MERRY CHRISTMAS
HAPPY NEW YEAR

PRESIDENT'S MESSAGE

We hardly need "mementoes" to remind us of our memorable 100th Specialty show - but, with the torrential rain, almost impossible mud, and very wet dogs, the show did go on. All of which further attests to the indomitable diehard spirit of the Scots and their owners.

Due to the untiring efforts of Show Chairman, Ruth Johnson, had the elements not intervened, it would have been the greatest show ever. As it was, 53 entries did stay for the judging, although many others prudently departed earlier, and some were not even able to drive in to the show.

Our special thanks must be expressed to many people: our judges, Mrs. Meador and Mr. Marshall, who certainly, literally, weathered the storm. It was regrettable that so many exhibits were denied their expert judgment.

Kudoes, too, to the stewards, Mary Louise Johnston and Betty Smith; Vana Mapplebeck for the lovely trophies; Jackie Seelbach for methodically handing out the mementoes... all these worked all day in the deluge.

Appreciation to Dick Weaver for arranging the memorable dinner the night before the rains came, which had, probably, the largest aggregation of Scottish Terrier enthusiasts ever to attend such an event, and to Evelyn Kirk and Bob Marshall for an informative and interesting program. Another highlight was the raffling of a beautiful picture donated and done for the Club by Jackie Balog, won by Judy Bonaiuto, and adding \$63.00 to the treasury.

To all the enthusiastic members, officers, and guests, whose sense of humor alone kept the whole show from being an utter disaster, my personal expression of appreciation, and my hope that you will give your same support to our 101st, in New York, in February.....

See you there!

MARTHA MELEKOV,
President

THE EDITOR SPEAKS. . . . There is one thing that I would like to add to our President's letter and this is to congratulate the STCA members on their wonderful support of our 100th Anniversary show - 128 entries - that's terrific. Next year let's make it 150!!!!

I have an apology to make. . . in the last issue when writing about the American Dog Owners Association, I inadvertently neglected to credit the Scottish Terrier Club of California Bulletin and the ADOA for much of the information - please forgive this Editorial "Goof" - I hope it does not happen again. Many thanks to the person who called this to my attention and believe me, I welcome criticism, both objective and constructive - this also shows that the BP is read in detail. I promise this will be the last time I will mention my most pet peeve but at two recent specialties I saw exhibitors lift their dogs by the LEAD AND THE TAIL AND CARRY THEM HALF WAY ACROSS THE RING AND THEN SWING THEM UP ON THE TABLE. If you don't believe me, just ask your Vet what would happen if your dog were to jerk his neck just slightly. He would tell you that you risk having a crippled dog for life, causing him much pain and in severe cases, the dog would have to be destroyed!! "Nuff said.

I received a letter from one of our members in Hawaii. Dr. Terna said that they, on the island, are quite starved for "Scottie News" and I suggested that he write to the various regional clubs asking to be placed on their bulletin mailing list. Naturally, non-members would be glad to pay some kind of mailing fee, but this got me to thinking -

I know that it is impossible to reprint the regional newspapers in the BP, and even in condensation form I can only put in the highlights - but I am sure that the regional clubs would be glad to exchange newsletters. In the new breed book I have listed each regional newsletter, and it would be worth your while if the Secretaries of each club exchange newsletter. In the next BP I will list each Secretary and address and you can take it from there. This is an enviable position I have and believe me I enjoy immensely reading each publication. There is an old Adage "Do Unto Others. . ." This applies not only to everyday life but in and out of the show ring. Be a good sport -- if you have something to say on the negative side - save it until you are home - please don't voice your opinion at the show. Another case in point (and unfortunately this is personal) - if you back into an exhibitor's car causing \$125.00 worth of damage, don't drive away - take the time to tell them about it - this is only common courtesy and you might sleep better at night. The rather ironic finale of this is that the "culprit" was seen a few hours later trying to scrape blue paint off his car.

