Annual SCOTTISH TERRIER Issue

HERE IS the 1957 Scottish Terrier issue of Dog News and we want to thank all the many fanciers who supported the issue so generously with news, pictures and advertising. Nineteen fifty-six was a good year for Scotties. They did wonderfully well in the groups and captured somewhere around twenty-five Best in Shows, really a wonderful record. Nineteen fifty-seven promises to be even better.

Speaking of show wins, the Midwest was very proud of Betty Malinka who did so well in New York with her Ch. Sandoone's Missy Lou. Missy was Best of Opposite Sex at the Specialty and at Westminster went through to Best of Breed, 4th in group and Best American-bred Terrier in show. Nice going indeed!

One cannot help being impressed with the increase in wheaten Scotties. Last year, Jean Chisholm of Mel-Jean Kennels finished four champions and three of them were wheatens. She put seven points on another bitch including a Major and she too is a wheaten.

Speaking of Jean, she and Mrs. H. E. McComb of the Clinch Mt. Kennels have recently joined partnership

on a number of their wheatens. This should work out very well. Mrs. McComb will keep the dogs at her place, Jean will do most of the showing. Among the Scotties which they own jointly is the wheaten, Ch. Cuttsart Gold Treasure which Jean showed to its championship in a month's time last year. He wound up with three Majors. She showed him ten times, he won eight of these.

The date of October 27th has been officially approved for the Scottish Terrier Club of Kentucky's annual Specialty show, one of the really top shows of the entire country, and the Sweepstake events and pre-show party always held at Dr. and Mrs. W. Stewart Carter's are again on the agenda. The premium list will be in keeping with previous shows and the

comfortable St. Matthews Armory will be the site. Keep the date in mind. It's a show no Scottie fancier should miss.

Another big Specialty show, and this one coming up quite soon, is that of the Scottish Terrier Club of California, which is to be held June 23rd at Long Beach. This too is a terrifically important show. The Secretary is Helen Short. Better write her for premium lists if you don't receive them in time to make entries.

CH. CLINCH MT. COPPER KING

Owned and handled by
Jean Riggins Chisholm
Wichita Falls, Texas

Bred by Mrs. H. E. McComb, King finished in 6 straight shows; never defeated in the classes and won 3 Majors. By Ch. Kinclaven Fortissimo ex Ch. Gold Sequin. The judge here is Col. Ed. McQuown.

Saugus, Mass., has a new Scottie Champion, Frank H. Chickering's War Lord of Old County was confirmed in January. It is interesting and good to know he was handled and shown all the way to his title by his owner. We hear he has just sired a bumper litter of puppies.

The Harry Haylor of Hudson, Ohio, have recently purchased Fulluvit Frolic, Winners Bitch at the Kentucky Specialty last October. Before being shipped to her new owners, she was bred to Ch. Edgerstoune Troubadour. The Haylor's also own Ch. Gold Finder's Commander and some of his stock are just about ready to make their appearance at the coming shows.

Kay Ford writes, that living in the Scottish town of Caledonia, N. Y., it was only natural that the family should turn to raising Scotties as a hobby. They own seven and the entire family work together with the dogs on their 55 acre farm. Last year they had plenty of fun showing

puppies at Sanctioned Matches and shows. One of their six months old wheatens, Ford's Ginger Tomidy, was first in his class and Reserve winner at the Rochester show. He is a grandson of Ch. Kinclaven Coq D'Or and Ch. Blanart Barrister, and the Fords will be showing him rather extensively this year.

The R. C. Kinneys of Chattanooga, Tenn., tell us that their Shawnee Gaiety recently produced two puppies by Ch. Kinnie's Bruce. Quality made up for lack of quantity. A previous mating of these two produced Ch. Kinnie's Korrie of Glenmorris, now owned by the John Munros of Morristown, N. J. She was handled to her title by Cliff Hallmark and finished before she was two years old. Another Champion which finished in 1956 and is sired by Ch. Kinnie's Bruce, is Kinnie's Kirk of Brucegay now owned by Mrs. Harry C. Taylor of Atlanta.

It was good to hear from Mrs. Edmund F. Mansure who moved to La Honda, Calif. from the East some time ago. Ring activities have been somewhat curtailed since they went

Purchased in January from Blanche Reeg. Copy is by Ch. Blanart Band-leader ex Ch. Crisscot Canterbury Bell. He was Best of Winners at the Greater Wash. Specialty in October, and is intensely linebred to Ch. Blanart Barcarolle. Have a late Flash that Copy was Best of Breed at his Midwest debut at Cleveland.

to the West Coast, as they are building a new home and had to remodel a huge redwood barn formerly used as a Quarter Horse Breeding Barn. They tell us it has made a wonderful kennel for their Collies and Scotties. It is heated, has black top runs, a big indoor exercise ring and everything else that goes to make a modern, right-up-to-the-minute kennel. The Mansures home is finished, kennel almost completed, so this year they will be showing both their Scotties and Collies at most of the California shows.

