BLANCHE E. REEG

1894 - 1991

"Remembering a Friend"

by Helen Prince

It has been more than 15 years since Blanche finally "retired" from the dog world, and almost 25 years since her Blanart dogs were bred and shown. For most of you, she is only a name, but for us whose lives she touched, she will always be remembered--some with fondness, some without--since she was one of those determined, outspoken, and opinionated persons whom we either love or hate, but for whom we always have respect.

Blanche Eckhardt was born in Ohio. As a child, she would accompany her father to the harness racing track and listen to all the talk about pedigrees, breeding, and bloodlines. Constant badgering of her father did not get her a chance to race in the sulky, since nice young ladies did not do such things, but her experiences did make her determined to compete in a sport involving animals. This determination to achieve over seemingly unbeatable odds was to be her hallmark.

Her first dogs were not Scotties, but Airedales, and she had them shown with limited success. Marriage to Art Reeg and a subsequent move to New York brought her to Scottish Terriers. Like most of us, success was slow in coming, from the 1930's to 1947, but she finally had some success with Blanart Barrister, handled by Frank Brumby. Although she had always hired a handler (in those days it was a man's world in the ring!), she decided that she could do it herself.

But it wasn't easy. No one would teach her to groom or handle. If she asked them about grooming, they might tell her the wrong way. Blanche's response was to set up as close as she could to one of THEM--Johnny Murphy, Frank Brumby, or someone else--and watch what they did, and then go home and practice! In 1949 she became the first woman to finish a Scottie to its championship in the East. Her advice to me later on was the same--look at your competitors, see how they groom, and then go home and practice! (I had a lot of grooming customers who went home with "experiments" those first years.)

Many years of success in the ring followed, but the most famous of all was CH. Blanart Bewitching, whose limited showing produced an enviable record. Shown in only 36 all breed shows between 1958-1961, she had 27 all breed Best of Breeds, 9 Best of Opposite Sex, 7 Best in Show, 20 Group 1st, 5 Group 2nd, and 2 Group 3rd. She was also shown in 13 consecutive Specialty Shows, in which she took Best of Breed, including 5 S.T.C.A. Specialty Shows.

Being in the ring was not her only involvement in the breed. An early member of many of our regional clubs, Blanche obtained her A.K.C. license for Scottish Terriers and judged many Specialty Shows throughout the country. A long-time member of the S.T.C.A., she was its President for several years, as well as having served as Secretary, treasurer, and Director, for more than 13 years. She organized the first Standard Committee and was Editor of the Handbook in the 1960's. Being involved with the Club was necessary to being involved with the breed, as well as helping to write the rules for the Sweepstakes. When I first expressed an interest in joining S.T.C.A., she offered to sponsor me, provided that I would attend the Montgomery County Show, and the S.T.C.A. Annual Meeting and Dinner as her guest, so she could measure my "commitment" to the Club. I can still remember meeting the "BIG" breeders of the day, putting faces to the names I had read about, and having them actually talk to ME. The next day we sat at ringside and I listened to the running commentary about dogs, breeding, and people as the show moved on to Best of Breed. I guess I must have passed muster, because she wrote the sponsor letter the following year!

When I first met Blanche in 1970, she was not longer actively breeding and showing, but had left New York to "retire" to Boyds, Maryland. She immediately jumped into the local dog club, the STC of Greater Washington, which was going through some growing pains, as do most clubs. After-the-show parties at her home with all of their dog talk and dog people were highlights of the show circuit. Blanche helped to organize grooming and handling classes, gave

talks on breeding, genetics and opened her home to anyone who needed help. She had an ingenious way of getting you into the ring. She and Mary Hicks (Hilynn's, would hold a series of grooming sessions which would be geared to end with one of the local show circuits--the STC of Baltimore Specialty in the spring, or the STC of Washington for the fall. The only requirement for taking the class was that you had to enter your dog at the show! Along with the lessons in trimming came advice about handling, being a good sportsman in the ring, and above all, sticking with it when your dog doesn't win! She had no patience with those who did not take it seriously.

As you may have already guessed, Blanche was a great supporter of the owner-handled Scottie and encouraged club members to put out the extra effort it required to show their own dogs to championship. She had decided that if she could do it, so could everyone else. She personally gave prizes to members of the STC of Greater Washington, D.C., who handled their own dogs to championship. In her honor, the Club now gives the **BLANART AWARD** to any member whose dog finishes a championship while being handled exclusively by the owner.

Giving freely of herself is another quality I remember. After one particularly difficult time in whelping a puppy, and with more to come, I called her at 3:00 A.M. for some advice, which she willingly gave, even offering to drive the hour's trip it would take if I needed her. I remember calling her several more times that night, and later, after asking how I could repay her for all she had done, she said: "All I ask is that you help someone else and teach them all you've learned. That way our breed will continue to prosper. That's the responsibility of every breeder."

In 1974, she moved back to New York, to finally "retire." From 1974 until the 1980's when she moved into a retirement home, I used to spend a week with her each summer. We would talk about dogs--breeding, pedigrees, genetics, you name it! I now regret that I did not tape our conversations, but then, she seemed ageless.

There are many other remembrances I could tell about ways she inspired me and others she knew, but time and paper limits me. The **BLANART** kennel sign hangs in my dog room, and each time I see it I remember her and say...Thank you, Blanche!

LETTER TO THE EDITOR

STCA Membership:

I have just finished proof reading the advertising for the 1991 Handbook and I would like to make several suggestions that could eliminate errors for future advertisements.

1. Be sure to put your name, kennel name and address on the back of each photo that is submitted. Usually, a stamp or address sticker will work the best.
2. If submitting more than one photo for an ad, be sure to write the name of the dog on the back of each photo. Use the AKC registered name and any call name that you may include in your advertisement.
3. If you want the picture cropped, be specific where you prefer the crop lines. If you want the full picture note that the entire photo is to be used.
4. Write your advertisement up clearly -- typing is preferred. The typesetter will do your ad up just like you have written it and if you have spelling errors, they are very likely to be placed in the ad.
5. If there are no specific directions, the typesetter will set the ad as he or she thinks is best.

REMEMBER:

You can often get more out of a picture by cropping down to the dog, rather than using all the people in the picture in the ad.

Do not attach to your picture all kinds of instructions on small pieces of paper. Use one page to write your ad up and put in boxes where you would like the photos to appear. Use Post-its as necessary.

What you want to present for your ad is a clear cut page of advertising with your pictures well marked so that the typesetter can put it together with a fair amount of ease and mistakes will be eliminated.

• A MESSAGE FROM OUR PRESIDENT •

DEAR MEMBERS:

WITH THIS, MY LAST MESSAGE AS PRESIDENT OF THE STCA, I REVIEW THE ACCOMPLISHMENTS OF THIS ADMINISTRATION DURING THE PAST TWO YEARS.

MY FOREMOST PRIORITY BEFORE INTRODUCING ANY PROPOSAL TO THE OFFICERS AND DIRECTORS WAS TO ASK MYSELF "IS THIS IN THE BEST INTEREST FOR THE BREED AND THE MEMBERSHIP"? THIS ALSO, I MIGHT ADD WAS THE GOAL OF EACH AND EVERY DIRECTOR WHO SERVED WITH ME.

OUR FIRST PROPOSAL WAS TO EQUALIZE ALL STCA AWARDS OFFERED. FOR THE FIRST TIME IN MANY YEARS, CERTIFICATES OF ACHIEVEMENT ARE BEING SENT TO ALL CONFIRMATION CHAMPIONSHIPS ALONG WITH OBEDIENCE TITLES AND WORKING TERRIER TITLES. I BELIEVE THIS TO BE IN THE BEST INTEREST OF ALL MEMBERS.

OUR "REACH OUT" PROGRAM TO REGIONAL CLUBS UTILIZING THE ABILITIES OF OUR REGIONAL REPRESENTATIVE, MAXINE STICKLER, HAS OPENED UP COMMUNICATION TO AND FROM THE BOARD, OUR REGIONAL CLUBS AND THEIR SISTER CLUBS. NOT ONLY HAS EVERYONE RECEIVED THE MOST CURRENT NEWS DIRECTLY AFTER OUR BOARD MEETINGS, BUT A WEALTH OF HEALTH, LEGISLATIVE AND OTHER TIMELY ARTICLES HAVE BEEN SHARED. I BELIEVE THIS TO BE IN THE BEST INTEREST OF BOTH THE BREED AND THE MEMBERSHIP.

