, 1993 will be selected at the April meeting.

Nominating Committee: The Nominating Committee for 1990 was selected. Names will be published upon their acceptance.

1986 Handbook: Due to a large inventory, the price of the 1986 Handbook will now be \$7.50, and they are available from the Corresponding Secretary.

Insurance: Betty McArthur stated that she is concerned that some Regional Clubs still do not carry liability insurance and will send information to Regional Clubs regarding the carrier used by the S.T.C.A. and availability of coverage. In reviewing our own coverage, it was determined that we do not carry non-owned automobile endorsement (covering those members who use their own cars to transport club materials, etc. for club business.) **Motion Musson/Watkins** to add \$50 per year to our premium for non owned automobile endorsement. **Passed unanimously.** the amount of liability coverage was also discussed. **Motion - Prince/Musson** to increase liability coverage \$1,000,000 BIPD aggregate \$2,000,000, which increases our total premium by \$100. **Passed unanimously.**

Junior Handler/Member Program: Regional Clubs will be sent information to see if there is any interest. Tabled until the April meeting.

There being no further business, the meeting was adjourned. The next meeting of the Board will be the weekend of the Rotating Specialty, April 6-8, 1990, in Houston, Texas.

Respectfully submitted,

Helen A. Prince, Recording Secretary

MINUTES OF THE REGIONAL CLUBS REPRESENTATIVES' MEETING

West Chester Inn, West Chester, Pennsylvania

Saturday, October 7, 1989

The Regional Meeting was called to order in the Wayne Room by Chairperson, Maxine C. Stickler. The following people shared in the discussion.

- Greater Dallas STC - Connie Smith
- Greater Miami STC - Marjorie Cohen
- STC of Chicago - Linda Nolan
- STC of Greater Baltimore Area - Margaret Young
- STC of Greater Dayton - Mary Ann Cole, Christine Hawley
- STC of Greater Denver - Dennisia Aragon, Elizabeth Cooper
- STC of Greater Louisville - Donna Cambron, Dan Stickler
- STC of Greater Washington, D.C. - Kathie McKessor
- STC of Michigan - Joanne Kinnelly
- STC of New England - John McNabney
- STC of Greater New York - Karen Hansen
- STC of Western Virginia - Evelyn Kirk, Katharine Munro
- Washington State STC - Florence Hicks, Diane Zollinger
- STCA - Margaret MacDonald
- STCA Board - Bob Moore, Tom Hill, Betty McArthur

SURVEY - Regional Club Representatives were urged to complete the Regional Club survey which was mailed to each Club in May. Survey information will be compiled and shared with the STCA Board and the Regional Clubs. Also, as a result of this data, a comprehensive communication and networking system will be established among the the RCs.

AKC ADVERTISING UPDATE - Marjorie Cohen spoke concerning the latest correspondence with AKC'S President, Kenneth A. Marden, regarding the advertisements of Merck's Heartgard - 30 (R) and Norden's Filaribits Plus (R) in its publication, *Pure Bred Dogs/American Kennel Gazette*. Copies of the letters were distributed. Packets containing copies of the ads and all communications from July '88-July '89 were mailed to Regional Clubs in June. Additional packets were available. RCRs were urged to use the materials for a club program and encouraged to take some action. Additional Points were discussed.

1. The *Gazette* is a professional journal with a different role.
2. "Contraindicators on another page", as published in the *Gazette*, is never done in a medical journal
3. Safety of the product and the way AKC allowed set up of the advertising are the two issues.
4. *Women's Day* and *Southern Living* have also carried the ads.

The group, feeling they had reached in impasse with AKC, adopted a Plan of Action. Bob Moore and Marjorie Cohen agreed to assist with the implementation. Action includes: Compiling statistics of health problems; Writing a cover letter and compiling a packet of materials; Taking the message to Veterinarians, Veterinary schools, the Regional Veterinarian Associations, area and personal veterinarians; Writing letter to *Dog News*; Keeping membership informed.

SUNRISE KENNELS

A Delight to Behold.....

A Pleasure to Show.....

He's the New "Breeders' Choice".....

A his name is SOLO!!!

Ch. Kentwella Solo of Gaywyn
(Jeffrey)

After enjoying a vacation from the show ring while we all moved to Oregon, "Jeffrey" has just turned 2 years old and is eager to begin his career as a "special". Although his title-quest was short, it netted him several Sweeps and Breed wins and two big Specialty 5 pointers. And although shown only a very few times since his championship, he has consistently won in the Breed and Group rings. His first pups, now in the ring and already pointed, look as though they will follow in daddy's footsteps-they sure have his showmanship and style! We are very proud that **so many** respected breeders have sent their ladies to visit our boy, and we are pleased to say that there will be "Solo" babies shown in virtually every corner of our country and Canada this year. our thanks to all of you for your confidence in our boy, and we wish you many wins with your little "Solos" in the ring this year.

