

ODE TO MAGGIE MAY WEIGAND
2005 – 2016

Dear little Maggie May. There are no adequate words to describe either the joy of your presence or the pain of your absence. Our life together was short, just a year. But the memory of your precious company and the imprint you left on my heart will last forever. You were the quintessential Scottish Terrier, a companion beyond measure and a blessing that will always enrich my life.