OUR PETITION TO THE AMERICAN KENNEL CLUB TO REVIEW AND REMOVE THE RESTRICTIONS IN THE BRED BY EXHIBITOR CLASS WAS ACCEPTED BY THE AKC BOARD OF DIRECTORS. HOWEVER CONTROVERSIAL WITH SOME BREED CLUBS, WE ARE HOPING FOR A VICTORY WHEN VOTED ON THIS SEPTEMBER. I BELIEVE THIS TO BE IN THE BEST INTEREST OF ALL BREEDS.

THE APPOINTMENT OF A STANDARD REVISION COMMITTEE. OUR ORIGINAL CONSTITUTION STATED THE OBJECTS OF THE CLUB SHALL BE *"To define precisely the true types and publish definitions as may be necessary from time to time; and to urge the adoption of such types on breeders and judges, dog show committees, etc, as the only recognized standard by which the Scottish Terriers are to be judged."* ALTHOUGH NOT AS VERBOSE, OUR CURRENT CONSTITUTION REFLECTS THE SAME.

CHAired BY JERRY ROSZMAN, THIS COMMITTEE WILL EARNESTLY REVIEW EACH PORTION OF OUR STANDARD TO DEFINE PRECISELY THE PURE-BRED SCOTTISH TERRIER. THE RESULTS OF THIS COMMITTEE SHALL BE PRESENTED TO THE MEMBERSHIP WHEN COMPLETE. I BELIEVE THIS TO BE IN THE BEST INTEREST OF THE BREED.

THE ADOPTION OF A NEW MEMBERSHIP/SPONSORS PACKET. THIS PACKET IS INTENDED TO ENCOURAGE MEMBERS TO EXAMINE MORE CLOSELY THE RESPONSIBILITIES OF SPONSORSHIP. AN ARTICLE WRITTEN BY CINDY COOKE EXPRESSES OUR INTENTIONS ENTIRELY AND I QUOTE A FEW PHRASES NOT NECESSARILY IN THE ORDER AS WRITTEN.

2... "We do not want to become a narrow elitist clik... on the other hand, STCA membership is meaningless if it does not require high standards of conduct" "You may even get a call from a would-be member who lives in an area where there are not STCA members nearby..." "So you write the letter sponsoring someone who is virtually a perfect stranger"..." "To insure that our Club continues healthy growth STCA members must take more responsibility... Do not sponsor applicants just to be polite. Get to know them. Visit their homes and kennels..." Applicants need to know from the start that the STCA has high standards and expects the members to live up to those standards".

WE APPRECIATE THE RESPONSE FROM THE MEMBERSHIP REGARDING THIS ISSUE, BOTH PRO AND CON, MANY REVISIONS ARE BEING CONSIDERED AND SHALL BE FINALIZED AT OUR MEETING IN OCTOBER. RESPONSIBILITIES OF SPONSORSHIP ARE AN ENDORSEMENT OF THE APPLICANT, THEIR CARE AND CONCERN OF OUR BREED. WHEN APPROVING MEMBERSHIP WE DO GIVE OUR BADGE (SEAL) OF APPROVAL. THIS NEW PACKAGE ADDRESSES JUST THAT. I BELIEVE IT TO BE IN THE BEST INTEREST OF THE BREED.

NEW REGIONAL CLUBS. THIS PAST YEAR WE HAVE GIVEN APPROVAL TO THE SCOTTISH TERRIER CLUB OF UTAH TO COMMENCE WITH THE FORMATION OF A NEW CLUB. STC OF TAMPA BAY IS PREPARING FOR THEIR FIRST SPECIALTY JANUARY 1992 AND THE GREATER PITTSBURGH STC POSSIBLY LATER IN THAT YEAR. WE HAVE APPROVED THE STC OF GREATER DENVER AS A REGIONAL CLUB, AND WITH CONTINUING COMMUNICATION WITH THE AKC, WE HOPE TO HAVE THEIR SANCTION SOON. I BELIEVE THIS TO BE IN THE BEST INTEREST OF THE BREED.

THE OFFICERS AND DIRECTORS OF THE STCA HAVE COMMITTED THEMSELVES TO SERVE THE BEST INTEREST OF THIS ORGANIZATION. IS IT PERFECT? CAN IT MAKE EVERYONE HAPPY ALL THE TIME? OF COURSE NOT. WE OFTEN HEAR AN ATTITUDE OF "THEM AND US", BUT WHAT WOULD THIS ORGANIZATION BE LIKE WITHOUT THE EFFORTS OF THESE FEW PEOPLE WHO HAVE VOLUNTEERED THEIR SERVICES, MONIES, AND TIME. DOESN'T IT

BEHOVEE US TO TREAT THEM WITH A LITTLE MORE RESPECT? DONT YOUR OFFICERS AND DIRECTORS DESERVE CONSTRUCTIVE CRITICISM RATHER THAN CASTIGATION WHEN YOU DISAGREE WITH A PROGRAM? IN ANY ORGANIZATION THERE ARE ALWAYS PROBLEMS TO SOLVE. WE HAVE WORKED TO MAKE CHANGES THAT WILL CORRECT THESE PROBLEMS AS THEY BECOME APPARENT. NO ONE CAN ANSWER THE QUESTION OF WHETHER OR NOT WE WANT TO MAKE PROGRESS. CHANGE OCCURS WITH OR WITHOUT OUR APPROVAL. WE CAN TRY TO INFLUENCE DIRECTION OR STAY BY THE WAYSIDE, BUT CHANGE OCCURS REGARDLESS. YOUR OFFICERS AND DIRECTORS OF THE SCOTTISH TERRIER CLUB OF AMERICA HAVE DEDICATED THEIR TIME TO INSURE THE CONTINUED HIGH STANDARDS OF THE SCOTTISH TERRIER AND ITS MEMBERSHIP. I BELIEVE THIS TO BE IN THE BEST INTEREST OF THE BREED AND THE MEMBERSHIP.

I THANK MY OFFICERS, DIRECTORS, AND COMMITTEES FOR THEIR SUPPORT IN ATTAINING THESE GOALS. I THANK YOU, THE MEMBERSHIP, FOR YOUR MANY CONTRIBUTIONS THESE PAST TWO YEARS.

I AM HONORED TO HAVE BEEN THE PRESIDENT OF THE SCOTTISH TERRIER CLUB OF AMERICA.

**SUMMARY OF MINUTES
MEETING OF THE BOARD OF DIRECTORS OF THE S.T.C.A.**

Holiday Inn
Monrovia, California

June 20, 1991

President McArthur called the meeting to order at 10:04 A.M. Officers and Directors present were:

President	Mrs. Betty McArthur
Vice President	Mrs. Jackie Seelbach
Corresponding Secretary	Mrs. Diane Zollinger
Recording Secretary	Mrs. Helen Prince
Treasurer	Mr. Gilbert Robinson

Directors	Mrs. Marjorie Cohen
	Mrs. Shirley Justus
	Mrs. Ruth Ann Krause
	Mr. William Martin
	Mr. Mel Musson
	Ms. Robin Starr
	Mr. Edward Watkins

Unable to attend, due to prior commitment as Rotating Sweepstakes Judge:
Delegated to the AKC Mr. John Sheehan

Excused: Mrs. Isabelle McCool

The minutes of the February 16-17, 1991 meeting were accepted with corrections: Mrs. Marjorie Cohen requested that her name be entered into the minutes as having voted NAY on the Reformatting of the Standard.

PRESIDENT'S REPORT: Betty McArthur shared with the Board correspondence received since the last meeting.

1) The AKC is investigating the possibility of a 900 breeder referral number where calls would come to the AKC and then be directed to local resources. If no local resources are available they would like to refer potential dog buyers to representatives of the National Breed Clubs. We will respond to the AKC with a representative from the East, Central and Western Divisions.

2) We have received word of another auction house for pure-bred dogs, in the Chicago area. The corresponding Secretary will respond negatively with a copy of our letter to AKC. (The membership should forward any information about this type of activity to the STCA.)

VICE PRESIDENT'S REPORT: Jackie Seelbach reported that everything was set for the Rotating, 1991. Judges have also accepted for the Rotating, 1991. The Board meeting scheduled for October, 1991, will be held at the Sheraton Inn, Great Valley, but the Annual Meeting and dinner and the Regional Clubs meeting will still be held at the Westchester Inn.

Sweepstakes for Montgomery, 1991, are set for the Lu Lu Temple. We have been tentatively reserved there for 1992. Discussion centered on what to do in future years, since other clubs may also be looking for alternative sites for their Sweepstakes. **Motion - Musson/Zollinger** to reserve the Lu Lu Temple for the next five years, 1991-1997. **Passed unanimously.**

The Montgomery County Show, 1991, will be in celebration of Blanche Reeg's life with Scotties.

