*Are you good with your hands?*

*Creative? Artsy?*

*Fond of crazy colors  
and different ideas?*

*If so, we have a fundraiser for you!*

The first 30 people/clubs/groups interested that reaches out to Theresa Stewart @ [stewartsscots@aol.com](mailto:stewartsscots@aol.com) will receive a one of a kind geometric Scottie to be decorated.

The Scotties will then be returned to the STCA for fun nights of silent bidding (beginning Thursday, October 5th) and ending with final live bids on Friday, October 6th.

All dogs will be auctioned off (minimum bids of \$50.00) and go home with the winning bidder. This fun project was done by another national dog club recently and the top dog received a final bid of \$3,500.00!!

Anyone who takes on a Scottie to decorate will sign a release and return it to Theresa before getting their geometric Scottie.

A Scottie, along with some ideas to get started will be mailed to the artist once the release is received.

***Scotties must be decorated and returned to Theresa no later than August 15th. Artists will return their Scottie in the same box it came in, and pay for the return postage.***

Artists are asked to sign and date the dog prior to returning it to Theresa.
