## SCOTTISH TERRIERS

WHEN any dog holds the Obedience U.D. title and then becomes a Champion of record, it is really news. Such a one is Scots Delight Wild Honey, owned by Mrs. Joanne Gilden of Bethesda, Maryland. Although "Honey" was shown to her Championship by Dorothy Morris, her owner trained and showed her to her U.D. title. She is one of some fifteen Scottish Terriers to hold the U.D. degree, and the only one which is also a Champion of record. Really something to be very proud of.

first Specialty is to be held Friday evening, October 9 at Rockville, Maryland. Robert Graham is judging. This is always a top show.

A note from Marlene Johnson, of Commerce, Georgia, brings news that she has been busy this summer working toward her P.H.D. Degree. Her activities in the show ring naturally have been somewhat curtailed, but they did make the Carolina Circuit. Their Ch. Balachan Red Kaboose, not too far away from whelping a litter, was Best of Breed at Greenville with a Group Third. She was Best Opposite at Spartanburg and then Asheville. Four out of five of Kaboose's previous litter are just about ready to make their show debuts.

We are always interested in reading the histories of the various Scotties which the Scotch Piper, the monthly brochure of the Scottish Terrier Club of Greater Miami publishes. The most recent one covers Ch. Gilkey's Johnny Come Lately, owned by Mrs. John Gilkey. In talking of Johnny, the writup says, "the real worth of any dog is his ability to reproduce," and Johnny certainly did that with a bang. He produced eleven Champions, including the wheaten, Ch. Gilkey's Desert Mirage which finished in the puppy class; a black,

Ch. Gilkey's Tumbleweed which finished from the American bred class. Many of his get have continued to carry on. Ch. Charves Silver Tassie, a daughter, has five Champions to her credit, and many others boast champion children or grandchildren. The first half of this year saw some four of his grandchildren winning the title.

We did appreciate Sarah H. Lesser, Secretary of the Washington State Scottish Terrier Club sending us a marked catalog of their 25th (Silver Anniversary) Specialty. It was held Friday evening, August 14 as Renton and Richard Koch judged an entry of forty. Mr. and Mrs. Bob Bartos held open house, and on Saturday evening after the judging, there was The Judges' dinner. Following are the winners at the Specialty.

The Scottish Terrier Club of Northern Ohio will hold its Annual Specialty at Strongsville, Ohio, October 24th. There will be Sweepstakes judged by Thelma Miller; H. J. Weiner will take over the Specialty assignment. Don't wait too long to make your entry — sure to be a Major.

### Scottie Wins

### Washington State Specialty

Carnation took Best of Breed with their homebred Bingo Son, Ch. Carnation Casino; and Best of Opposite Sex was the Best of Winners bitch Carnation Farm Kennels' Gosmore By Jingo Bewitched. This is an import and a half-sister to the well known Ch. Gosmore Eilburn Admaration. She and Admaration are both out of Bardene Betwixt. Bewitched was sired by Ch. Inverdrue Scorchin. We understand this win finished her, and we will try and get a picture from Bob Bartos to show you.

Winners Dog was Gail Schrams Roylyn's Major Goldfinger, a son of Glenwood's Niemo, ex Fancy Shonagh of Roylyn.

Best in the Puppy Classes was the 9 to 12 bitch, John and Michelle Stephens' Apfel's Goldigger, by Duinecanis Sunbeam ex Kalroad's Burnt Sugar.

### Fox Terriers

Continued from page 43

The Wire won three Best in Shows and twenty-nine Group firsts with nine other Group placings. The Smooth really was not so outstanding — one Group first and fifteen other placings. Oddly enough, the System shows NO Smooths winning a Best in Show. Six Wires went to the top, Ringleader with three, five other Wires with one each.

Among the Leading Sires for '69 (Ninth All Terriers) was the Farrells' Smooth, Ch. Foremost Ebony Box of Foxden, sire of five Champions.

Not much in the way of show news this month, especially in the East and the Midwest. The Holyoke K.C. at Northampton, Mass. July 19th did have 7 Smooths and 10 Wires, James A. Farrell, Jr. judging. Best Smooth was Michael Buckley and Mrs. T. M. Stout's Quissex Matilda from Open Bitches, and she went on to win the group under Melbourne Downing. WD and BOS was Mrs. T. M. Stout's Viscum Veracity.

In Wires, BV went to Jack and Janice DeWitt's Ch. Look Me Over of Crack-Dale. WD, BOS was Mrs.

E. C. Cummings' Weltona Gunner with BW going to Mary Seeley's Revlis Fawn of Robin Cliffe.

### Southern Shows

We have reports from three Southern Shows which had rather nice entries. Greenville, S.C. July 23rd had 11 Smooths and 12 Wires, Mabel M. Lehmann judging both coats. Best Smooth was Mary Bowker's Ch. Bowmanor's Fresh Paint with BW going to Sandra Campbell's Bowmanor's Believe It Or Not. Terry and Janette Sinore's Eronis Auld Patches was WB. She is a half sister to the BOS bitch, both sired by Ch.