CORRESPONDING SECRETARY'S REPORT: Diane Zollinger reported that the following clubs have been granted permission to hold Specialty Shows:

- STC of Greater Houston August 8, 1991
- San Francisco Bay STC September 14, 1991
- STC of Western Virginia September 20, 1991
- STC of Greater Washington, D.C. October 11, 1991

Other items of correspondence as requested were reviewed.

1) A request from a Canadian member to have everyone listed together in the Roster, not separated by country as it is now. **Motion-Musson/Seelbach** to leave the Roster listing as is. **Passed, with 1 Nay and 1 abstention.**

2) A request from Russian citizen to have American breeders as Pen Pals will be published in the Bagpiper.

3) Report received from Cindy Cooke as presenter at the Judges Workshop for the Michigan Judges' Association sponsored by the STCA. Approximately twenty judges were present, two of whom are presently licensed for Scotties--Dennis Barnes and Betsy Dale. Using our standard, Cindy discussed problem areas, safe sparring techniques and its purpose. She presented those interested in obtaining their license for Scotties with our Clarification and other hand outs.

4) A thank you letter from the Bull Terrier Club for our support on the AKC action to disqualify a dog from obedience trial because of "change by artificial means". The tail was removed to prevent repeated infections.

RECORDING SECRETARY'S REPORT: Helen Prince reported the following:

1) The proposed Reformatted Standard sent to the American Kennel Club was not acceptable; therefore, the matter will be referred to committee. There was no membership vote at this time.

2) 419 ballots were returned by the June 14, 1991, deadline, for the vote on changes/additions to the Constitution and By-Laws. All fourteen (14) changes passed with 2/3 affirmative votes (281). Copies of the tally are available from the Recording Secretary.

3) The Board vote by mail to rescind the motion to charge members for the 1991 Handbook passed, with 1 Nay. The membership will now receive a copy of the 1991 Handbook at no charge.

Members who will receive the 25 Year Pin at the Annual Meeting in October are: John and Barbara DeSaye, Jeanne Heyder, Barbara Kingbury, Mrs. John Little, Marilyn Meador, Louise Simon, and Bert and Ruth Tryon.

TREASURER: The report as sent by Robbie Robinson to the Board was reviewed. Several questions were raised regarding committee expenses. The treasurer stated that he often does not receive itemized reports so he could not clarify the questions. **Motion - Prince/Zollinger** that all committee income and expenses **MUST** be reported and go through the S.T.C.A. Treasurer. **Passed unanimously.** This will be added to the SOP.

Robbie stated that the job of Treasurer was becoming more than one person can handle. He felt that we should look into having a firm do our books. Robbie and Mel Musson will bring information for our consideration in October.

The Treasurer said that there seems to be confusion among the membership when dues notices are returned and many people overpay or do not indicate what the extra money is for. Helen Prince volunteered to come up with a re-wording of the dues notice. Robbie also noted that several members have complained that they did not receive dues notices, or else misplaced it. It was the consensus of the Board that the Winter Issue of the **BAGPIPER** will include an insert on **colored paper** to remind members that dues are payable by March 1st, with or without the notice! The name and address of the Treasurer will also appear on this notice.

A.K.C. DELEGATE'S REPORT: President Betty McArthur read the letter of resignation from Dr. Kirk, which the Board regretfully accepted. Per vote of the polling of the Board (12 yes, 1 nay), Mr. John Sheehan, Minnesota, was appointed to serve as Delegate until the election in October. John's name has been sent to the A.K.C., and he will be present at the September meeting.

A.K.C. minutes from the June meeting were sent to the President. Ed Watkins, A.K.C. Delegate from Catonsville K.C. and Board member, noted some items from the last two Delegates meetings of interest to our club:

1. The A.K.C. now has inspection teams to investigate puppy mills.
2. The A.K.C. is keeping current with the San Mateo situation.
3. There has been money set aside, \$30,000, for scholarships for two people. Further information will be available when the criteria is set.
4. The turn-around time for dog registrations is now 6 days.

SELECTED COMMITTEE REPORTS

Annual Awards: Nominations were reviewed and recipients were chosen for the Gaines Good Sportmanship Medal and the Silver Service Medallions.

The membership has also been notified that we are seeking a new sponsor for the American Bred Dog Trophy beginning in 1992. **Motion-Watkins/Krause. Passed unanimously.**

Raffle - 1991: Ruth Ann Krause reported that sales were going well, and ticket sales to date had more than covered expenses. Co-Chairs Bob and Janet Ward deserve many thanks for the hard work they have done. However, in using the Bulk Mail to send out the letters, they were told by

Names of persons whose applications were received since February were reviewed. Three applications were incomplete and the names cannot be published. The applications will be returned. **Motion Prince/Seelbach** to publish the remaining names in the next **BAGPIPER**. Passed **unanimously**.

STC OF UTAH

Judy Allan, secretary, 150 W. 4800 South #4, Murray, Utah, 84107

The STC of Utah
now has a
classy logo.
Here it is!

We've been busy handling concessions at several matches to make money for the club treasury. We worked concessions for the Intermountain Kennel Club match May 5 and also for the Bonneville Basin Kennel Association match. Our treasury is almost \$500 fatter as a result of the two matches. Then May 26, we sponsored an all-breed match at Jordan Park in Salt Lake City and did concessions for it, too! We've been busy.

Our own STC of Utah Mothers' Day match was a lot of fun. There were 20 Scottish Terrier entries. Shirley Fryer judged sweeps and Donna Erskine judged regular classes. Kim Kight & Ann Wallace donated trophies, beautiful plates with our logo painted on them and trimmed in gold.

Winners were:

Best in Sweepstakes and Best of Breed: CARROSEL'S HE'S COMING TO DINNER, owned by Ann Wallace.

Best Opposite Sex in Match: DONNARY'S HASEN YEBAKNIKI, owned by Judy Allan.

Members Judy Allan, Cathy Kanna, Kim Kight and Ann Wallace represented the club at the National Rotating weekend in Los Pasadena. They met the STCA officers and Board, and, in general, had a lot of fun and made many new friends.

On the agenda for coming months are handling classes, a terrier trial and grooming sessions.

Ken McArthur and Lynn Kelley led the Club's grooming seminar June 29 at Mike and Candi Serrano's in Galt. It was a hands-on program with Ken and Lynn working with each participant individually. After the grooming, Candi was ready with a spaghetti/meatball luncheon.

The Club's match will be July 28 in Fremont. There will be a potluck lunch featuring BBQ chicken.

SFBSTC is proud of the beautiful club logo that Dick Eglin constructed from wood, then painted. Watch for it at our special events.

The Scottish Terrier lost a valuable friend and one of its staunchest supporters with the passing of Tanya Garza. She joined SFBSTC in 1979, and few people realize the work she did promoting the breed, directing novice exhibitors and networking with rescue programs. The SFBSTC fall specialty will be dedicated to Tanya's memory.

It will be Sept. 14. Judges will be Tony Gruda, sweepstakes; and Evelyn Kirk, regular classes.

Three rescues were reported in the Club's May newsletter. One dog had untreatable cancer and couldn't be saved. Another, 8-year-old Maxwell, had been turned over to the Monterrey Humane Society "because he had an odor." The smell turned out to be an infected ear from an untreated cut. The other two-year-old Scottie had had an improperly set broken leg. Thanks to the special friends of Scotties who helped with these rescues and who are not even members of our club: Linda Garcia, Elke Barnett and Paul Vaughn. SFBSTC also thanks Sandy Rosenfeld for his generous donation to the Scottie Rescue Committee.

An adorable 18-month-old male, Scooter, was badly injured and required major surgery. To defray costs, the club had a special "Scooter Raffle" at the June grooming seminar. Prize was a Sony Walkman.

STCM is proud of the 12 champions that members finished during the last year. They were announced at the club's awards dinner April 20. There was a good turnout: about 45 persons. Guest speaker Dr. Elsa Beck talked about cancer in dogs. Centerpieces were heather and were raffled off along with items donated by Mary Jane Jueckstock.

We had a super match June 9 at Paul and Connie DeBene's. We again had an obstacle course, and the Scotties did an excellent job. The coveted (?) obstacle challenge trophy went to Lt. Bob Weitzel and Max. Judge Jean Gibney selected the following winners:

Best Puppy: SANDGREG'S MISS PATRIOT, owned by John and Barbara DeSaye.