"Jeffrey's" pedigree and an additional photo are included in the stud ad section of this issue. And shipping is now easy, as we are only a 20 minute drive from Portland International Airport.

HEALTH - Kathie McKessor repeated the information on isoflurine, a new anaesthesia being used successfully by some veterinarians. The anaesthesia has a much shorter recovery time. Also, Kathie reminded breeders to check puppies and make sure canines do not grow into the roof of the mouth.

Marjorie Cohen reported that two veterinarians in her area in Virginia have reported good results, particularly with older dogs with arthritis and hip dysplasia, after using products called Vetri-Disc, a glycosaminoglycan and Adequan. Both products are available only through veterinarians. Another product is called Glyco-Flex and is stated to be a nutritional product produced from an edible shellfish which is composed of vital lubricating agents called mucopolysaccharides (or glycosaminoglycans). This too is sold exclusively through veterinarians. The manufacturer is Vetri-Science Laboratories, Essex Junction, Vermont.

STCA RESCUE PACKET UPDATE - All RCs have the packet, and they feel the guidelines give clubs a most excellent frame of reference.

STANDARDS - Bob Moore reported that AKC wants to standardize the order of the items in the breed standards. The opinion and consensus of the STCA Board included the following points:

- Order is important — leave alone
- STCA wants to maintain current Standard
- STCA will join other Breed clubs in lobbying against AKC efforts
- Standardized proposal will not be finalized for 18 months

Evelyn Kirk reported that the new STC of England states "the Scottish Terrier is not aggressive." She has concerns about how WE deal with Standards.

STCA EDUCATIONAL PROGRAMS - Educational seminars, coordinated by Bob Moore, are on the drawing board. Club presidents will be mailed the information.

Seminar topics include: John Sheehan, Mechanics of Breeding; Muriel Lee, Whelping; Merle Taylor, Grooming.

Initial seminars would be videotaped for STCA library and RC use. Regional Clubs may volunteer to host taping.

CLUB ACTIVITY SHARING - Activities shared in the discussion led by Donna Cambron, included the following ideas: Membership booklets containing membership data, meeting and program schedules; calendar of events and Club history; new member packet; publicity items for interested Scottie persons (e.g. Club business cards, information brochures, club buttons); nursing home visitation.

Membership motivational suggestions included: One on one contact as a telephone tree, membership committee, buddy system; interest questionnaires; co-chairs for projects, involvement on committees; talent, interest surveys; pet activities at fun matches (e.g. obstacle races), practice digs, storytelling; Go To Ground, Obedience and/or Tracking Events.

STCA REPORT - Tom Hill, the STCA representative for the Meeting, introduced Diane Zollinger, Corresponding Secretary. Diane distributed STCA Membership application forms containing her name and address.

Regional Clubs are reminded that a Club, in advertising a Specialty, cannot use the phrase "pending AKC confirmation." Information is to be used ONLY after AKC approval.

A "dog game" similar to monopoly and a trivia type game will be available to Regional Clubs as a money maker. Regional Clubs will receive details at a later date.

Regional Club newsletter editors asked for earlier reminders of deadlines. Also, newsletter editors and others are reminded of the copyright law violations when drawings and articles are used without permission and/or credit.

Betty McArthur asked for ideas concerning scheduling the Montgomery County activities for 1990. She and the Board are most interested in RC input. Send ideas to Jackie Seelbach, National Show Chairperson.

Thanks to Joanne Kinnelly for taking wonderful notes.

The Meeting adjourned at 11:05 A.M.

By — Eric and Marlene Burgess

Gregory Sushkevitch, a Moscow school teacher, visited the United States from November 21 through December 13, 1989 as part of a U.S. — U.S.S.R. student/teacher exchange program.

What makes this interesting to dog fanciers in general and to Scottish Terrier people in particular is the fact that Gregory is a Scottish Terrier breeder/judge in his native Russia.

Upon his arrival in the Albany, New York area Gregory asked if it would be possible to meet some local Scottish Terrier breeders so that he might get some hands on experience with their Scotties. Inquiries were made to the Albany Kennel Club and contact was made with us at Lochmaree Kennels in the nearby Catskill Mountains.

We worked with the Scottish Terrier Club of Greater New York and Mrs. Jackie Seelbach. Arrangements were quickly made to have Gregory visit Tom Natalini and Don Massaker at Stonehedge Kennels in Andover, New Jersey to give Gregory hands on experience with U.S. Scotties.

Gregory has been breeding Scotties for ten years. His kennel, Scottish Impress, consists of twenty Scotties and one Kerry Blue Terrier. The foundation stock is from a breeder in Finland. How is it possible to have such a large kennel in one of the world's most populated cities? His Scotties have been placed in homes of friends, one or two per apartment. Gregory and his wife Hellen, who is a graphic artist, bring each Scottie to their apartment for grooming and breeding. All bitches are brought home for whelping. In fact, Gregory told us, two days after he returned home he was expecting a litter of puppies. He said that the average litter size is five or six puppies.