This is all for now -- this is quite a long issue, so on to the news. I would like to take this opportunity to wish each and everyone of you a VERY HAPPY THANKSGIVING, A MERRY CHRISTMAS AND HAPPY NEW YEAR. Please keep those letters coming.

Cynthia Wallgren, Editor.

BOARD NOTES

1. The board is considering the possibility of honoring a particular member of STCA who is worthy of outstanding recognition. This may or may not be an annual award, but one given at the board's discretion. The criteria for this award: an outstanding contribution to the Scottish Terrier itself, to the club and to the membership.
2. There are 3 openings yet for the annual trophies. Top producing dog, Top producing Brood Bitch and Top Winning Brace. If you wish to nominate for any of these awards, contact Tom Natalini.
3. If you have any suggestions for officers for the coming year, send them to your Nominating Committee Chairman - Louise Ellsworth or to Alf Mitchell or Martha Merrill.
4. The next rotating Specialty will be July 30th in conjunction with the Santa Barbara Show. There will also be Sweepstakes. Judges will be announced in the next BP.
5. There has been a discussion regarding the barring of showing champions in the sweepstakes and professional handlers handling dogs, other than owned by them in the sweeps. It is suggested that the regional clubs include these rules in their premium lists.
6. Please, please, if you have a new address or if your address is not correct in every detail, notify Betty Malinka.
7. If you have not received your momento pins for Montgomery County, please contact Martha Melekov.

CONGRATULATIONS to our own Betty Malinka on her recent landslide election as City Clerk in Gary, Indiana - Betty led her ticket and beat some very worthy opponents.

REMINDER - don't forget to support the February Specialty - you will be getting a separate letter regarding advertising and this is the only show where the CLUB receives all advertising monies - so support with an ad and entry.

If you wish Club Stationery or pins - write to Nick Levandoski, 13000 S. W. 81st Avenue, Miami, Florida 33156.

THE SCOTTISH TERRIER CLUB OF MICHIGAN, INC. SPECIALTY REPORT

This club truly had a tremendous specialty with representation from approximately 18 states from Maine to California to Florida. I think all exhibitors and spectators will agree there was a marvelous style of judging there that was a real pleasure and delight to behold. Both the Palethorpes and Mrs. Elizabeth Meyer (SCTNO Specialty) wrote very thorough critiques for both specialties. Should anyone wish the entire critique, contact the regional club.

THE SCOTTISH TERRIER CLUB OF GREATER BALTIMORE AREA -
 This club is hard at work planning their "A" match which would have been this summer except they were held up as additional information was requested by AKC. As soon as all information is secured they can go ahead and we wish them lots of success. The club is selling "Scottie Coaster Sets" and they are very very attractive - it's too bad we can all pool out talents and have one large "Scottie Department Store."

THE SCOTTISH TERRIER CLUB OF NORTHERN OHIO - This club held a very successful specialty on October 30, 1971 in Strongsville, Ohio. Mrs. Elizabeth Meyer of the famous English Reanda Kennels was the judge and found her winners from the 34 dogs, 39 bitches and 11 specials as follows:

- BOB Ch. SANDGREG'S KENO TICKET (Ch. Bardene Bingo ex Ch. Charves Dazzler Design) John & Barbara DeSaye

SWEEPSTAKES - Judge: Mrs. Ann McGilvray - 35 entries
 Best Junior 6-9 DUNBAR'S DOUBLE AGENT -Richard Hensel
 Best Senior 9-12 ANSTAMM HAPPY VENTURE-Mr. & Mrs. Anthony Stamm

THE GREATER DALLAS SCOTTISH TERRIER CLUB - Again I would like to commend this club on their excellent publication - the Scotch Bark. I look forward to receiving it every month. Their September issue carries a wonderful story about "Falla" and the October issue a story regarding the origin of the Scottie by William Haynes. I am sure if you wrote to Mrs. Dorothy Burchfield, their President, she would be glad to send you a copy. Of course, I think it only fair to include something for postage and printing. The Texas Kennel Club was selected by Kennel Review to receive the 1971 award as the greatest of all dog shows held in North America.