Best Adult: SANDGREG'S RUBY TUESDAY, owned by Mary Ruddy and Barbara DeSaye. STCM is hard at work on our Sept. 7 independent specialty. It will be at the Holiday Inn-Southfield with Sue Martin, show chairman. Sweepstakes judge will be Dee Carter, and regular class judge will be Nancy Fingerhut. Special feature of the specialty will be an obedience demo. Winning ticket for our Margie Cooke raffle painting will be drawn there. It is a beauty. All who have seen it say, "I want to win this one." The wonderful fall picture shows Scotties looking at a scarecrow, seeming to wonder, "Where is his face?" Net raffle proceeds will go to Michigan State University vonWillebrand's research.

Fundraising for Scottish Terrier causes is a continuous STCM effort. Our ways and means committee has something for everyone for sale: from whelping books and grooming manuals to raspberry leaves, stripping knives, pedigree blanks, hand clippers, dog toothpaste and brush, Scottie wrapping paper, note pads and stationery. Contact Lill Martin, (313) 978-0989 or Cathy Martin, (313) 264-7126 for a shopping spree.

Another fundraiser this summer was the STCM flea market June 29 and 30, with Mary Ruddy, chairman. We also had a Golf Challenge, with half the proceeds going to the winner and half to VWD research. To help the new Tampa Bay STC's VWD effort, we passed out tickets for its raffle of a lovely antique Scottie statue.

The new Scottish Terrier Club of Michigan Cookbook will be published in early 1991. If you would like to have a recipe included, please send to Cynthia Wallgren, STCM fund raising chairman, 2281 Manchester, Birmingham, MI 48009 or to co-chairman Carole Plott, 5633 Dexter-Pinckney Road, Dexter, MI 48130.

Many thanks to all who sent in compliments on our new TARTAN format. Recording secretary Joanne Kinellely has a new "toy," a computer which does almost everything except strip a dog. She volunteered to set up the TARTAN.

Before the heat turned on in Texas, GDSTC staged its annual match, this year in early May at Fritz Park in Irving. Col. Joe Purkhiser, a licensed AKC judge and Smooth Fox Terrier breeder, judged the match.

Winners were:

Best Puppy in Match: TARDUN TEA-TIME AT HASSELMERE, owned by Jeanice Ronden.

Best Adult in Match: WHISKYBAE ANGELICA, owned by Theresa Thomas and Carla LaCoe.

Judges have been selected for the 1991 GDSTC specialty in March. Pending AKC confirmation, they will be Barbara DeSaye for sweepstakes and John DeSaye for the regular classes.

Judges' critiques are always interesting. Winners for the Dayton club's specialty were reported in the last BAGPIPER, but readers might be interested to hear comments made by the judge, Alan Gill of Yorkshire, whose family has bred Scotties since before 1900. Mr. Gill stated: "My overall impression of the breed was very good, but going over some of the exhibits, I found they were not as low to ground as I would have liked, and some had narrow fronts and protruding elbows which are faults that breeders may wish to consider in their future breeding program."

The June STC of Greater Dayton meeting was a special one at Ronsara Winery in Lebanon, Ohio. Van Jones, an expert on Scottish Terrier collectibles, was invited back for a repeat performance of an earlier program--with new and different items from his extensive collection.

Winners were:

Best Opposite Sex: AMESCOT'S WILD IRISH ROSE, owned by Carol and Harold Ames

STCNE dedicated its 1991 specialty to the memory of former member Marjorie Guppy. The club also honored the memory of another loyal worker, Eino Reida, with a special ad in its catalogue. The specialty dinner was at Horsefeathers in Marlboro, MA. What a menu! Just reading it might make you sorry you missed our specialty. There was a cheese/fruit tray of Brie en Croute, Doursin Jarlsburg, Vermont Cheddar with Bremmer Wafers, then carved Honey Ham with Dijon Mustard Sauce, Lobster Newburg over Timbale Shells, assorted veggies, and finally a devilish rich Chocolate Truffle Cake.

The club's match April 14 was judged by Barbara Watson. It included a fajita spread prepared by Donna Cone, plus races, go-to-ground and an obstacle course.

Winners were:

Best Puppy: SPARWYN WHO KNOWS, owned by Deborah Mackie

Best Adult: NUTMEGS DEVILISH PRANKS, owned by Susan Fleming

Four new perpetual trophies will be offered to STCNE members beginning this year: two Evergreen Memorial Trophies, in memory of Marge Guppy, one for most wins from the puppy class and one for most wins from the Bred-By class; the Eager Memorial Trophy, in memory of Eino Reida, for most Best Opposite wins; and the Marge Guppy Mentor Award, with the breed.

Tidbits from the special program STCNE sponsored earlier in the year by well known canine behaviorist Ray McSoley: Training sessions should be short (about 15 minutes). Dogs prefer situations where they don't have to make choices. Each animal has an ideal level of correction, but most owners fail to recognize that level. The happiest dogs are the ones who have had limits set, and they gain confidence by knowing the limits. A dog that is out of control shows an owner that is out of control. Special points to remember: Set limits. Be in control. (And you can never successfully gain control through punishment.) Be patient.

Lots of fun was had by all at the club's picnic in May at the home of George and Bonnie Casely. It was the second annual STCGW agility fund raising trial.

The club's Go-to-Ground trial was June 2. In preparation for it, there was a practice one Sunday each month at Richard and Letty Passig's home in Gaithersburg, MD.

The club's new "Visiting Scot" program is being spearheaded by Kendra Lovette. Members of STCGW will be visiting Powhattan Nursing Home in Falls Church, VA, with their dogs one Sunday each month.

The STCGW specialty will be Oct. 11. Show chairman is Nancy Bamford, and show secretary is Ian Bowie. The club is excited about the brace class that will be offered and plans to have a "local class" as a special attraction again this year. Judges for the specialty will be Gary Carr for sweepstakes and Dr. Gerard Penta for regular classes.

Members learned about canine cataract surgery at the club's April meeting. Dr. James Campbell of Blue Cross Animal Hospital gave a multi-media presentation about the new Phaco-emulsification technique for cataract removal. Surgery can be done on an out-patient basis with the dog returning to a normal lifestyle within a few days. The technique utilizes ultrasound energy to finely vibrate a needle which emulsifies the cataracts. The eye is opened about 1/16-inch, and the vibrating needle is inserted through this tiny opening. As the cataract is emulsified, it is suctioned out through the center of the vibrating needle. Cost of the surgery is minimal. The dog's eye heals faster with less corneal damage, less irritation to the eye and less sight distortion.

The club's annual Black and White Terrier Sanctioned "B" Match was May 11, in conjunction with the Kentucky Scottish Weekend at General Butler State Resort Park, Carrollton, KY. Dan Stickler was match chairman, and Marvin Burton ring steward. Tonna Hines, Dalton, Ohio, judged. There was an entry of 20, and highpoint was seeing the beautiful eight dogs in the Parade of Champions and hearing about their achievements. Craft boutique sales were tremendous due to a beautiful display and the hard work of craft chairperson Helen Curts. Everyone was well fed at a delicious potluck lunch. Best in Match was TIVOLI BLAIR CASTLE, owned by Doreen Scott.

In May members and their dogs also enjoyed a Go-to-Ground. Bluegrass Terrier Association members, Dan Hamlin and Lee Griffin, explained the history, goal and procedures of terrier trials and working terriers. Tunnels were placed in the Sticklers' backyard where Dan's Jack Russell showed the Scotties how the fun came about.

New officers were elected in June. They are Leslie "Dan" Stickler, president; Carolyn Williams, vice president; Ed Leab, treasurer; Carolyn Sweazy, secretary; and board members Donna Cambron, Maxine Stickler and Joe Williams.

James Reynolds will judge the regular classes and Christine Cook sweepstakes at the STCGL annual specialty Aug. 24 in Hurstbourne.

Specialty weekend in Pasadena was more special than usual this year. Great Western Terrier Specialties, in celebration of their 25th anniversary, hosted two days of terrier specialties June 21 and 22. More than 1,600 dogs entered the Saturday show. For Scotties, it was the 58th annual STCC specialty Friday, followed the next day by the STCA Rotating Specialty. Results of the STCC show follow, with the Rotating winners appearing elsewhere in this issue.

Judge Dan Kiedrowski had to have an early wake up call with a Sweepstakes entry of 57. GLENBY'S ROYAL VIKING, bred and owned by Christine and Fred Stephens was his choice as Best in Sweepstakes, from the 9-12 month class.

Swedish judge Britta Roos-Borjeson might have had a little more sleep, but with a total entry of 116 in the regular classes, she had a full day's work.

STCC strongly encourages entries in the Bred by Exhibitor class and is proud to announce that the first place Bred By winners were:

GLENBY'S TYPESETTER, a dog bred and owned by Christine and Fred Stephens; and BOULDER LEGEND KATE, a bitch bred and owned by Tim and Patt Bennett.

