PRESIDENT'S MESSAGE

Many exciting activities are under way at this time. Regional clubs are being formed in diverse sections of the country, and their enthusiastic members are feverishly planning future Specialty shows.

We offer congratulations and all available help to these pioneers, and hope they will enumerate their problems to me or any member of the Board, so that we may help them get off on the right foot.

I urge all members to address suggestions for Specialty judges, club projects, or anything else they may want done by their club, to the Board members. It is your club, and only if your Board knows your desires can we bring them to fulfillment.

The nominating committee, chaired by Mr. Robert Marshall, will soon meet to nominate your officers for 1973 and 1974. If there are members in your area whom you feel are deserving and qualified to serve, please address your suggestions to Mr. Marshall before July 15th. Keep in mind the following guidelines, so aptly outlined by Mr. Marshall:

- (1) Geographical representation should be as broad as possible.
- (2) Nominees should be available to attend Board and Membership Meetings and should have the time to be working officers.
- (3) The Board needs a substantial input of "officers in training", in order to provide an experienced cadre for future positions of responsibility.
- (4) Only persons with a reputation for dedication to the breed and a serious desire to serve should be considered.

If there is apathy on the part of the membership regarding the nominations, there is no cause for dissatisfaction later on.

Plan to be with us at the annual meeting and the great Specialty at Montgomery County, October 7, 1973.

See you there!

Martha Melekov  
President

THE TRUTH HURTS

"Sometime, when you're feeling important,  
Sometime when your ego's in bloom,  
Sometime when you take it for granted  
You're the best qualified in the room;  
Sometime when you feel that your going  
Would leave an unfillable hole,  
Just follow this simple instruction  
And see how it humbles your soul.  
Take a bucket and fill it with water  
Put your hand in it, up to the wrist.  
Pull it out, and the hole that's remaining  
Is the measure of how you'll be missed.  
You may splash all you please when you enter,  
You can stir up the waters galore,  
But stop, and you'll find in a minute  
That it looks quite the same as before,  
The moral in this quaint example  
Is to do the best that you can.  
Be proud of yourself, but remember ----  
There is no indispensable man."

THE SCOTCH BARK - Monthly Newsletter  
Editor: Dorothy Burchfield  
1911 Gaylord  
Dallas, Texas 75217

The Texas Kennel Club celebrated it's seventy-fifty anniversary of it's show giving existence, on March 25, 1973. To help celebrate this occasion the Dallas Times Herald offered a beautiful engraved Silver Revere Bowl to the breed-club which had the most outstanding breed-booth at the Show.

This young and up coming club won this very beautiful trophy.

The theme of the booth was 150 years of the Scottie history and pictured the evolution of the Scottish Terrier over the past 150 years. All exhibits were outlined with red, white and blue braided yarn to "pull the booth together".

The Judges were three in number--the mayor of the City of Dallas, a member of the Dallas Chamber of Commerce, and a member of the Press Club of that area.

These dedicated Scottie Club members are really popping their buttons off.

FROM THE SECRETARY OF THE S.T.C.A MISS BETTY MALINKA WISHES TO REMIND ALL REGIONAL CLUBS, FOR THEIR SPECIALTY SHOWS THAT THE PARENT CLUB OFFERS A BRONZE MEDALLION AS FIRST PRIZE IN DOG AND BITCH BRED BY EXHIBITOR CLASSES.

BE SURE AND LET MISS MALINKA KNOW SO THAT SHE CAN MAIL THE MEDALLIONS.

A SPECIAL MESSAGE TO ALL S.T.C.A. MEMBERS

SOME MEMBERS HAVE BROUGHT TO THE ATTENTION of the Treasurer of the S.T.C.A. that the New Hand Books are being purchased by members and resold to non members at the discount member rate.

This is an abuse of a membership privilege and is ineffect depriving the Club of the difference in cost.

The reduced rate is for the benefit of members who want to purchase hand books for their own personal use to accompany the sale of a puppy or to stimulate interest in the breed.