They have recently had a nice litter sired by their Ch. Merrie Oaks Sniffer out of Merrie Oaks Dark Vic-

tory, the latter is a twelve point daughter of Ch. Blanart Barrister, and Sniffer is a Ch. Gold Finder's Admiral son out of Merrie Oaks Hellion. In addition to Sniffer, the Mansures own several other Scottie studs. They recently did wonderfully well at the big California Collie Fanciers Association show with two of their young Collies.

Blanche Reeg's Blanart Kennels have another new Champion, her Blanart Breakaway, Winners Dog at both the Specialty and Westminster, completed his title there. He finished with four Majors and was only shown five times. He is Ch. Blanart Barcarolle's tenth Champion. Breakaway is the seventh Blanart-bred or owned male to finish since April 1956, the others being Champions Barcee's Second Mate, Bonus, Bondholder, Bourbon and Soda, Buch Bacardi, all carrying the prefix Blanart, and Ch. Crisscot Copy of Blanart.

Speaking of Crisscot Copy, he was purchased in January from Blanche by A. Genevieve Walkley of Avon Lake, Ohio, and we have a telegram that on his Midwest debut at Cleveland, he went clear through to Best of Breed and third in the group. Copy did some splendid winning in

the East. He was Best of Winners at the Greater Washington Specialty in October and Best Opposite in December at Brooklyn.

Bob Bartos from Carnation Farm Kennels, writes they were terribly disappointed they could not show their Eng. and Amer. Ch. Westpark Derriford Baffle at the Specialty and Westminster, but he failed to come in sufficient coat and really wasn't up to show shape. You will probably be seeing him at the International. Baffle's most recent Best in Show win was at Eugene, Oregon. Carnation has recently been showing Carnation Dark Sentry and he was Best in Show at the Five Valley's event and is pictured.

The Anthony Stamms of Kalamazoo, Mich., had a great year with their Scotties in 1956. They won eighteen Best of Breeds out of twenty shows, topped six Terrier groups, was second in another, had five thirds and a fourth. They captured one Best in Show and one Best in Match All-Breeds—certainly a tremendous

record. The Stamms' newest Champion is Friendship Farm Flare, which they purchased from Mrs. Wm. Shierburn's Friendship Farm Kennels as a potential matron. Last year she was one of their top winning Scotties, topping groups at Hodgenville and Louisville. She is a daughter of Ch. Friendship Farm Midshipman ex Gwyn Manor Miracle. Ch. Rear Admiral of Seaglen completed his Canadian title with a couple of group wins and their Anstamm's Tagline O'Staccato was Best Terrier at Huron Hills and is now sporting the Champion title.

CH. BLANART BREAKAWAY

Owned and bred by Blanche E. Reeg
Wantagh, New York

Winners Dog at both the Specialty and Westminster in New York, to finish for the title with four Majors and one Reserve in his only five shows. He is by Kelti's Rogue ex Ch. Blanart Barcarolle, and is Barcarolle's tenth and last Champion. Shown here with Clifford Hallmark.

Nineteen fifty-seven seems to have started out for the Stamms at a maddening pace. They have already been to eight shows, have gone Best of Breed seven times and placed in six of the eight groups. Looks like an even better year than 1956.

Harry Connaughton of Braham, Minn., sent us the front cover of the January issue of the Commercial West, a magazine devoted to banking and business. This cover was graced with a most attractive picture of one of Connaughtons' Scotties, a youngster named Connaughton's Silver Smith, a Ch. Bold Dasher grandson. He is now owned by Mr. and Mrs. Robert Smith of Wayzata, Minn. Harry tells us that this litter was really an interesting one, containing among others, a lovely wheaten puppy.

Just about the time this issue comes off the press the Scottish Terrier Club of Chicago will be holding its annual Specialty and Puppy Sweepstakes in the ballroom of the Stock Yards Inn, the evening of March 29th, which is the day preceding the opening of the International All-Breed show. By holding

the Specialty the day before, exhibitors will have an opportunity for two major point shows right in the same spot. Should be a grand entry at both events.