Mrs. Roos-Borjeson's winners follow:

WD/BW: GLENBY'S ROYAL VIKING, owned by Christine and Fred Stephens

RWD: SUNRISE WINDJAMMER OF WINWAR, bred by David T. McVay and owned by Margaret Vinciguerra

STCWV's 27th annual specialty will be Sept. 20, in Lynchburg, VA. Our specialty will be at the Homebuilders' Center, a spacious, air-conditioned site that offers ample room for grooming and a large ring. Show headquarters will be the Holiday Inn, Lynchburg, just five minutes from the specialty and the same from the Sunday Lynchburg K.C. show. Sandwiched in between is the Danville K.C. show Saturday, just an hour from Lynchburg.

Sweepstakes will be judged by Tom Natalini, and the regular classes by Sandra Gooße Allen. A crafts table full of Scottie items will be at the site. We are featuring a parade of champions with rosettes for all participating. Parade proceeds will be contributed to the on-going VWD research at Michigan State University. Why not honor one (or more!) of your champions and help the breed at the same time?

Specialty dinner will be at the Holiday Inn, with a silent auction and a dinner talk by Dr. Katherine Settle, who has worked with canine reproductive problems and aided several club members.

Please join us in September. For more information, contact Evelyn Kirk.

The club's May 5 match was a success, in spite of threatening weather. The entry was small, but formidable for judge Jaime Ashby, with Alice Dawson showing her bitch GAIDOUNE BEARS REPEATING to Best in Match. A second match sponsored by Greensboro Kennel Club followed that day and was entered by many of the club's Scotties. Immediately after the matches, Jeanne and Doug Robinson hosted the STCWV meeting at their home in Greensboro. It was complete with hamburgers off the grill.

BOB: **CH. STARBELLE DIAMOND LIL**, owned by Damaris Batch.

Three dogs have been rescued during June, with one more yet to come. It's a long way round for some dogs! Biscuit, a 4-month-old male was rescued in Santa Fe, NM, by Connie Koval, who first contacted Marion Krupp in Pennsylvania. Marion referred Conni to Dennis Milewski and Caryl Alten, who made arrangements to place the puppy with a family in Glen Ellyn. The weather was much too hot to ship Biscuit, so his new dad, Tony Aris, drove to Santa Fe to get him. That's Scots' Love. Biscuit, now named Tyco, is living happily with Tony and Michelle and three other dogs.

Ernie, now sporting the name Kirby, came to Rescue after scratching a child. He is now living with Nancy Davis in Chicago and is truly the light of her life.

Brenna, a six-year-old female, came to Rescue after her family said that either we had to place her or that she would be put to sleep. Brenna was not particularly fond of children, and her owners were afraid that she would bite their grandchildren. Brenna will go to her new home in Indianapolis, IN, June 27. Her new family will be Charlotte Halsema and her two-year-old Scottie female.

CHAPTER THREE A LETTER FROM GREGORY

Jerusalem, May 13, 1991

Dear Marlene and Eric:

I am in a hurry to inform you about the dog show we took part in. We couldn't find anyone who could give us a lift to the show. It was rather far from us 100 km (about 60 miles). The only way out for us was to take a taxi there and back, because two crazy people couldn't live through the dog show not going there. Everything was on the nerves - the taxi did not come in time, but thank God we were not late. And also - another misfortune - when we trimmed our dogs and they were half done the clippers were broken. Oh Lord! I went quickly downtown to the repair shop, but unfortunately they couldn't do it, rushed to the pet-shop - not on sale, another shop - not on sale. So, you should understand what a breeder should feel before the show with half done dogs. We used all our skill and finished the job with the help of scissors (thank God, we have a lot of them). Well, we came in time. It was a special terrier show where they "sentenced" the title "The Best Terrier of Israel 1991". The chief judge was invited from Dusseldorf. I think there were about 200 dogs at the show. I was mostly interested in Kerry-Blues and of course Scottish Terriers. There were about 20-25 KERRIES. I show my bitch and she got her CAC. She was the first among the bitches, but the dog got BOB (he was imported from Holland). Alright, let's walk to the Scottish Terrier ring. I wrote you that I wasn't satisfied with the level of the breed in Israel. Perhaps, better to say they are not of my type. There was a dog (5,6 years old) imported from England (Reanda). Maybe you know the kennel it is one of the oldest in Great Britain. He is much better than the others. There was a dog (1 year) from Italy and the rest "house made" Scotties. It wasn't very difficult to win for our Dixi. But it didn't bring satisfaction - better to be the last in a strong ring, than the first in a weak one. She got her CAC and BOB, and we went to the ring to continue our competition for the best terrier. It was a long procedure, besides the dogs very tired, and believe me it wasn't cold outdoors, but the judge did the job very attentively and very slowly. At last - hurrah - our Scotty won the title "THE BEST TERRIER OF ISRAEL 1991". She got her golden cup and the show was over.

Marlene, what was at the show on May 5th in New Jersey? Please write, everything is important and interesting for us. What about your puppy? Have you seen Tom Natalini or Jackie Seelbach? I got your parcel - thank you very much. "Bagpiper's are interesting - a lot of good Scotties.

Hellen joins me in sending her love.

Yours,

Gregory Suskevich

EDITOR'S NOTES

Not everyone who had paid for first class delivery of The Bagpiper got first class delivery. We checked with the mailer and he said that the people employed to label the mail do well as long as their work is done by rote, but if they have to think they run into difficulties. Heretofore only about ten percent of the quarterlies went by first class mail. Now, however, about forty-five percent of the members and subscribers have opted to pay for first class delivery, which means that it would be impractical to maintain just one mailing list. We will have a first class list and a third class list. That should make it easier for the mail to be sent out by the class paid for.

BLEND OF NEW AGE CONCEPTS IN ANIMAL RIGHTS MOVEMENT!

The Houston Chronicle's religion editor, Richard Vara, had an article on the radical animal rights movement in the July 27 issue of the paper, in the religion section. He reports that these people have blended hinduism, Biblical injunctions and New Age Christianity into an ethic that is the driving force in that movement, and gives it a philosophic fervency. Some of them believe animals have souls, and about that they may or may not be correct. They do not, therefore, accept the standard view that mankind is really the steward over them, or that animals are subject to man and his needs. That leads them to look upon the "keeping" of animals as pets, or as food animals, or as draft animals as being unjust, immoral, cruel, akin to slavery, and that the natural rights of animals are therefore violated by anyone who "keeps" animals for any of those reasons. That is the driving force of the movement although it is unlikely that everyone in it would admit to the extreme views, or everyone of them, anyway.

The movement has not addressed itself specifically to any pure breed except dogs, so far. They seem to see a particularly immoral evil in the breeding of purebred dogs because it promotes the "keeping" of dogs, and because dogs handicapped by genetic faults are being bred. There is no denying that almost every purebreed perpetuates unhealthy and limiting genes from long ago mutations, and while much of that is due to people being unaware, some of it is done knowingly.

The radicals have built much of their support from people who think and feel that dogs should be treated kindly, but who do not believe in the most radical views of these organizations, nor in their pseudo-religious ethics, because they first took up the causes of the many dogs put down in dog pounds, and then attacked the use of dogs and other animals in laboratory research, not all of it done for medical aims, and much of it quite cruel. And only lately have they begun public advocacy of their radical goals. The organization in Houston claims something like two thousand members. Nation-wide they are claiming 350,000.

Their first successes have been in California. Houston has been targeted for perhaps the first outside that state. They are out to discourage breeding by setting the licensing fee for dogs which are breedable at \$250.00. One would think that they would not succeed, but they have secured a councilwoman to sponsor the ordinance.

Also, the Astrohall Series of Dog Shows were reportedly on a list of shows at which the radical movement would make some demonstration, and the fear was that they would try to open cages and release dogs (which for the dogs would be release into pandemonium). Whether there was anything to the report will be known before you received this issue as those shows were August 8-11. The report did lead to the Astrohall shows taking unusual security precautions, including barring all but exhibitors with identification as such from going into the grooming areas.

While countering the attacks upon the concept of purebreeds, we must recognize that while none of the movement's darts hit the bullseye, some do hit the target. When they speak of the great number of animals put down each year; when they complain of many dogs being mistreated by owners; when they complain about animals being used in experiments in such ways that they are pained, injured or killed they cannot be gainsaid when the experiments are for trivial goals, such as cosmetic development. (There surely are enough cosmetic formulas sufficient for any human need as it is.) Nor can we argue with them about careless, indifferent

breeding. In fact, we of the dog world, have been complaining of this since our sport began. We should report mistreatment of animals to anti-cruelty agencies; we should support private anti-cruelty agencies, financially, anyway; and we should support research that could help un-do the breeding practices of the past which fixed genetic faults into our breeds.