He is currently writing a book about the Scottish Terrier soon to be published in Russia. He is an honorary member of the STC of Finland and has judged in that Country as well as in Russia. Recently he sent two Scotties to Poland and one to Czechoslovakia to further the breeding efforts in those countries.

When asked if Scotties in Russia were awarded medals in dog show competition, he said some breeds award medals, but Scottish Terriers were given rosette ribbons the same as in England and in the U.S. Since it is not possible to buy rosettes in Russia, the club members, including his wife, make the rosettes themselves.

Gregory's goal in Russia is to unite the numerous Scottie Clubs throughout Russia into one organization such as our STCA and he hope to accomplish this in the near future. He said that in Moscow there are many all breed clubs. When asked to name popular breeds in Russia, he named several Russian dogs unfamiliar to us - such as the Russian Black Terrier and the Russian Shepherd Dog. Of course, the Borzoi is very popular with the Russian people.

All Scotties in his kennel receive immunizations against diseases, including Parvo Virus, beginning at the age of eight weeks. Their diet consists of meat (beef only), fresh vegetables, and cottage cheese (which Gregory and his wife make to insure the right calcium balance). Commercial dog food is difficult to obtain. When asked if this diet is difficult to provide he said "yes it is difficult, but we always find a way".

In response to a question of "Why do you like the Scottish Terrier?", Gregory said "I like the Scottie because of its independent personality and individual temperament."

At Stonehedge, Gregory took off his suit jacket, rolled up his sleeves and spent the next few hours very carefully going over each and every Scottie placed before him on the grooming table. He took notes on each dog, and Tom gave him a pedigree on each dog that he examined. At his request, cameras clicked away as fast as he set up each dog for a profile picture.

After finishing, he presented gifts from Russia to each of us. Jackie gave him the STCA Handbook, Grooming Manual, Fact Sheet and the Montgomery County Catalog and this was the first Western information he had ever seen about our Breed.

Later Tom and Don opened their warm, cheery home to all of us for coffee and cake. Then, while sitting around the dining room table in the soft candle light and talking about Scotties in this Country and in Russia, we all realized that we had crossed National boundaries through love of our Breed. We now know that even in Russia Scottish Terriers are being carefully bred, groomed, shown in competition, and most of all loved by their owners.

ANDY BOATWRIGHT

Scottie Breeder, Owner, Exhibitor, Junior Handler

By: The Boatwright Family

Andy Boatwright, born in 1972 in Downers Grove, Illinois, is the son of Westie breeders, Carol and Frank Boatwright.

Andy was welcomed into the world by a family already deeply involved in the showing and breeding of dogs. As a toddler, he attended shows with his parents and older brothers nearly every weekend, growing up with the sights, sounds and scents of dog shows a normal part of his environment. His brothers' interests turned in other directions, but, even before he entered kindergarten, Andy was certain his life would be dominated by his deep interest in dogs.

As Andy grew, his enthusiasm for working with his familys' dogs grew in outsized proportion. He quickly proved able to be given more and more responsibilities for the dogs, both as a teaching mechanism and as a delightful experience for the dogs and for their young caretaker. Before many years had passed, Andy was quite adept at caring for and training the puppies and also assisting with the care of all the older dogs.

Andy's first ventures into the show ring were at the age of ten in the Junior showmanship classes while the family was on a Canadian summer show circuit. His first time in the ring Andy won his class; his second time in the ring, he won Best Junior Handler. His first three U.S. entries in the Novice Junior class qualified him to move to the more difficult Open Junior class, from which he won Best Junior Handler in his first effort.

Andy's interest in sports and athletics continued to be strong during the next few years, but his interest in the sport of showing dogs grew steadily. By the time he entered his teens the showing of dogs had become his dominate sport.

His continuing education in caring for and conditioning dogs was keeping pace with his enthusiasm. He spent several summers working for his mother, assisting with clients and learning the more detailed aspects of grooming and conditioning. By the time he turned thirteen and entered the Open Senior Class, Andy was able to be totally responsible for the care, conditioning and presentation of his show partner, a Westie called Crissy.

During the summers that followed, Andy spent his school vacations working for George Ward. During the school months, he was either attending shows on the weekends or working for various Terrier or All-Breed kennels in the area, where he did everything from general kennel duties to working the coats of the show dogs. He has experienced almost no free weekends in the past four years!

Weekdays were equally busy for Andy. As an honor student, his regular schoolwork shared his time with the daily coat conditioning and training necessary for the show ring. Because of their intricate grooming and spicy personalities, Terriers are considered to be among the most difficult dogs a Junior Handler can show.