Ch. Blanart Barrister owned by Frances Gannon of Dyer, Ind., is the sire of three 1956 champions, and grandsire of twelve of them, nine of the grandchildren are from his daughters, three from sons. Frances tells us she had a lovely litter by him recently. She was so happy over Betty Malinka's win at New York, for Missie Lou is out of her original bitch, Frangan Facsimile, and she owns Missy Lou's full sister, which by the way is the dam of her new Barrister litter. She will be shown as soon as she weans the puppies and is back in shape. Her name is Frangan Sweet Sue of Sandoone, and as a puppy she won the 9-12 months puppy class at the Kentucky Specialty.

New York Winners

There were 63 entered at the Parent Club's Specialty show held in New York the day before Westminster, Charles C. Stalter judging. From a class of 13 Specials (3 absentees) his choice for Best of Breed

was Ch. Cantie Confident owned by Marguerite Fuller of California. Best Opposite went to Betty Malinka's Ch. Sandoone's Missy Lou. Rannoch-Dune Kennels took Best of Winners with Rannoch-Dune Rare Bit, with the dog points going to Blanche Reeg's Blanart Breakaway. The Reserves were Mr. and Mrs. W. Sheldon Winan's Fulluvit Michael Finnegan and Mrs. Leon Godchaux' Fulluvit Fieldhouse.

Westminster

The Westminster entry of 46 was judged by Charles H. Werber, Jr. The placings here were reversed and Ch. Sandoone's Missy Lou took the Best of Breed rosette and went on to fourth in the group, and Ch. Cantie Confident was Best Opposite. The point winners were an exact repeat of the Specialty, as was the Reserve in dogs, the honor in bitches going to Mr. and Mrs. Ernest Burn's Blanart Babette.

Current Scottie Champions

THE FOLLOWING fifty-seven Scottish Terriers have completed their Championships in the last twelve months. Their titles have been officially confirmed and published in the A.K.C. Gazettes, Issues of March 1956 to and including February 1957. Undoubtedly there are several Scotties which may have finished but whose titles were not confirmed and published in time to include in the current list. Their names of course will head next year's list.

The leading sire of the following Champions is Ch. Edgerstoune Troubadour with five of the current list to his credit. In the second spot with four is Ch. Blanart Bartender. Third is a tie between three sires, Ch. Fran Jean's Bokor, Ch. Blanart Barrister and Ch. Blanart Bolero. Each sired three of the current list. Those Scotties which sired two champions each include Glendoune Gay Boy, Del Ayr Escort, Ch. Kinclaven Fortissimo, and Ch. Kinnie's Bruce.

The leading dam, and she is the mother of three on the current list, is Blanart Bit of Bitters. Del Ayr Gae, Blanart Barcee and Rag-A-Bash Bridget each were the dam of two champions.

The leading breeder, and by a comfortable margin, is Blanche Reeg, who was the breeder of five of the list's Champions. No other breeder bred more than two Champions on the current list, and these include the Emil Brueggemanns, Allen Cart-

wright, Cornelia Crissey, R. H. McGill, Doris Crissman, Frances Gannon, Goldie Seagraves and R. C. Kinney.

SCOTTISH TERRIER TRENDS

The Ambition Line

By Alice Exworthy, 273 Durand, East Lansing, Mich.

ANOTHER year in the annals of Scottish Terriers has rolled past and with the end of another show season over fifty new champions have been added to the roster. The mid-winter New York shows mark the beginning of a new year as the promising homebreds, the new imports, and, most important of all, the young hopefuls are paraded for the critical scrutiny of judges and ringsiders. As a group, these dogs will demonstrate the trend the breed is taking in size, type, and temperament. Their uniformity of appearance — or lack of it — will disclose whether breeders are working toward The Standard or a standard each has set up in his own mind.

Someone has said that breeders should look ever forward, never back to the past, a statement which, as often happens, is only a half-truth. The breedings which are planned today look to the future it is true, but the pedigrees upon which the matings are based are inescapably part and parcel of the past. Even a distant ancestor may have possessed characteristics still persisting in his descendants and therefore it behooves the serious breeder to learn as much as possible about the bloodlines which go into the making of today's champions. Success will be more apt to follow if the matings he plans are based on observation of the type of progeny a sire is producing, not on the number of his best of breed wins. In short, everything a breeder can learn of the dominant characteristics of the lines and families in the background of the pedigrees he is using will help him to better his stock.