And, it would seem that governing authorities over pedigrees and dog events, the guardians of purebreeding should, give us some clearly stated code of acceptable breeding practices.

Additionally, all our local clubs need to have ongoing promotion of humane care of dogs, especially as pets, but of dogs also used in competitive events. A good many people really do not understand that. And, we need to remind people that it is not everyone who is suited to own a dog, or have one in his care.

In the meantime, prepare for the onslaught of the radical animal rights activists, and brace yourselves for a fight. They are marching your way.

STCA members attending Montgomery County will be staying at one or another of four hotels. Those members who will have dogs there are reminded of the several reports and expressions of opinion about the unfortunate loss of the Hilton Hotel used last year. Barking dogs and the embarrassing incident on the elevator lead to that loss. There are few hotels to turn to if we lose any of the ones being used this year. The rules are plain, and they must be adhered to. See that your dog(s) get adequate exercise, not only to eliminate bodily wastes, but to wear off some energy. Unless you are quite near an outside door, carry your dog, either in your arms, or in a cage on a dolly, outside. Don't leave your dog(s) very long in your room, alone. When they are to be alone make sure that clothing that bears your scent is near enough to them that they may have assurance of not being abandoned. If you are going somewhere that you can take a dog, take you dog(s) along. When they are left alone get back early enough that if your dog is a barker he won't disturb anyone's sleep.

Again, follow the rules, where your dogs are concerned, to the "T". If the rules seem too strict, find some other place to stay, or don't bring a dog.

Members should read the minutes carefully. There are several items in them that they would find interesting and useful.

Additionally, the president's letter and Carole Owens letter, discussing the same subject should be read, thoughtfully. The subject of each is the new membership sponsorship form.

Sponsorship should be more than pro forma we would all likely say. Many people have signed on as sponsors without really knowing the applicant. Some have only just been introduced. One cannot vouch for an applicant on that basis. That, however, was very much the way it was with those who sponsored your editor.

When Mrs. Gilkey offered to sponsor me, she had had a letter or two from me, and had only met me because I was at her home in New Mexico to pick up a puppy. She was, in fact, getting out of Scottish Terriers at the time because of a tragic event in her kennel. A month or two before the granddam of the puppy I purchased had had to have a C-section. The next morning the kennelmaid found the bitch lying with her innards spilled out on the floor. Mrs. Gilkey blamed the veterinarian for the mishap. She doubted his ability, and she doubted his concern, but he was the only veterinarian in the town. She prayed about the situation, asking for Divine guidance. When she began getting a spate of calls from people who were wanting not only puppies, but grown dogs as well, she took that to be Providence telling her to close down her kennel. So, she did. However, it was not so long a time before she was back into the game, with

Brittanys, a breed that was represented on the place at the time of getting out of Scotties by two she had purchased for her husband. It will be remembered that she, and her husband after her death, had a quick success in that breed.

Brittanys were her third breed. She had started off with miniature poodles, four of which were still the house dogs. (There was one other pet in the house, a minah bird which kept calling out, "Call the dogs, Pancho!")

In any case, Mrs. Gilkey's offer was not misplaced. My supposition is that that pretty much describes the way many members came to be sponsored. I have, however, come to believe that we have some members who really are in the puppy mill category in that they breed frequently without taking an interest in "the betterment of the breed".

A Standard Review Committee has been appointed by the Board. There is information about the committee in the minutes and an announcement card in the gazette section of this issue. The committee will consider any written views which members of the STCA send to the committee. It is likely that there will be some agitation surrounding this project. There always is when the standard is up for review, but that can be a very creative atmosphere. If done civilly, with reasoning, there is no call for becoming alarmed. A little controversy now and then is a good thing.

A situation has come up that suggests a possible new function that The Bagpiper might perform. A non-Scottish terrier person who collects out-of-print books on dogs has a copy of Dr. Ewing's *Book of the Scottish Terrier*, a first edition. She wrote Merle Taylor, after reading one of his columns in the AKC gazette, offering to sell it to the highest offer, but not for less than \$45.00. As it is established club policy not to take ads from non-members, we cannot relate the information. But the incident raised the thought that it could be a service to members to have a section in which members could give notice of an item or two that they would like to sell or exchange.

VIGNETTES OF OUR SCOTTIES

by Helen Malzacher

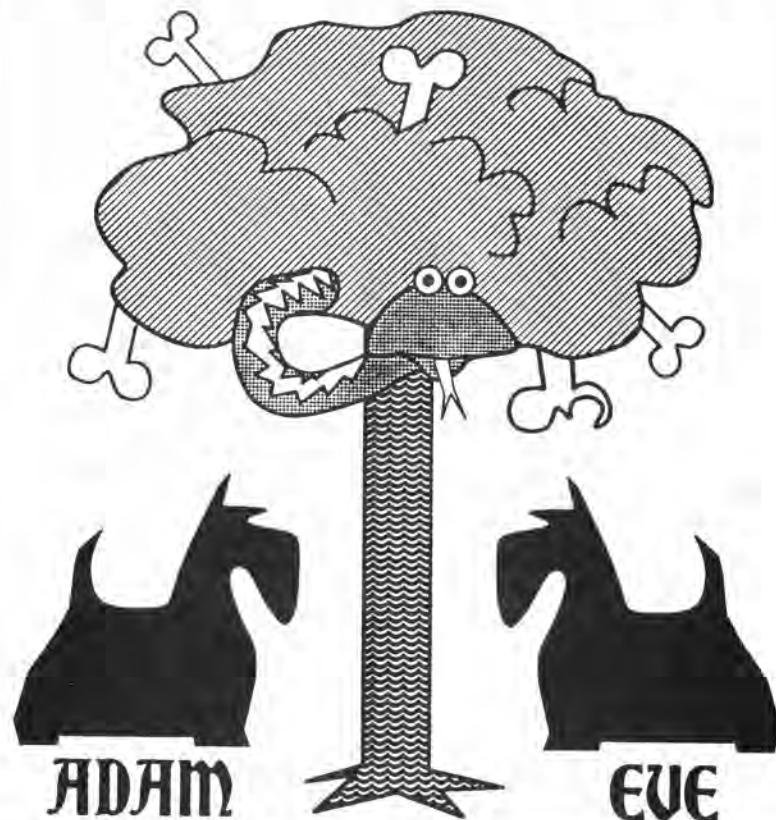

This summer Helen locked herself out of the car while she was at the grocery store (*#@&!!). Even the local police couldn't break into the car. So she called a friend to pick her up and take her home where there was another set of keys. Since it was home and back again, they put the groceries in the car, and then left them in the foyer till Helen got back with the car.

Well, the groceries in the foyer were too much for the Scotties. Adults and puppies alike, let themselves into the foyer and of all things, selected the watermelon! They ate about a quarter of the melon and played with the rest. One of the games must have been seed spitting, because there were seeds in four rooms.

The Scotties enjoy playing a king-of-the-mountain game on card board boxes. When a downpour drenched and flattened the boxes the Scotties spirit was not dampened because there was now a new game, tear-apart- the boxes. DAO was the best at the new game. But when the game was over poor DAO couldn't open her mouth. She lodged the wet cardboard so tightly between her front and bottom teeth that they were stuck together. Nothing could get her mouth open. Soooo off to the vet.

Well in his 40 years that was a first. (Our Scotties hold a record for "firsts" with the vet.) He tried some of the same things we did but the jaw would not budge. Then he administered a sedative and DAO's jaw relaxed enough to pop it open. HURRAY!!!! We all needed to relax a bit after that one.

OBEDIENCE

It is with regret, we are not having any obedience activities over the week end of the Montgomery show. As I plan to attend the Scotty activities this week end, hopefully the obedience members will be able to have a GET together some time over the weekend, to discuss our future obedience plans.

I would appreciate in hearing from any obedience member, who might enjoy sharing your different experiences, either in the ring, on a trip or some thing that happened at home, to publish in the Bagpiper. We would love to hear from you. By the way I attended a Seminar presented by one of the top obed trainers in England. He certainly obtains results, with a very gentle hand with the dogs. Believes in having a happy dog who gives their attention to you. Hates the prong collars. However, many of his training methods are like what we use. Stresses lots of play between exercises to keep dog happy and attention on you. Good illustrations of left and right about turns, which can also be worked into ones figure eights. Mr. Robert Harlow is a very pleasant chap and a joy to work with. There are many other points, he made, of interest in so far as dog training. He loves his work and it shows.