Over the years Andy showed Crissy to her Canadian and American championships and to her Canadian C.D. He also trained her to go to ground for Terrier Trials. As Crissy was finishing her last years as his Juniors' Dog, Andy began the training on his little Scottie pup, Nellie. He handled her through both her American and Canadian championships before he felt she was of a significant frame to begin her career as a Junior's Partner. The early days were difficult, but Nellie has become the perfect partner for Andy, full of Terrier spunk and personality and also capable of withstanding the utmost in ring discipline.

Andy has consistently ranked among the top winning Junior Handlers in the U.S. in spite of spending his summers outside the ring. He also won the Top Junior Handler award four successive years from the West Highland White Terrier Club of America, and, for the last two years, he was named top Junior Handler by the Scottish Terrier Club of America.

In 1989, Andy was awarded the GOOD SPORTSMANSHIP AWARD by the Dog Writers' Association. This award was presented at the Westminster Kennel Club Show, where he was also selected to be a finalist and ultimately placed fourth in the Junior showmanship competition. In March of 1989, Andy was awarded Best Junior Handler at the Detroit Kennel Club show over an entry of more than eighty Juniors. This award qualified him to be among the fifteen Junior Handler to compete at the Beverly Hill Show in June in the WORLD SERIES OF JUNIOR SHOWMANSHIP. He was awarded the winner's ribbon at the Beverly Hill Show and with it the honor of representing the United States, in London, England at the Crufts Kennel Club Show, where he will compete against Junior Handlers from around the world in International competition.

The year 1990 marks Andy's sixth year as an exhibitor in the Limited Junior Showmanship Classes at the Westminster, for which the Juniors must qualify to enter. In order to qualify for this, a Junior must win First Place eight times or more during the previous year from the Open Junior or Open Senior classes. The Open Senior classes frequently contain as many as thirty entrants. It is becoming quite common for the

highly-competitive, top-winning Junior Handlers throughout the country to travel great distances, gathering at large regional shows or circuits for the great challenge of competing against one another.

Almost immediately following the Beverly Hills competition, Andy began another project of major proportions. He was given full authority over the design and restructuring of the kennel facilities of his parent's newly purchased country home near Dixon, Illinois.

Andy graduated from Downers Grove South High School in January, 1990. He plans to continue his educations with classes in business management and the biological sciences. From the time he was a pre-schooler, he planned to become a veterinarian. He is especially interested in nutrition and in the specific requirements of each individual animal, and he enjoys the close relationship and sense of pride a handler develops with his dog. In recent years, he began to determine that this first chosen career may not allow him the time to spend interacting with the individual animals as intensely as he likes to do. He is, therefore, considering a career as a professional handler, specializing, of course, in Terriers.

Whether as a veterinary professional or as a professional handler, Andy has been well introduced to the long hours and arduous work necessary to give proper care and attention and also be successful. He is a perfectionist with high ideals, and he's willing to work as hard and as long as it takes to accomplish his goals. His future in dogs will be a good one.

Editor's Note: The STCA is proud of you, Andy.

FIRST GROOMING OF PUPPIES

When grooming puppies for the first time it pays to be gentle. They may have to endure many years of grooming and they should not object in later years.

Don't razor a new puppy's coat. Simply wait until it is ready to comb, then strip it using a stone or finger cots. In this way you will get a very nice coat right from the start. Don't forget to strip the furnishings at this time as well. They need to come in hard too.

Puppies often are frightened of the clippers. Gentleness is important. Start at the rear of the dog and do the rump first. If the puppy becomes extremely agitated when grooming the head with the clippers hold him close to your cheek, then run the clippers close to his head without a blade in place. He soon will get accustomed to the vibration and will know that you are showing him affection while doing the clipper work.

To control an active puppy on the grooming table, hold him facing away from you with his hind legs off the edge of the table. It is best if you are sitting so that if he does fall off the table, he will fall into your lap. In this position, the puppy will concentrate so hard upon not falling that he will be easy to groom.

When you run into a truly hostile puppy, not just a frightened puppy, you must win the battle. Do whatever it takes to make the puppy understand that he cannot bite people. This must be achieved at the first grooming and each successive groomings until he learns; however usually one showdown is necessary.

Keep your grooming sessions short in the beginning, but always groom a little past when the puppy tells you he has had enough. If you quit too early the puppy will shorten succeeding grooming sessions.

YOUR DOG'S HEALTH

We are advised that there is a new strain of Parvovirus known as KF-11. Race Foster, DVM., who appears to be a Veterinarian in the employ of Fort Dodge Laboratories, the manufacturer of a new vaccine said to combat this specific strain, comments: "What many used to think were vaccine breaks, were really this new KF-11 strain of Parvovirus to which traditional parvo vaccines yield little protection."

Information about the vaccine, known as Duramune KF-11 Parvovirus Vaccine, has been distributed to veterinarians by Fort Dodge Laboratories, Inc.

