Notice to Exhibitors

The safety of the dogs is our primary concern. By entering these trials, exhibitors acknowledge that they are familiar with the rules and regulations of this sport and that their dogs are familiar with and able to perform all obstacles safely.

The Trial Secretary is not responsible for Emails not received. If you have not received a response to an email after 24 hours, first check your spam folder then contact the Trial Secretary by email at eibehnke@gmail.com.

Entry fees will not be refunded in the event that a dog is absent, disqualified, excused, or barred from competition by action of the Trial Committee(s).

Entry fees will not be refunded if the trials cannot be opened or completed by reason of riots, civil disturbance, fire, an act of God, public emergency, an act of a public enemy, or any other cause beyond the control of the organizing committee.

Since bitches in season are not allowed to compete in AKC Agility Trials, the club will refund all of the entry fee per day for bitches unable to compete for that reason. The club will refund all but \$9.00 per day of the entry fee due to injury that prevents participation. The Trial Secretary must receive written notification from a veterinarian of such a claim before judging commences.

It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Trial Committee, be asked to leave the trial site. In such case, no refund of any fees paid will be made.

All dogs must be on leash or crated at all times except when in the ring or when in the designated agility warm-up area.

Exhibitors are responsible for cleaning up after their dogs at show site and all hotel, motel, and campgrounds where they are staying while competing in these trials.

Exhibitors are responsible for being at the ring gate when it is their turn to run. The judge need not wait for any dog holding up a class. STCA has no obligation or responsibility for providing service through a public address system or steward for the purpose of calling or locating dogs that are not brought to the ring when required.

Entries must be made on Official AKC Entry Forms and must include the signed Agreement and Rules. Junior Handlers must include their AKC # on the entry form. Please include only AKC titles on your entries.

Returned checks do not constitute a valid entry fee. There is a \$25 returned check fee.

Owners are responsible for errors in making out entry forms, whoever may have made such errors.

No entry will be refunded in the event of such errors or cancellation of entries after the published closing date. Errors in entries made by the exhibitor cannot be corrected after the closing date. No refunds for duplicate entries.

Exhibitors should follow their veterinarians' recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations.

STCA, their Board, Members, and Nestle Purina Farm, it's owners' and employees will not be liable for any loss or injury which may be sustained through disappearance, loss, theft, communicable disease, parasites, injury and/or death of dogs entered in this event.

STCA does not agree to arbitrate claims as set forth on the Official AKC entry form for this event.

Dogs under 4 months of age are not permitted on the show grounds of AKC Agility Trials

FLEXI-style leashes are NOT permitted on the show grounds!

Class Description

Please see the AKC Regulations for Agility Trials for current class descriptions. Owners are responsible for entering their dogs in the proper height divisions.

REGULAR	PREFERRED	HEIGHT AT WITHERS
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs 11 inches and under at the withers
12"	8"	For dogs 14 inches and under at the withers
16"	12"	For dogs 18 inches and under at the withers
20"	16"	For dogs 22 inches and under at the withers
24"	20"	For dogs over 22 inches at the withers. Regular Dogs may not be entered in this height if they are 22 inches and under.
24C"	n/a	Dogs may be entered at this height at their owner's discretion if their measurement is 22 inches and under at the withers. Dogs who measure into the 24" regular jump height division may not enter 24-choice.

MEASURING and HEIGHT CARD INFORMATION

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 26" height division. However, if a Volunteer Measuring Official (VMO) or an Agility Field Rep is present; ALL dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog *before* its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

ENTERING A MIXTURE OF REGULAR AND PREFERRED CLASSES WITHIN THE SAME TRIAL WEEKEND MULTIPLE JUMP HEIGHTS WITHIN THE SAME TRIAL DAY

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day. Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day. **A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.**

FIX AND GO ON (FNG)

As of January 1, 2020, Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

FOR EXHIBITION ONLY (FEO)

As of January 1, 2020, For Exhibition Only may be offered at the option of the host club. FEO will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes. FEO will be of value to new exhibitors or exhibitors that are having difficulty with a specific obstacle and/or ring environment. Competitors must enter in T2B and/or FAST. Participation in FEO is non-qualifying.

FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.

Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed. Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.

The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).

- Toys are allowed in the ring
- Toys must be non-audible
- Toys may not leave the handler's hand
- Toys that roll freely cannot be used
- Food/treats are not allowed in the ring
-

FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.

A judge must monitor the entire run. Judges can stop a run at any time