LETTER TO THE EDITOR

Dear BAGPIPER editor and STCA members:

I am very concerned about the new membership application procedure that has been drawn up and adopted by the STCA Board of Directors. It is an elitist proposition that will hurt the Scottish Terrier breed over the long haul. In this day of anti-dog sentiment like that expressed recently in San Mateo County, CA, the club should be exhausting every avenue to educate anyone who owns our breed. How can we possibly hope to influence owners whom we restrict from membership?

The first the general membership knew of how restrictive a possible new membership procedure would be was when it was "a done deal." The only tips to members that a membership application revision was in the works were in the Fall, 1990, and Spring, 1991, BAGPIPER, and were limited to one brief paragraph in each issue.

Each STCA member received a copy of the new application requirements in early April. The three-page sponsor's questionnaire was not even included. To see it, you had to specially request it. Its request for pictures of the applicant's home reeks of the very thing American employers are prohibited by federal law from doing: requesting photos of applicants.

The way the STCA gets its members is a matter that is critical to the club. It is a matter which should concern every member. The general membership deserved to be told why the Board was not satisfied with the old procedure. The membership deserved to be consulted for input. At the very least, it would have been a simple matter to have sent the proposed membership procedure to the regional clubs for their consideration and comments BEFORE the Board voted to accept it.

I personally think a matter of this magnitude is one that deserved input from the entire membership. The Board could have inserted an article in the BAGPIPER which goes to every member about why the Board thought these changes were necessary, with a copy of the proposed procedure and an invitation to the general membership for suggestions, comments, criticism, evaluation.

The 14-member Board of the Scottish Terrier Club of America is NOT the Scottish Terrier Club of America. Board members are our elected representatives and owe it to their constituency to consider what the folks back home think, just like a U.S. Senator or Representative does.

I feel so strongly about the fact that the Board ignored an important step in the revision process (input from the membership) that I sent a letter to each officer and member of the Board of Directors on May 15, 1991, asking them to put further consideration of the new membership procedure on the agenda for the Board meeting in June. One STCA member who asked to address the Board in person on this subject was told that Board meetings are closed! I sent this same letter to presidents of all Regional Clubs at the same time, asking clubs to consider the new procedure and take action if they deemed it desirable. Then on June 7, 1991, I also mailed the above letter to about 100 more STCA members, asking them to express opinions on the new membership procedure to the Board before the June meeting. Time was so short that there were only 10 days from mailing of this letter until the time the Secretary had to receive letters to include them in the Secretary's report. Response was rather phenomenal. About 30 of the 40 letters the Board received from individuals and Regional Clubs before the June Board meeting came as a result of that mailing of June 7. To have a response counted, any of the persons who answered had to do so almost instantaneously upon receipt of the letter. Many replies were even FAXed.

I urge each of you reading this letter to refer back to the new (but incomplete) membership requirements and application that you were sent in April and to compare them to the old membership procedure which they superceded. Please be sure to request the new three-page sponsor's questionnaire from the Secretary, or you will not know what that entails!

Chelsea is shown finishing her championship under respected judge Mr. Roger Hartinger. In addition, we would like to thank the other judges who found her worthy:

Mrs. Michelson (3 pt. major, BOW) B. Keenan (5 pt. major, BOW)

Last but not least we want to thank Ray & Olwyn Hawkins for breeding this fine Scottie bitch.

(cont'd from page 58)

Then I ask you to compare the tone and content of the new application procedure with what is set forth in the Constitution and By-Laws of the Scottish Terrier Club of America in Article I!

Buzzword of some of the Board proposing these membership procedures is "quality" members. President Betty McArthur has stated: "Membership to the STCA should not come lightly. It should be earned. It should be select."

I ask you to evaluate yourself as an STCA member. Do you consider yourself a "quality" member? Would the STCA Board also consider you a "quality" member who deserves STCA membership?

I would imagine that many of the members who are currently hard workers in both Regional Clubs and the STCA joined the STCA in the same way I did:

1) With sponsors who might not have known them on a long term basis. (Mine, Louise Ellsworth and Kathi Brown had not even met me, and certainly did not live in my geographical area! I live in the middle of West Texas, 300 miles from the nearest Regional Club.)

(2) As pet persons who got interested in all the rest of this crazy hobby AFTER joining STCA, or simply remained pet persons who have learned more about the breed and have become good ambassadors for the Scottish Terrier as a result of STCA membership.

Think back if you will. What was your own level of involvement when you joined STCA? Were you a novice, or less? Had you known your sponsors for at least two years?

By the time you read this letter in the BAGPIPER, I hope that you, and the rest of the membership, will have acted to give the STCA Board further direction on the important matter of membership and sponsorship requirements.

Sincerely,

Carole Fry, Owen

JUDGES CRITIQUE - 1991 ROTATING SPECIALTY

It was an honor to have been asked by the Scottish Terrier Club of America to judge the rotating specialty held in conjunction with the 25th Anniversary of the Great Western Terrier Specialties. The day was cool, the sun bright, the ring shaded by trees--altogether a lovely setting for the entry of 120 Scots. I appreciated the large entry as this does give a judge an opportunity to go over a number of dogs and to get a feel for the direction that our breed is moving toward.

Several points stood out very clearly during the day: the conditioning and the presentation of the dogs was very good and the overall quality of the animals was the best that I have seen in some time. I like to see a Scottish terrier that fills the picture that I have in my mind of what a Scottie should look like, according to the Standard, and on this day there were a number of Scotties that filled that--small, dark and almond shaped. I was afraid that we were losing this eye and it is good to know that this trait, along with well set ears, is not being lost in our breeding program. Wide set ears and a roundish eye will not give your Scots the proper "varminty" look. As usual, front ends could use some improvement. The judge should be able to place his or her hand (all four fingers) between the front legs. The chest should fit into, and fill, the hand without the dog having to lift either leg.

My Winner's Dog and eventual Best of Winners's came from the 9 to 12 Puppy Class. Chris Stephen's GLENBY'S ROYAL VIKING was shown in absolute top condition by his owner. When this dog came into the ring his presence and keen look demanded attention and I knew immediately that this was a dog that was going to be hard to beat.

I started judging the bitches after lunch and had my work cut out with 59 entries. Again, the overall quality was very high and it was a difficult decision to pick a winner. As with the males, my winner came from the Puppy 9 to 12 class, FINNVARRA REX COEUR ILLUSTRE, handled by Bergit Coady and owned by Elaine and Lawrence Carrington. This young bitch, with her wonderful ear set, presented in top condition, caught my eye with her sparkle and seemed to ask for the win.

The Specials class with an entry of 17 dogs and 12 bitches made an impressive sight as they made their way around the ring. Ch. Brookhill Morning Edition, owned by Marjoire Carpenter, could not be beat on this day. She was in great condition, showed like a trooper, and presented to me the complete package of what a Scottie should look like. BOS went to Ch. Kentwella Solo of Gaywyn, shown and conditioned by owner Sandy Lehrack. Again, every inch of what you would want in a Scottish Terrier.

I would like to thank the STCA for this judging invitation, Peggy and Jerry Burge for their ring stewarding expertise, and especially the exhibitors for the wonderful entry. Donn LaVigne and the members of the STC of Southern California deserve a big hand for all of their work. Of course, God gets a hand too, for providing the wonderful weather!

RUFFLES BUSY IN SHOW

**(CH. PASSMORE'S GRINGO GOLD -
SANDISSY BELL STAR O MY SCOTT)**

My-Scott Christmas Angel (Ruffles) shown after winning Best of Breed at the Greater Emporia Kennel Club's show May 12, 1991 under Judge Charles S. Deer. Her wheaton daughter, MacDonald's Double-R of My-Scott (owned by Sharon May) went Reserve Winners Bitch.

Plans are afoot for a repeat breeding of Ruffles to Ch. Koch's Rambo of Aberglen (Rambo) this winter since the first breeding (in 1990) produced four wheaton pups and one brindle. Rick Fowler will be "borrowing" Andy to show in Texas this fall.

CALIFORNIA DREAMIN'

By Jackie Seelbach, National Show Chairman

California dreaming became a reality for all attending the June 22, 1991 STCA Rotating Specialty so expertly hosted by the Scottish Terrier Club of California. The Specialty was held in conjunction with Great Western Terrier Specialties 25th Anniversary.

Under the direction of Local Co-Chairmen, current President of the STCC, Tim Bennett, and Donn LaVigne, past STCC President, nothing was left to chance, the smallest detail was tended to. Tim, Donn, and their committees as well as the entire membership of the STC of California are to be congratulated on an outstanding memorable Rotating Specialty weekend. On behalf of the STCA, I sincerely thank each and everyone from the STCC.