At this writing American Scottish Terrier champions number 1185, with the sexes about equally divided, 598 dogs and 587 bitches. Looking back over champion pedigrees of the last ten years it is apparent that the overall picture of the male line of descent has been changing, slowly in the first half of the decade, rapidly in the last half. From 1946 to 1952 the American lines from the Necessity son, Br. Ch. Heather Ambition, led the field quite consistently due to the strong influence of three sires, Br. and Am. Ch. Ortleby Ambassador, Heather Asset, and Ch. Shielling's Signature in that order of importance. At the beginning of 1953 all Ambition lines showed a sudden drop due to several factors. One was the closing of the Kinclaven Kennels in 1951. Many of Marie Stone's champions, particularly the wheatens on which she had been concentrating her efforts, were based on Heather Asset, a grandson of Heather Ambition. The dispersal of a kennel as large and as influential as Kinclaven, always has considerable

effect on the breed, for the vision of the owner of such a kennel is a guiding force which cannot be replaced. Individual animals may fall into capable hands but the strength of the whole group is needed to maintain the characteristics of a carefully built up strain. Heather Asset produced winners for many kennels, but the continuation of his male line can be attributed principally to Marie Stone's desire to produce wheaten Scotties possessing his potential for good conformation and Scottie type.

More important than Asset, however, was the Ambition line thru Int. Ch. Ortleby Ambassador of Edgerstoune. Ambassador sired many producing sons but unfortunately for the line's continuation the majority of these have, in turn, produced more

good daughters than sons. Such bitches as Ch. Edgerstoune Orphan, dam of Troubadour; Gold Finder's Bess, dam of Admiral; and Edgerstoune Larkspur, dam of Ch. Friendship Farm Midshipman testify to the strength of their Ambassador heritage. In the last several years there has been a noticeable increase in the number of champions resulting from the breeding of Ambassador line bitches to Fashion Hint line dogs. The mots successful of his sons, Ch. Heather Resolution and Ch. Edgerstoune Spitfire, contributed the bulk of his champion descendants and yet the male line thru these two dogs is now almost non-existent. A third important son, Bramshire Blaze O'Glory, (Continued on Page 17)

Note: The gait of the Scottish
Terrier is peculiarly its own and is
very characteristic of the breed. It
is not the square trot or walk that
is desirable in the long-legged breeds.
The fore legs do not move in exact

parallel planes—rather in reaching
out incline slightly inward. This is
due to the shortness of leg and width
of chest. The action of the rear legs
should be square and true and at the
trot both the hocks and stifles should
be flexed with a vigorous motion.

Scotties in Obedience in 1956

By Miss Gladys H. Porter
Training Director, Staten Island
Companion Dog Training Club

IT HAS been said that terriers are too stubborn to be obedience trained and indeed they do have a mind of their own. But more terriers were seen around the obedience rings in 1956 and more terriers were listed in the *American Kennels Club Gazette* among dogs qualifying in obedience than ever before.

In 1956 according to the A.K.C. Gazette six Scotties were awarded obedience degrees; four C.D.'s, one C.D.X., one U.D.

None of these Scotties were from the Eastern coast. Warspite Jamie

of Marlu who earned the only C.D.X. given to Scotties in 1952 and 1953 seems to have been the last Eastern Scottie to earn this. He is owned by Miss Gladys H. Porter of Staten Island, New York.

In May 1956 Sir Blackscot Mac Tavish R161859, owned by J. and

O. H. Calhoun, was listed as having earned a C.D. He stood 184 in Novice A in the Orange Empire (Calif.) show in January, 188 in February at the Silver Bay K. C. of San Diego, and 185 in Glendale in March. Since then in the Pasanita (Calif.) show in October he stood 194 in Open A.

Owned and handled by
Jean Riggins Chisholm

Shown going Best Local Dog in Show; Judge Frank Foster Davis. Bonnie is by Odd-Me-Dodd Rebel Rogue ex Garlu Wee Judy. Finished at 14 months.

In June 1956 Glenby Piper R156220 and Ruffian Rambler II R127508 were listed as having earned a C.D.

Glenby Piper, owned by C. J. Leavitt, stood 176 in Novice B at the Riverside (Calif.) show in November 1955 and 185 at the San Gabriel Valley show in April. His third "leg" must have been reported in 1955.

Ruffian Rambler II, owned by E. Comfort, stood 183.5 in Novice A at the Indianapolis show in March, 193 in the Columbus All-Breed show, and 184 at the Dayton show in April.

In August 1956 it was reported that Erbe Cinnamonscot R142881, owned

by Mrs. L. May, had received his C.D. In June he stood 186.5 in Novice A at the Columbiana County (Ohio) show and 178.5 at the All-Breed Show of Akron. His third leg must have been gained in 1955.