Editors Note: If your dog shows any symptoms similar to Parvo consult your own veterinarian immediately!

OBEDIENCE - GETTING STARTED

By - Letty Passig, Obedience Chairman

You have a marvelous Scottie who is bright, happy, and lots of fun. However, he runs out the front door every time it's opened, and you have to spend half an hour trying to catch him. Maybe some obedience training would do the trick.

Let's see. MacScot is housebroken and leash trained so he must be ready to start training. Now, just check the yellow pages for the closest training facility, call and enroll him in a beginners' class.

The day for the first class arrives, and you head off ready for a new and rewarding experience. Well, by starting in obedience this way, you and MacScot may be heading for a rewarding experience, or you may be heading straight for total disappointment.

Doing a little homework before enrolling in an obedience class will do a lot to insure success rather than failure in your endeavor. First, go to some obedience trials and watch the Novice, Open and Utility classes to see what the sport is all about. In obedience, dog and handler must work as a team. Of course, some teams work together much better than others. Pay particular attention to the handling techniques of the better teams.

Next, study your Scottie. Be sure you know how he looks when he's at ease and doing something he enjoys. How does he carry his tail and his ears? What is the expression on his face? How does he move? How does his expression, etc. change when he is stressed and upset? If you don't have a clear picture of him in these two moods, take the time to do that now, because his future training will depend a lot on your ability to read your dog's reactions.

Third, set a goal. It's important that your goal be realistic or you'll find obedience a totally frustrating experience. However, if you are not sure whether you will show your dog, assume that you will. Trainers often ask less of handler/dog teams that do not plan to show. If you later decide to show, you may have to do a lot of retraining.

Depending on the amount of time you will have to devote to training, a reasonable and achievable goal would be to have the highest scoring Scottie or terrier at an obedience trial, to earn one or more obedience titles, or simply to have a better behaved companion.

Finally, find an obedience class in which you can feel comfortable. Keep in mind that, in general, obedience instructors know how to train most large dogs, and some know how to train small dogs. However, very few know much about training terriers so chances are that you won't find the ideal instructor, but some are certainly far better than others.

If you have friends or associates that are "into obedience", start by asking them for their opinions on the training classes they have attended. What did they like or dislike about the classes? Then check the yellow pages for additional names, if necessary.

Next, call at least two or three trainers and arrange to observe some classes at each of the facilities. Hopefully, there will be a terrier in one of the classes, or at least some small dogs. Don't be discouraged if you don't see a terrier in class. Be sure to ask each trainer

if he has had many terriers in his classes and how successful they were. The answer to these questions should give you a good clue as to how you and MacScot would do in the class.

Note whether the instructor seems to know how to train small dogs as well as large ones. Also note whether he takes the time to discuss individual problems with the students.

AVOID:

An instructor who spend most of the class time helping the handlers of the breeds he knows, while ignoring the others. Chances are very good that he will not know much about terriers, and you will get to pay your tuition and attend class, but learn very little. In a class like that, you and MacScot are almost guaranteed to be a discouraged twosome by the end of the course.

An instructor who suggests stronger corrections as the solution to nearly all problems presented by the students, or an instructor who says that terriers are "tough" and that strong corrections are needed right from the beginning so that your Scottie will understand what you want him to do. If you follow these instructions, your MacScot will quickly decide that obedience is not for him. He will become an overly stressed, unhappy little fellow, and his unhappiness will show in every move he makes or fails to make.

Fortunately you find a class in which all dogs get a fair share of instruction, and the trainer takes the time to discuss individual problems and can offer a variety of possible solutions, and corrections are kept at a minimum. Having done your homework, when the day arrives for the first class, you pack MacScot, some treats, his collar, and a four-foot lead into the car and set off on a new venture with the assurance that your obedience team will meet its goal of earning a C.D. title.

Always have fun and good luck!

AN IMPORTANT CHANGE IN THE RULES FOR STCA OBEDIENCE AWARDS

Letty also wants everyone to know that the Board of Directors has approved a change in the requirements for the Open B - Utility Award that is presented at the Annual Dinner Meeting during the Montgomery County weekend. The award now reads:

Open B — Utility Award: Highest average of six scores earned in Open B and/or Utility. Dog must have a C.D.X. title for the score to count in Open B and all utility scores earned may be counted whether they are earned towards the U.D. title or after the U.D. is earned. All scores used in the average may come from either class or a combination of scores from both classes, but they must be qualifying scores to be counted in the average.

Under the prior rule, few Scotties met the requirements for the award, because, at each of the six trials, they had to get a score higher than most Scotties earn on a consistent basis. Now just a qualifying score will meet the requirements so we should have more member/Scottie teams competing for this award.

