### BEST IN SHOW ALL BREEDS WESTMINSTER, 1945

Signature is, first of all, a great Scottish terrier. He has proven his ability to pass on his sound qualities by major winning of his progeny. Many experts have written their opinions of his qualities in national publications. One writes, "Sound as a bell, anatomically ideal, his neck and shoulders a study in strength and elegance. His action, front and rear, approaches perfection, real power and drive." "His superb showmanship will long be remembered by all who saw him at the Garden." Signature is a great sire as well as a great show dog. He fits the standard of the Scottish terrier to perfection. His progeny are stamped with his same balance and showmanship.