In September Douglasdale Ginger R133345, owned by Mr. and Mrs. H. J. O'Brien, was awarded his U.D. In December 1955 he stood 197 in Utility at the San Mateo show and received first prize. In August he stood 185 at Deep Peninsula show in Palo Alto, Calif., and in September he stood 197 at Ventura Co. Dog Fanciers show. He again won first prize in October, standing 198 in Utility. Congratulations, Mr. and Mrs. O'Brien.

In December Gerwood Letitia R122167, owned by C. J. Leavitt, received her C.D.X. In May she stood 197.5 in Open A at the Obedience

sired eight champions but of these only one, Ch. Kinclaven Andante, is producing male champions which may continue the line.

Strangely enough, as Ambassador's American bred lines began to dwindle in 1952, two of his British bred and owned sons, Crich Convoy and Gillis Impression, came forward to bolster his strength. These two dogs, re-

sponsible for the only extensive Ambition branch in England, now contribute to the American branch thru their great grandsons imported to this country, Br. & Am. Ch. Gillis Wrockwardine Sirius and Br. and Am. Ch. Niddbank His Nibs.

The third important line from Heather Ambition was thru his son, Br. and Am. Ch. Heather Independence, whose great-grandson Ch. Shieling's Signature sired 22 champions. From these only Shieling's Master Key continued the male line. Since 1954 this has produced only five champions and since only one of these is a male there seems little likelihood of much future activity from this branch.

There are two minor lines from Ambition thru a son, Ch. Catterthun Model and a grandson, Ch. Bradthorn Bullion. That from Catterthun Mod-

el is still active and is the source of four recent male champions so there is reason to hope that this line may continue altho it is not as extensive as those from Ambassador and Asset. Bullion's line has continued in a small way for many years but now appears to be near an end.

Altogether, 259 American champions can trace their descent in direct male line from Ch. Heather Ambition thru eight of his sons. A great-grandson, Int. Ch. Ortlely Ambassador established the largest American branch and now seems most likely to

The New York Specialty and Westminster are reported elsewhere in this department. Here are highlights from some other shows held in late January and early February.

The Baltimore, Md., show on January 26th and 27th had a small entry—only 8—Alva Rosenberg judging. No Specials and he took the Winners Dog, L. E. Strong's Commander of Seaglen through to Best of Breed. He is a son of Ch. Glad-Mac's Rollingstone out of Grey Dawn of Giahms. Mrs. Ruth Czeskleba's Ardeceee Scarlet O'Bryan was Winners Bitch and Best Opposite. She is a daughter of Ardeceee Wac One Fifty ex MacKinnon's Paragon.

Coming to the Midwest we find an entry of 8 at the Grand Rapids, Mich., show on January 13th. Alva Rosenberg also judged here, with Best of Breed honors going to the Anthony Stamms' Amer. & Can. Ch. Rear Admiral of Seaglen and he took a fourth spot in the group. Best of Winners and Best Opposite went to

the same owners' Friendship Farm Flare, a daughter of Ch. Friendship Farm Midshipman out of Gwyn Manor Miracle. D. H. and Myrtle Dowell's Anstamm Pirate of Seaglen was Winners Dog. He is a son of Ch. Glad-Mac's Rollingstone out of Jascot Wren of Seaglen.

C. H. Colman judged an entry of 6 at the Mansfield, Ohio event on January 26th. Ch. Rear Admiral of Seaglen went to a fourth spot in the group. Friendship Farm Flare took the bitch points and Best Opposite, with Best of Winners going to Mrs. Alice Godchaux' Fashion Forethought, a son of Ch. Edgers-toune Troubadour out of Ch. Deephaven Rare Gem.

The next day at Marion, Ohio the entry jumped to 15, Frank J. Ward handing out the ribbons. Friendship Farm Flare went from the classes to Best of Breed and second in the group with Ch. Rear Admiral of Seaglen placing Best Opposite. Winners Dog here was Goldie Seagraves' Seagraves' Chief O'Scotts, a Ch. Walsing Winning Trick son out of Ch. Seagraves Glamour Girl.

February 3rd was the date of the Canton, Ohio show, bringing out an entry of 9 judged by Frank R. Newton. Rear Admiral took a second

We have catalogues from three Florida shows, where the entries were quite small. At Tallahassee, Mrs. E. M. Sharp's Ch. Fergus McLaughlin took Best of Breed honors with Bruce Webb and Mrs. W. B. Dozier's Middlemount Deborah placing Winners Bitch and Best Opposite. She is a daughter of Win-Bette Skipper's Playboy out of Eve of Arden-Oaks. No dogs entered in the classes.

At Tampa, Mrs. John N. Gilkey's Ch.