LESSONS THROUGH LOSS

By — Jane Anderson

Her name was Katie, and I guess to the average breeder, she was just an ordinary, finishable Scottie bitch...(unless you believe Bob and Lauri Moore's Ashmoor logo that states, "There's no such thing as an ordinary Scottie".) I do happen to believe that and this Scottie to me was extraordinary...a Diehard in every phase of her life.

I bought her from a breeder when she was four months old...she had an air of self-possession that was immediately captivating. I was told there was one bitch for sale (they were keeping their choice of the girls). When I looked at the litter, I thought, "surely they won't sell me that one - she's got such spirit - maybe could have a better shoulder, darker eye and tighter ear set, but all in all - they'll sell me the other one." I was surprised and elated to be wrong in my guess. She came home with me - never a complaint, whine or whimper. She fit right in. She got most of her points from puppy class and spent the entire next YEAR looking for that last major. Thanks to Peter Green the last one was won and she became a Champion.

She produced a total of seven puppies in two litters and was a good, no-nonsense bitch. Two pups finished and one became a group and specialty winner, to our elation.

At last, Katie became THE house dog, once her matronly duties were fulfilled. All the other knew that she was Alpha dog from the start. She had a way of entering a room that emanated her dominance through body language, even though she rarely engaged in any physical confrontation with another dog. Just the way she carried herself told the others that she was QUEEN.

She was my constant companion for the last five years. My friends used to say, "Jane, you need to be realistic about this - she's going to get old some day and leave you". My retort would be a flippant "No, she's going to live forever." Maybe I believed that in my heart - maybe I still do, even though her physical presence has left me. (Unfortunately, after a brave fight with Cushing's Disease, she was diagnosed with Lymphosarcoma and we had to put her down in November).

I guess my biography of Katie has prolonged the focus of this writing, but the history to me was important in helping to express the lessons I've learned through her loss.

My close friend, Bob Moore, called and said something most profound, "You know, so few of us in this world are allowed the privilege to live with a special one. It is in learning to cope with their loss that we grow in spirit. A valuable lesson of the heart is learned." These words gave me a great deal of strength when I was questioning "why" in my heart. Another friend, Cathy Chapin, who purchased a puppy from us after her dog died from Cancer sent us the following. I felt compelled to share it with others who love their dogs like we do:

"WHERE TO BURY A DOG

A subscriber of the Ontario Argus has written to the editor asking, "Where shall I bury my dog?" We would say to the Ontario man that there are various places in which a dog may be buried. We are thinking now of a setter, whose coat was

flame in the sunshine, and who, so far as we are aware, never entertained a mean or an unworthy thought. This setter is buried beneath a cherry tree, under four feet of garden loam, and at its proper season the cherry strews petals on the green lawn of his grave. Beneath such trees, such shrubs, he slept in the drowsy summer, or gnawed at a flavorful bone, or lifted his head to challenge some strange intruder. These are good places in life or in death. Yet it is a small matter, for if the dog be well remembered, if sometimes he leaps through your dreams actual as in life, eyes kindling, laughing, begging, it matters not at all where that dog sleeps. On a hill where the wind is unrebuked, and the trees are roaring, or beside a stream he knew in puppyhood, or somewhere in the gladness of a pasture lane where most exhilarating cattle grazed, is all one to the dog, and all one to you — and nothing is gained, nothing is lost — if memory lives. But there is one place to bury a dog.

If you bury him in this spot, he will come to you when you call — come to you over the grim dim frontiers of death and down the well remembered path and to your side again. And though you call a dozen living dogs to heel they shall not growl at him, nor resent his coming, for he belongs there. People may scoff at you who see no lightest blade of grass bent by his footfall, who hear no whimper, people who never really had a dog. Smile at them, for you shall know something that is hidden from them, and which is well worth knowing. THE ONE BEST PLACE TO BURY A GOOD DOG IS IN THE HEART OF HIS MASTER." *

More good words were sent my way from Lynn Weaver, who had known Katie as she accompanied me to most of the shows. I told Lynn that I was reluctant to develop a relationship with another dog to the depth and degree that I had with Katie. She said, "Each one of these Scotties is so special in its own way. Don't deprive yourself by not having the closeness with another. One will come along and fill its own spot, and become a new friend in a different way." These words helped me through a particularly hard day at the first dog show I attended since Katie's death.

I need to finalize this by saying that what I have learned through my loss is that Scotties are extraordinary dogs, because they attract extraordinary people who have given special, loving thought to help me when I felt so low. I've also learned that it's O.K. to LOVE the next one to come along...and the next...