THE SCOTTISH TERRIER CLUB OF NEW ENGLAND - - held a very successful Fall Sanction Match September 26 with 14 Scotties attending and their annual banquet and election was held November 6th - new officers will be published in the next BP.

HEART OF AMERICA SCOTTISH TERRIER CLUB - It was very disheartening to read that their Symposium was not as well attended as hoped for - inasmuch as so many many long hours had gone into preparation and speakers were brought from such distances. I say this is really too bad because I am sure that much could have been learned by the stay-at-homes. Their Sanctioned "B" Match was, however, a great success even though the day opened with a DRENCHING Rain. Some Scottish Terrier owners must have "Fooled Mother Nature" because of her repeat performance in October in Pennsylvania. The club is hard at work on their Christmas Party and elections to be held December 5, 1971.

THE SCOTTISH TERRIER CLUB OF CALIFORNIA - has been hard at work on their Puppy Match held October 31st at Martha Merrill's Kennels. John (Bud) Wright, long time Scottie breeder and exhibitor, was the judge. Their August bulletin carried a very good idea regarding having Forums where breeders would honestly discuss what they know about some of the problems that plague our breed but which are too often swept under the rug. I myself think this would be great and I wish you a lot of luck with this venture.

GREATER MIAMI SCOTTISH TERRIER CLUB - The next regional club show will be January 22, 1972 in Hialeah, Florida. Robert Marchall will judge the regular classes and Mrs. Vera S. Jackson will do the sweepstakes. Moss-Bow is the Superintendent - this is part of a 3 show weekend along with Fort Lauderdale & Greater Miami All Breed Shows. After the show there will be a cocktail dinner at President

SAN FRANCISCO BAY SCOTTISH TERRIER CLUB - For those of you who have questions regarding Tube Feeding - Betty Pengra has a very good article on this subject in the August 1971 issue of Bay Scot Bulletin. This club must have some very energetic members - they had a Breakfast Bazaar in September and a very successful Flea Market in October netting \$321. Dan Kiedrowski, Editor of Terrier Type, spoke at their September meeting on "The Scottish Terrier Standard and It's Interpretation."

I received a very interesting letter from Maureen Setter regarding Scottish Terriers in Obedience. I thought some of this information might be interesting. In 1970 Scotties earned a total of 15 degrees: 11 Companion Dog; 2 C.D. Excellent and 2 Utility Dog. In that same year a total of 101 Legs were earned. In the June 1971 issue of Chips Magazine they list the top 10 dogs in Obedience for each Breed and for Scotties 1st place was Young's Rowdy Red of Passmore, U.D. and Stan's Golden Timmy, U.D. 2nd place.

IN MEMORIAM - "THE LIVING LEGEND". Champion Kennelgarth Viking hailed as "The Sire of The Century in any Breed" by International Judge, Mr. Warner Hill, passed away in April of this year. Of the 13 Champions made up in England in 1969 & 1970, 12 of these 13 were his decendents and 9 of these carried a double line to him. Viking was the Sire of 50 Champions throughout the world, including 21 British Champions and at the Crufts Show in 1969, 22 of the 30 placed Scottish Terriers were his direct children or grandchildren, winning among them awards for BOB, both Challenge Certificates, and Both Reserve Challenge Certificates. I had the great honor to see this dog and he was truly a magnificent Scottie. There was a very special bond between his owner and him that you could not miss - his eyes would never leave her and here perhaps is Viking's greatest gift to our Breed, the gift of temperament par excellence. To Betty Penn-Bull, we extend our sincere sympathy on the loss of her great dog.

WESTMINSTER KENNEL CLUB - February 14th and 15th Madison Square Garden Center, New York City - Reminder that the entries are limited to AKC Champions or dogs which have been credited with ONE or more points toward a major. Breed judge is Mrs. Augustus Riggs IV; Group judge, Mrs. Beatrice H. Godseol and Best in Show Judge, Mr. Wm W. Brainard, Jr.
