

STCA 125th ANNIVERSARY HANDBOOK QUESTIONNAIRE

The Scottish Terrier Club of America is preparing a new STCA Handbook which will be published in 2025. The STCA asks your help in gathering new information for the “Scottish Terrier in America and Overseas” sections. This will cover new information about our members’ activities in the various regions, for the period 2017-2024. This year we have made it possible to input your data at the www.stca.biz website. Please visit the website and click on the link to read more about our 125th edition of the Handbook, upload and pay for advertising and input your favorite memories and highlights. If you prefer to submit your historical data in hard copy, please submit it electronically via email in a Word .docx file to Pam Williams, aftonscots@aol.com. The editor reserves the right to edit entries to 500 words or less. You may use this form as a worksheet prior to submitting data online or mail hard copy. Mail to Pam Williams (address in roster.) You may leave any section you wish blank.

Those who get their kennel data to Pam by end of September 2024 will be entered into a drawing for one medium Larsen grooming knife (value \$140).

Those who get at least one page of color advertising prepared and submitted by the end of September 2024 will be eligible for a drawing for an additional page of color advertising (value of \$300).

All information MUST be received by December 31, 2024. No extensions.