CHANGE IN POLICY FOR APPLICANTS FOR MEMBERSHIP

The Board of Directors of the STCA has reviewed the Membership Policy which was implemented in May, 1988, and has made a minor revision, which should help to expedite the processing of membership applications. The basic process will remain the same: the prospective member's name will be read at a Board meeting, be published in *The Bagpiper*, and then acted upon at the next Board meeting. However, since the mailing dates of *The Bagpiper* do not always coincide with the dates of the meetings and the Board values the input of our members, the following revision was adopted:

1. The names of the applicants for membership shall be printed in *The Bagpiper*. STCA members will have six weeks from the date of the mailing of the *Bagpiper* to comment on any of the applicants should they so wish. If no comments are received before the six weeks deadline, the applicants will be considered as approved by the membership.

2. If the six weeks deadline occurs prior to a meeting of the Board, the applicants' names shall be read and acted upon at the Board meeting.

3. If the deadline occurs after the Meeting of the Board, the Board will act upon the memberships at the meeting, but the applicants will not be notified by the Corresponding Secretary of their approval until the six week deadline has passed. Any applicants for whom a comment is received will be held over until the next meeting of the Board of Directors.

(Refer to the Summary of the Minutes of the January 13, 1990 Meeting of the Board of Directors).

NEW MEMBERS

The following persons whose names, addresses and sponsors were published in the November, 1989, *Bagpiper* were, by action of the Board of Directors on January 13, 1990, admitted to membership in The Scottish Terrier Club of America as of February 6, 1990.

Ch. Anstamm Flash Point

"Pointer" is a big dog — 26.5 pounds — but he is low to the ground and extremely short-backed. He is one of the best moving dogs we have, with nice, tight elbows and a stunning strong rear end. His first puppies will be starting their show careers in 1990.

Ch. Sun-Ray Summer Sun

The ideal choice for the breeder with a slightly bigger, longer girl. "Barney" is an excellent choice to bring down size without losing substance. "Barney" is the sire of 10 champions, including Group-winner, Ch. Charthill Worthy of Colwick and Ch. Deblin's Fast Talk, BW at the 1988 STCGD Specialty.

Margaret Young, Editor, 1807 Arabian Way, Fallston, MD 21047
Helen Prince, Secretary, 7415 Newburg Dr., Lanham, MD 20706

Elections for 1990 were held in November. The new Officers and Board Members are:

President	Alice Watkins
Vice President	Barbara Hoffman
Secretary	Helen Prince
Treasurer	Robert Young
Board Members:	Deborah Brookes, Carol Kintz, Kendra Lovette, Joe Medell, Bob Moore

Our Raffle this year, to be drawn at our Specialty Show on April 20, 1990, is the Hummel Figurine "Begging His Share", a Scottie begging a piece of cake from his young master. It is a treasure that all Scottie People should own!. Tickets for the Raffle may be obtained from any club member or by writing to the Secretary, Helen Prince.

1990 started with an educational bang for the STC. Bergit Coady presented a two-day grooming seminar that was well attended and much appreciated. The dinner for seminar goers and friends held at the home of Charlene Bennett was also a big hit. Education continues to be a priority with events planned throughout the year.

The STCC made contributions to help both dogs and people to cope with the recent natural disasters on both coasts. Contributions were made to the South Carolina SPCA Animal Relief Fund, the Del Monte Kennel Club Relief fund, and the California Earthquake Fund.

Scottie headquarters for our 1990 and 1991 Specialties will be the Holiday Inn at 924 Huntington Dr., Monrovia, CA 91016. Make your reservations early and plan to join us in the hospitality suite. 1990 Judges are Neatha Robinson and Barbara Gentry.

On October 21 we held a very successful B-Match and Costume Parade judged by Bob McDonald. Best Junior Puppy was Charthill Road To Rio, owned by Susan Elfring and Charla Hill. Best Senior Puppy was Charthill Seaworthy, owned by Tom and Charla Hill. Best Adult was Beatrice Bonny Bell McBurton, owned by Marvin and Jackie Burton. The costume parade was great, with lots of imagination and ingenuity.

We have again donated sufficient funds to the VWD testing program at Ohio State University to insure that they will continue. The staff at OSU is very pleased with the quality of the results they are achieving.

January started a series of continuing education programs at our regular monthly meetings, designed, we hope, to make us more aware of our responsibilities as breeders, owners, and exhibitors.

We are looking forward to our Specialty on March 31, 1990. We plan an auction at our Specialty Banquet and John DeSaye has graciously agreed to be Auctioneer. We hope you can join us!

Sharon Sears, Editor, 1032 Turley Dr., Colorado Springs, CO 80915
Teri Evans, Secretary, 2848 S. Logan, Englewood, CO 80110

The Scottish Terrier Club of Greater Denver held its annual Fun Match in December and invited the West Highland White Terrier Club of Denver and the Cairn Terrier Club of Greater Denver to participate. Although the weather was awful, with 6" of snow on the ground, very cold, and light snow falling all day, we were dry and comfortable inside the Valley Shopping Mall.