Upon check-in to the Monrovia Holiday Inn, each guest received the attractive STCA brochure containing pertinent information and schedule for the specialties weekend. The STC of California also made available several excellent educational pamphlets*. Everyone checking in received a copy of rules each guest was asked to obey along with a request for everyone to be responsible dog owners. Doggy clean-up bags were also supplied by the STCC for all dog owners use. Hopefully the rules were followed and clean-up bags utilized. It would be a tragedy to lose such a lovely, convenient dog oriented hotel.

Everyone was up bright and early Saturday morning, even after leaving the fabulous Hospitality Suite during the wee morning hours. After a quick breakfast, it was off to the beautiful show grounds of Brookside Park in near by Pasadena. Morning hazy skies and cool temperatures were ideal for showing the youngsters in the Sweepstakes.

The Scotty ring remained the same as on Friday for the STC of California's Specialty show. Nothing had to be disassembled or carted home, just tucked away till Saturday morning. Great Western Terriers conducts a contest for Best Decorated Rings. The STC of California went all out and made our ring extremely attractive. Large pots of flowers were placed around the ring, the trophy table was impressively designed around tropical flowers and the sparkling crystal trophies. Our thanks goes to National Trophy Chairmen, Russ and Mary Somma, Local Trophy Chairman, Phyllis Dabbs, as well as Betty McArthur who purchased the crystal and Kay Hevle who helped set the trophy table.

A unique decorative touch to the ring was the STCC's wooden cut outs of Scottie pups in various playful stances, used as placement markers for the Sweepstakes Classes. These adorable markers matched the STCC's Sweepstakes tablecloth. The Scottish Terrierring was awarded 4th place, which we sincerely thank the STC of California.

Mr. John Sheehan, Sweepstakes Judge, and Class Judge Muriel Lee were fortunate to have Jerry and Peggy Burge as Ring Stewards. Jerry and Peggy have the reputation of being the 'dynamic duo' of stewards. This weekend, they also stewarded on Friday, they were twice as dynamic and efficient as they were assisted by their lovely, perky daughter, Danika. Our most sincere thanks to Jerry, Peggy and especially Danika for a remarkable two full days of stewarding. We will be looking forward to seeing Danika in Jr. Showman Classes.

Sweepstakes Judge, John Sheehan progressed through a group of very impressive youngsters. His final choice was a repeat of Friday. From the 9 to 12 Month Junion Puppy Dog Class, John selected Fred and Christine Stephens Glenby Royal Viking. John did an outstanding job, it was evident that he enjoyed every minute of his assignment, his smiles, as he went over the pups, attested to that. On behalf of the STCA, we sincerely thank you John for an excellent job of judging.

Glancing through the thick catalog of Great Western Terrier Specialties (627 pages), proved that Local Advertising Chairman Jeannie Jennings did not sit idly by, she went out and got ads, there was approximately 44 pages of advertising!! I don't mean to imply that our National Advertising Chairman Karey Leichel was sitting home doing nothing. Anyone who knows Karey, knows how far from the truth that statement is. Karey is responsible for soliciting ads from all STCA members, she got out the notices, dinner reservations and general Specialty information. She also did the attractive brochure that every guest received upon check-in. Karey also gets many ads camera ready before submitting them to the superintendent at a substantial savings for the STCA. Jeannie and Karey, please accept the most sincere thanks and appreciation from the entire STCA.

Everything in readiness, Class Judge Muriel Lee, looking very lovely, walked in the ring and began examining approximately 120 well groomed, beautifully presented Scottish Terriers. Muriel, as John, demonstrated by her smiles as she went over each dog, that she was thoroughly enjoying herself. Muriel kept the Scots out of the strong sun by keeping them under the cooling shade of a huge tree above our ring. The moment of truth came when Muriel sorted through her Specials Class, Veteran and Winners. Muriel's nod for Best of Breed went to Champion Brookhill Morning Edition, owned by Marjorie Carpenter, expertly handled by Peggy Ozorowski. "Lola's" breeder, Luis Arroyo was the recipient of the first medallion offered by the STC of California thru the STCA, for the Breeder of the Best of Breed at STCA Specialties. Congratulations Luis.

Muriel Lee selected handsome Ch. Kentwella Solo of Gaywyn, owned by Sandy and Tom Lehrack, handled by Sandy to Best of Opposite Sex to Best of Breed. Congratulations to Sandy and Tom and breeders Miss J. and M. Szczpanek. Best of Winners was a repeat of Friday, from the 9 to 12 Pup Dog Class, Fred and Chris Stephens, Glenby Royal Viking. I don't think anyone envied Muriel having to make the decisions. All the dogs looked beautiful from ring side, and everyone should be extremely proud of their Scots. We sincerely thank you Muriel for an outstanding job of judging, you really did a terrific job and looked great doing it!

Back to the hotel, time to clean up and get back to that fabulous Hospitality Suite that we had been enjoying every evening from Thursday on. It was a true Hospitality room, old friendships were renewed and new ones formed. Our special thanks goes to Felix and Diane Zollinger for the most delicious smoked salmon, everyone enjoyed your masterpiece. The STCC had another original idea, they played videos of past STCC Specialties throughout the evenings in the Hospitality Suite. What fun to watch the dogs of the past as well as trying to name all the familiar 'young' faces from those long ago shows. Our very special thanks goes to bartender Bill Crain and to his wife Mary, for their successful efforts in making the Hospitality Room exactly that, a room full of warm hospitality. To Karen Higgins and Robin Starr for their contributions and seeing that everyone was made to feel welcome, we thank you gals, you all did a terrific job, and everyone really appreciates your dedication. After a quick spot of refreshment at the Hospitality Suite, it was time for the Specialty Banquet. The STCA and the STCC combined the dinners, instead of the STCC dinner on Friday and STCA dinner on Saturday, it was decided to conduct the dinners jointly. The STCC went all out. The tables were festively decorated, as was the room, we all are indebted to Charlene Bennett and Marion Giambi, as well as Karen Higgins and Robin Starr for seeing that everything was ready for us, the dinner was delicious and your original ideas were delightful, thank you all so very much. Donn La Vigne welcomed the Clan and turned the program over to STCA President Betty McArthur. STCA business taken care of, the program was turned back to Donn, as only Donn can, he proceeded to keep the evening moving along. The STC of California dedicated the dinner to Martha Merrill in appreciation for her 30 years of unselfish dedication to the STCC. another STCC member was honored, Corresponding Secretary Mary Crain, was honored for her continuous support and dedication to the STCC. Another STCC member was honored, Corresponding Secretary Mary Crain, was honored for her continuous support and dedication to the STCC. To both Martha and Mary, we congratulate you both.

The kudos would not be complete if I didn't mention the lunch and supper provided by the STC of California. Lunch was served during the break at the STCC Specialty and supper was after the STCC Specialty. Ted and Hilda Miyamura out did themselves in the food department as well as being so very gracious. So many went back for seconds (and thirds) they must have had enough food for an army. The food was delicious and I hope Ted and Hilda accept our most sincere thanks and appreciation, we truly enjoyed every bite. Also, to Patt Bennett who was responsible for the wide variety of items that Donn raffled off after supper on Friday. She did a terrific job of accumulating so many gifts. Thank you Patt. Thanks also goes to Greg Knight Grounds Chairman and to each and everyone who devoted their time, energy and hard work to making the weekend so memorable and making California Dreamin' a reality. And... may I add, thank you for postponing the earthquake till we left!

Our very special thanks goes to Tim Bennett and Donn Lavigne, who worked so very hard to insure a successful specialty. Tim and Donn, your efforts were returned 110 per cent.

* STCC is making these educational pamphlets available to Regional Clubs at the Regional Clubs Representatives Committee meeting in October. They ask that all R.C.'s give credit to STCC.

TEMPERAMENT TESTED SCOTTIES IN NEWFOUNDLAND

As perhaps the most Easterly North American members of the STCA we bring news of our dogs. At the May shows and trials of the Newfoundland (All Breed) Kennel Club, three of our Scotties - Ch. Shatscot's Brookhill Red Baron TT (a best in show winner), Drumachose Ebony Brookhill Red Baron TT (his daughter), and Ch. Amerscot's Call Me Madam TT 9USA) (Ebony's mother) - became the first temperament tested Scottie family in our province, if not in Eastern Canada. As temperament is what you live with, we are firmly committed to working for sound temperament in our dogs. As you can see from their titles, they do not have to be sloughs in the show ring to have it!

The American Bred Dog Award sponsorship became vacant after being awarded for 1990. Anyone wishing to sponsor that award should contact Mrs. Isabelle McCool, address in the roster. The award will bear the appellation of the sponsor's choice.
