

GREETINGS FROM MANASQUAN, N. J.

Waiting for my Pals Here at the Beach.

Dear Win.

Does this remind
you of Cricket? It did

me.

We got here before

nigh 8 o'clock on Sunday and

as we rode along - I remember

we had shut the water off and

how could you water the
plants! I had not left
enough water in the pitcher

Today is beautiful. Love
Caroly n.