Our entry was excellent, thanks to our dedicated members bringing more than one puppy. The Scottish Terrier was 16. **BEST JUNIOR IN MATCH** went to The MacGregor, owned by Elizabeth Cooper and Jeanne Heyder (Breeder - Dennisia Aragon). **BEST OF OPPOSITE SEX TO BEST JUNIOR IN MATCH** went to Mystigael Know Good Reason, owned and bred by Tony and Pat Gruda. **BEST SENIOR IN MATCH** was Roughcastle Gannett, owned and bred by Faith Erlacher, and **BEST OF OPPOSITE SEX TO BEST SENIOR IN MATCH** went to Besscott's Caledonian owned and bred by Jack and Elizabeth Cooper.

Final preparations are being made for the 1990 STCA Rotating Specialty for the weekend of April 6-8. It is being held during the Strawberry Cluster at the Pasadena Fairgrounds. Judges for the Rotating are Ken McDermott, Regular Classes, and Alice Watkins, Sweepstakes. The next day Mrs. Muriel Owen, Gaywyn Kennels, will judge, and on Sunday, April 8, Mrs. Arlene Thompson is the judge. Headquarters is the King's Inn, on NASA RT.1. A Friday Banquet, Saturday Barbeque, and good Texas Hospitality is planned for the weekend. All STCA members should have received a flyer in the mail announcing the activities for the weekend. Plan on being there!

Cathy Martin, Secretary

Our Club is very proud of being the recipient of the ANSTAMM ACHIEVEMENT AWARD for 1989. It will be proudly displayed at all our functions. Our new Board is:

President	Frank Morrow
1st Vice President	Sue Martin
2nd Vice President	Tim Warren
Corresponding Secretary	Cathy Martin
Recording Secretary	Cynthia Wallgren
Treasurer	Mary Ruddy
Board Members:	Phyllis Harp, Barbara DeSaye, Jean Gibney, Joanne Kinnelly

We are also proud that we were able to give \$2200 to our charities this year, thanks to the hard work of our members.

We held a VWD clinic in the fall and had 62 dogs. At this clinic more blood was drawn and 1/2 was sent to Dr. Dodds, and 1/2 to a lab in Texas. We are hard at work, too, on our annual February "Dog Night at the Movies" and our Awards Dinner in April where Club medallions are awarded to those who finished a champion in 1989. Of course, we are already working toward our 1990 20th Independent Specialty where we have two super judges. (Club Editors please note: Cynthia's zip code is 48009).

Good Citizen Scotties?

Can. Ch. Owyn Del Rio Passmore Glencannon Lady Loch C.D.

Are there any other STCA Scotties out there who have passed the AKC's new Canine Good Citizen test? Both our ladies earned their certificates by passing the 10-step AKC test Jan. 7. It was fun...and challenging! We hope more Scotties will follow.

Del Rio (left), who just celebrated her first birthday Dec. 21, also earned second out of eight dogs in her Sub-Novice obedience class the same day. And her pal, the grand old lady Lucky (right) still likes to "work" at almost eight years old. Lucky was the STCA's high-scoring Companion Dog in 1984.

Plans for our show have been completed. It will be held in conjunction with the Trenton Kennel Club on Sunday, May 5, 1990. Judges will be Jean Ferris of Connecticut for Sweepstakes and Dora Lee Wilson for Regular Classes. Our trophies, Limited Edition Graphics, have been commissioned from noted artist, Marion Needham Krupp. Our club will also informally support the companion shows, the fabulous Bucks County on Saturday and Delaware Water Gap on Monday.

Our holiday party and photography sessions were well received with the probability of another photography session next year. A flea market is being planned for the spring. At the end of the year, our membership stands at 80.

James Sweeney, Sandy Giordano, Suzy Hernandez, John Deming, Jill Van Leuen — although these names are not familiar to you, they are true Scottie heroes. They were among the people who assisted or adopted one of the thirteen Scotties that were placed by our club this last year.

Well, we have completed another year in the not so warm South. We are proud to announce that for the 2nd year in a row we have another 7 Champions (a total of 14 in two years) and for a membership of 30 we feel that is something to be proud of.

We just hosted the Winter Board meeting of the STCA and what a thrill for such a new club to be able to talk with the Officers and Board members. We really enjoyed having you and hope next time it will be a little warmer. A remark was made that they saw more Scottie sweaters here than up North!

SECOND QUARTER REPORT 1989

EXHIBITORS ALERT! It is important that everyone exhibiting dogs confirm AKC *Gazette* show information and the STCA Tally Committee quarterly standings. Please report any discrepancies to the Tally Chairman, Susan Morris, P.O. Box 54, Rathdrum, ID 83858 (Phone: 208/687-0613).

To assist in making the Tally Committee's job easier be sure to use ownership names consistent with your registration for the dog each time you enter a dog show.

It is the responsibility of the STCA owners of dogs to verify wins for awards. In the absence of word of errors, it will be assumed the Tallies are correct.