Non-members wishing to obtain this new Hand Book should contact the Treasurer:

**NEWS FROM ABROAD** From England: Mrs. Maureen Mickelthwaite (Glenecker) will now judge the STC Eng. Specialty.

From Canada: Nice to hear from Mrs. Dona Little, Sacramento that she and her Andy (Am.Ch. Wayridge Andy MacBob) may be in B.C. for the summer shows. Andy already has 3 Cana. points earned as a pup in 1970. Welcome back to Canada, Dona and Andy. Exhibiting at recent Ontario shows were Mrs. Sandra Mayville (Chess), Mr. & Mrs. John De Saye (Sandgreg) and Mr. & Mrs. Hollett Warner (Bonnishell) whose B. Lady Lorna Doone is now a Cana. Champion.

Profile: A working pair - Calico Little Glenna and daughter Glentadbar Tobasco's Tanya. Owned by Trenwith House Farms, Ont., they have to their credit - mice, moles, rats, groundhogs, snakes and birds. Glenna is also credited (and witnessed) with warning and holding an ill-tempered cow at bay thus protecting her owner. She barked a warning, then ran and faced the angry cow and stood her ground as the cow, with head down, charged, rolling over on her back at the last minute to bite the cow on the mouth. Those there were terrified the cow would trample the Scottie but the dog apparently had the situation well under control and sent the cow running.

Could true working Scots be tested somehow, perhaps along the lines set down by the American Sheepdog Society and issued Certificates of Proven Workability?? (Not to be confused with Obedience degrees which, while highly commendable, are not working tests.) Would like to hear of other working Scots. Please send details to the Editor or myself.

Books: The Scottish Terrier by E. C. Ash, Cassell & Company, London 1936. A great little book worth reading for those interested in the early days. So well written, one can practically relive the past, going from show to show with those early dogs and breeders. Traceable through leading antique book stores

SCOTTIE USED FOR RABBITS AND SQUIRRELS.

My husband and I usually let my Scottie bitch accompany us on rabbit and squirrel hunts. The main dogs in our kennels are Gordon Setters so my Scottie fills in as a beagle. She works the brush for the rabbits, but our terrain makes it quite difficult for her to do much trailing. She just loves to hunt and as soon as she completes her championship (1 pt. to go), we will allow her to do more. We have limited her hunts due to cockleburrs vs. long furnishings.

Roberta L. Jones, Oak Grove Mobile Court. Knob Noster, Missouri.

SCOTTIES IN OBEDIENCE

The March, April and May Gazette contains a record amount of obedience activity among Scotties - a total of 28 legs have been earned by 16 Scotties. Some of the highlights are:  
6 CD's - 1 CDK and IUD earned with 19  
Novice legs, 4 open legs and 5 legs in  
Utility.

OBEDIENCE TROPHY: Elaine Young suggested that we consider doing something for Obedience enthusiasts, especially young people. It was agreed we would consider a trophy probably in the form of an Annual presentation to Scottie owners who have earned an obedience degree during the year. Open to all. Mrs. Young was named Chairman to explore possibilities and report back to us.

In regard to the above item, if anyone has suggestions or knows of anyone with Scotties in obedience that do not belong to the STCA, please contact Elaine Young or Maureen Setter.

"1972 LLOYD MEMORIAL TROPHY WINNER"

CH. ANSTAMM HAPPY VENTURE having scored the greatest number of points, based upon the championship point rating of the shows for 1972. His record for the year includes 42 BEST OF BREEDS, 4 Group Firsts and 3 Specialty Bests.

Happy Venture's Sire, Ch. Anstamm Dark Venture won it in 1964, and his maternal granddam, Ch. Mar De's Dark Felicia, also a "Dark Venture" offspring, won it in 1967. It is believed, this is a First Lloyd Winner subsequently siring two Lloyd Winners.

He is the top-winning owner-handled TERRIER for 1972. No. 1 Scottie - Knight System and No. 2 Scottie - TT System.

He is owned by Mr. & Mrs. Anthony Stamm, of Kalamazoo, Michigan.

This award will be presented at the annual meeting and dinner in October.
